

Small Expansion Application

Charter School Name:

Gateway Preparatory Academy

Charter School Director:

Erin Waldman / Administrative Team Lead

Does this request meet the definition of a small expansion, as found in R277-552-2(4), which is: is for 50 or fewer students; would not necessitate a significant renovation; and is for no more than one additional grade?

Yes No

Explanation from the charter school of justified need, as allowed by R277-552-6(4).

Over the last five years we have had a waitlist for several grade levels. In 2020 we created a hybrid distance education program with much success. In combination with our on-site waitlist and our hybrid interest, we are unable to enroll any wait listed students due to our charter cap, therefore, we would like to expand our cap by 50 students for the 24/25 academic year

Signatures from all the school’s governing board members, as allowed by R277-552-6(4). Add additional page or lines as needed.
