Re: LaSal Estates - Request to Vacate

Dear Councilmembers and interested parties:

Emery County hereby renews its request for the Ferron City Council to vacate the subdivision known as LaSal Estates Subdivision, Ferron Townsite Survey, Lots 1 through 29.

Following the public hearing at the City Council Meeting on April 14, 1992, including a private meeting with Mr. Maurice Anderson regarding his concerns, I met with the Emery County Commissioners, and the Commission has agreed to reserve a right-of-way allowing Mr. Anderson access to his property. Hopefully, this will be a solution that all parties can live with. Mr. Anderson will have his access, the property in question will have a tax status which will be more attractive to potential buyers, and the land will be useful and profitable to all concerned.

Accordingly, I wonder if we could have this matter placed on the Ferron City Council agenda for July 15, 1992. Please contact me, if this is possible, and I will make sure that Maurice Anderson and Merrill Peterson are notified of our renewed request. Thank you for your consideration.

Very truly yours,

David A. Blackwell
Deputy Emery County Attorney
