

Small Expansion Application

Charter School Name:

Canyon Grove Academy

Charter School Director:

Kim Goates

Does this request meet the definition of a small expansion, as found in R277-552-2(4), which is: is for 50 or fewer students; would not necessitate a significant renovation; and is for no more than one additional grade?

Yes No

Explanation from the charter school of justified need, as allowed by R277-552-6(4).

Over the last 5 years we have had a waitlist for many grades. In 2020 we created a Hybrid Distance Education program with much success. In combination with our on-site waitlist and our hybrid interest, we are unable to enroll any wait listed students due to our charter cap, therefore, we would like to increase our enrollment cap by 50 students for the 24/25 academic year.

Signatures from all the school’s governing board members, as allowed by R277-552-6(4). Add additional page or lines as needed.
