TERMS AND PROVISIONS OF SERIES 2023 BOND

Section 2.1. Purpose and Authority.

(a) The Governing Body hereby finds, determines and declares that the Project to be acquired, constructed, improved and extended with the proceeds of the Series 2023 Bond is necessary for the proper operation of the System and is economically feasible, and the Revenues will be sufficient to retire the Series 2023 Bond.

(b) For the purpose of paying the cost of the Project, including the payment of all fees and expenses incident thereto and to the issuance of the Series 2023 Bond, the Series 2023 Bond shall be issued in the amount or amounts set forth in the Treasurer's Certificate of Dates of Payment and Amounts at the end of the Series 2023 Bond. The Series 2023 Bond shall be payable solely from the Revenues to be derived from the operation and ownership of the System, as more specifically provided herein, and, to the extent available, monies remaining in the Construction Fund as described in Section 4.1 upon completion of the Project.

Section 2.2. Parity Designation. The Series 2023 Bond is issued and sold upon a par with the Issuer's Water Revenue Bond, Series 1988 in the original principal amount of \$153,000 payable to USDA Rural Development (the "Prior Lien Bond"). Neither the Series 2023 Bond nor the Prior Lien Bond shall be entitled to any priority one over the other in the application of the Net Revenues of the System pledged to the payment of the Series 2023 Bond and the Prior Lien Bond, regardless of the time or times of their issuance or delivery and there shall be no priority between the Series 2023 Bond or the Prior Lien Bond in any rights provided in this Master Resolution for entitlement to payment or provisions made for payment.

Section 2.3. Designation and Terms of the Series 2023 Bond. The Series 2023 Bond shall be designated as the "Water Revenue Bond, Series 2023," shall be dated as of the date of delivery to the Drinking Water Board, shall be issued as a single fully-registered bond, without coupons, in the denomination of the amount or amounts set forth in the Treasurer's Certificate of Dates of Payment of Amounts at the end of the Series 2023 Bond and shall be numbered R-1, the principal amount of which shall bear no interest and shall be in such amount as set forth in the table and

column of Payment Dates and Amounts as set forth in the form of the Series 2023 Bond.

Any installment of principal which shall not be paid when due shall bear interest, to the extent permitted by law, at the rate of eighteen percent (18%) per annum from the date of maturity of such installment until that installment is paid.

Subject to prepayment of principal as herein provided, principal on the Series 2023 Bond shall be payable in the number of annual registered installments equal to the number of Payment Years, with no provision for any grace period as to the due date of such payments; provided, however, that the last such installment payment shall be in such amount as will pay the remaining principal due on the Series 2023 Bond on the date of such payment each in the amount of the Installment Amount, due on the Payment Date of each of the Payment Years. Each payment shall be first applied to any applicable interest accrued to the date of payment of that installment, then to principal. Principal and interest, if any, on the Series 2023 Bond shall be payable in any coin or currency which, on the respective dates of payments, is legal tender for the payment of debts to the United States of America and, except as hereinafter otherwise provided, shall be made by check or draft mailed to the Office of the Drinking Water Board in Salt Lake City, Utah, or to its designee or to such other registered owner of the Series 2023 Bond as is shown on the registration books maintained by the Issuer at the close of business on the fifteenth day of the month next preceding each Payment Date at the address of such registered owner as it appears on such registration books or to such other address furnished in writing by such registered owner to the Issuer, and payment shall be endorsed thereon in the payment record attached thereto.

The single, Fully-Registered Bond may be exchanged for Serial Bonds in increments of \$1000 at the option of the holder.

Section 2.4. Prepayment Provisions and Provisions Regarding Notation of Payments - Series 2023 Bond.

(a) The Series 2023 Bond shall be subject to prepayment at the option of the Issuer at any time in whole or in part in multiples of \$1000 as to each bond plus accrued interest to the date of prepayment, and without premium. In the event of a partial prepayment, each installment payment due on the Payment Date of each Payment Year after such partial prepayment shall remain in the Installment Amount regardless of any such partial prepayment; provided that any such partial prepayment shall reduce the principal due on the Series 2023 Bond in inverse order of installment maturities; and provided further that the final payment on the Series 2023 Bond shall be fully sufficient to pay all principal and interest, if any, remaining due thereon. With the exception of prepayments described in Section 3.1, each prepayment on the Series 2023 Bond shall be applied to any interest then due on the Series 2023 Bond and then to principal. Notice of any call for prepayment shall be given by registered mail not less than 30 days prior to the prepayment date to the State or to its designee, or to such other registered owner of the Series 2023 Bond as is shown on the registration books at the close of business on the fifteenth day next preceding the mailing of such prepayment notice at the registered owner's address as shown on such registration books or at

such other address furnished in writing by such registered owner to the Issuer.

