

Small Expansion Application

Charter School Name:

Vanguard Academy

Charter School Director:

Charles Reynolds

Does this request meet the definition of a small expansion, as found in R277-552-2(4), which is: is for 50 or fewer students; would not necessitate a significant renovation; and is for no more than one additional grade?

☒ Yes

☐ No

Explanation from the charter school of justified need, as allowed by R277-552-6(4).

Vanguard Academy is currently approved for 550 students in our enrollment. For the 2023-2024 school year, our enrollment applications exceeded this maximum allowable enrollment by 62 applicants, resulting in a waitlist. Based on our historical increases, this will continue to occur. Our facility is able to add several additional classes, which gives us the ability to increase our capacity. Vanguard Academy requests an increase of 50 students to a capacity of 600 students, beginning with the 2024-2025 school year.

Signatures from all the school's governing board members, as allowed by R277-552-6(4). Add additional page or lines as needed.