(b) In the event of a partial prepayment, such prepayment shall be made in the manner provided for herein for the payment of Installment Amounts (except that prepayments need not be made on Payment Dates) and endorsed on the Series 2023 Bond on the prepayment record attached thereto.

(c) If notice of prepayment shall have been given as aforesaid, the Series 2023 Bond or the portion thereof specified in said notice shall become due and payable at the prepayment price and on the prepayment date therein designated and if, on the prepayment date, money for the payment of the prepayment price of the Series 2023 Bond or the portion thereof to be prepaid shall be available for such prepayment on said date, then from and after the prepayment date, interest, if any, on the Series 2023 Bond or the portion thereof so called for prepayment shall cease to accrue and become payable.

(d) The registered owner of the Series 2023 Bond shall endorse any payment or prepayment of principal on the Series 2023 Bond upon the payment record or prepayment record attached to the Bond.

Section 2.5. Execution of Series 2023 Bond and Representations Relating to the Master Resolution. The Series 2023 Bond shall be executed on behalf of the Issuer by the manual signature of the Executive Officer and attested and countersigned by the manual signature of the Town Clerk. The Town Clerk shall impress or imprint the official seal of the Issuer on the Series 2023 Bond. The Treasurer is authorized and directed to complete the Certificate of Dates of Payment and Amount on the Series 2023 Bond. All of the covenants, promises, statements, recitals, representations and agreements contained in the Series 2023 Bond and this Master Resolution are hereby considered and understood, and it is hereby ordered and declared that the covenants, promises, statements, recitals, representations and agreements therein and herein are covenants, promises, statements, recitals, representations and agreements of the Issuer.

Section 2.6. Form of Series 2023 Bond: The Series 2023 Bond shall be in such form as to authorize the maximum amount to be loaned in incremental advances and the Series 2023 Bond shall provide at the end thereof a Certificate of Dates of Payment and Amount which shall reflect the amount and date of each advance and to be certified by the Treasurer of the Issuer. The Series 2023 Bond shall be in substantially the following form:

This Bond is a special obligation of the Issuer and is one of an issue of a total series of fully-registered Water Revenue Bonds, designated as "Water Revenue Bonds, Series 2023", in the aggregate principal amount of \$_____ dated as of the date set forth below, issued under, by virtue of, in full conformity with and after full compliance with the Constitution and laws of the State of Utah, including particularly the Utah Local Government Bonding Act, Chapter 14 of Title 11, Utah Code Annotated 1953, as amended, the Registered Public Obligations Act, Chapter 7 of Title 15, Utah Code Annotated 1953, as amended, and a Parameters Resolution duly adopted by the Mayor and Town Council of the Issuer (the "Governing Body") on September 26, 2023 and a Master Resolution dated *, 2023, authorizing this Bond (the "Master Resolution"), for the purpose of paying all or part of the cost of construction of culinary water system improvements, including construction of a tank and installation of distribution lines, together with related improvements (the "Project") including, without limitation, all fees and expenses reasonably incurred in connection therewith and with the issuance of such bonds as may be properly payable from the proceeds thereof. Principal of, premium, if any, and interest, if any, on this Bond is payable solely from the revenues, funds and other monies pledged or provided therefor under the terms of the Master Resolution.

To the extent and in the respects permitted by the Master Resolution, the Master Resolution may be modified or amended by action on behalf of the Issuer taken in the manner and subject to the conditions and exceptions prescribed in the Master Resolution. The holder or owner of this Bond shall have no right to enforce the provisions of the Master Resolution or to institute action to enforce the pledge or covenants made therein or to take any action with respect to an event of default under the Master Resolution or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Master Resolution.

The Bonds are dated as of _____, 2023 and are duly issued under and by virtue of the Act and under and pursuant to the Master Resolution. A copy of the Master Resolution is on file at the office of the Town Clerk of the Issuer in Virgin, Utah, and reference to the Master Resolution and to the Act is made for a description of the pledge and covenants securing the Bonds, the nature, manner and extent of enforcement of such pledge and covenants, the terms and conditions upon which the Bonds are issued and a statement of the rights, duties, immunities and obligations of the Issuer. Such pledge and other obligations of the Issuer under the Master Resolution may be discharged at or prior to the maturity or redemption of the Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Master Resolution.

This Bond is transferrable, as provided in the Master Resolution, only upon the books of the Issuer kept for that purpose at the office of the Town Clerk of the Issuer, by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer in a form approved by the Issuer, duly executed by the registered owner or his duly authorized attorney, and thereupon the Issuer shall issue in the name of the transferee a new registered Bond or Bonds of the same aggregate principal amount, series designation and maturity as the surrendered Bond, all as provided in the Master Resolution and upon

the payment of the charges therein prescribed. The Issuer, the Trustee, and any paying agent may treat and consider the person in whose name this Bond is registered as the holder and absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest, if any, payable hereon and for all other purposes whatsoever.

Subject to the provisions of the Master Resolution, the Bonds are issuable in fully registered form, without coupons, in the denomination of \$1000 and any integral multiple thereof.

The Bonds are subject to redemption at any time at the option of the Issuer in whole or in part (if in part, in integral multiples of \$1000) in inverse order of maturity upon notice given as hereinafter set forth, at a redemption price equal to the principal amount of each Bond or portion thereof to be so redeemed, and without premium.

If less than all of the Bonds of any maturity are to be redeemed, the particular Bonds to be redeemed shall be selected as provided in the Master Resolution; provided, however, that subject to other applicable provisions of the Master Resolution, the portion of any Bond to be redeemed shall be in a principal amount equal to a denomination in which the Bond was authorized to be issued, and that in selecting Bonds for redemption, the Issuer shall treat each Bond as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$1000. If part but not all of a Bond in a denomination in excess of \$1000 is to be redeemed, the registered owner thereof shall present and surrender such Bond to the Issuer, and the Issuer shall execute and authenticate and deliver to the registered owner thereof, without charge therefor, a Bond or Bonds of the same maturity for unredeemed balance of the principal amount of such Bond, all as more fully set forth in the Master Resolution.

Notice of redemption shall be given by the Issuer by registered mail, not less than 30 days nor more than 45 days prior to the redemption date, to the registered owner of this Bond, at his address as it appears on the bond registration books of the Issuer, or at such address as he may have filed with the Issuer for that purpose. Each notice of redemption shall state the redemption date and the principal amount and, if less than all of the Bonds are to be redeemed, the distinctive numbers of the Bonds to be redeemed.

If notice of redemption shall have been given as aforesaid, the Bonds or portions thereof specified in said notice shall become due and payable at the applicable redemption price on the redemption date therein designated.

Except as otherwise provided herein and unless the context clearly indicates otherwise, words and phrases used herein shall have the same meanings as such words and phrases in the Master Resolution.

Section 2.10. The Issuer agrees, in accepting the proceeds of the Series 2023 Bond, to comply with all applicable state and federal regulations related to the Utah State Revolving Fund administered by the Drinking Water Board. These requirements include, but are not limited to, Title XIV of the Safe Drinking Water Act of 1996, OMB Circular A-133, the Utah Federal State Revolving Fund (SRF) Program (R309-351 of the Utah Administrative Code), the Utah Local Government Bonding Act, the Utah Money Management Act, the Utah Procurement Code and the State of Utah Legal Compliance Audit Guide.

ARTICLE III

SALE OF BONDS; SYSTEM OF REGISTRATION

Section 3.1 Sale of Bonds. The proceeds of the sale of the Series 2023 Bond shall be deposited at the time of sale in the Escrow Account as defined in Article I herein to be administered by the Escrow Agent. All monies so deposited in said fund shall be used solely for the purpose of acquiring the necessary property and constructing improvements, additions and extensions to the System, including any architectural, engineering, legal, fiscal agent and other expenses incidental thereto.

Any unexpended bond proceeds remaining in said Escrow Account after completion of the Project shall be paid immediately into the "Virgin Town, Washington County, Utah Series 2023 Water Revenue Bond Fund" hereafter described. The said unexpended proceeds shall be used only for the prepayment of amounts of principal due or to become due on the Bonds in inverse order of maturities or for redemption of any Serial Bonds at a price (exclusive of accrued interest) not exceeding the face amount thereof and as provided in the Escrow Agreement. Redemptions made under this condition shall be made pro-rata, in direct proportion to the respective amounts then remaining unpaid under the Bonds. Any bonds so redeemed shall be cancelled and shall not be reissued. Following the transfer of unexpended funds from the Escrow Account to the said Revenue Fund, the Escrow Account will be closed.

Section 3.2. Registration and Exchange of Bonds.

(a) This Article shall constitute a system of registration within the meaning and for the purpose of Chapter 7 of Title 15, Utah Code Annotated, 1953, as amended. The Issuer shall cause books for the registration and for the transfer of the Bonds to be kept at the office of its Town Clerk.

(b) Upon surrender for transfer of any of the Bonds at the office of the Issuer, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Issuer and duly executed by the registered owner or his attorney duly authorized in writing, the Town Clerk or other duly authorized official of the Issuer shall note the name of the transferee or transferees and the date of the transfer in the place provided on the back of the Bonds and shall affix his or her official signature thereon. The Town Clerk shall thereupon deliver the Bond or Bonds to the transferee and shall enter in the registration books of the Issuer the name and address of the transferee.

(c) The Issuer shall not be required to transfer any of the Bonds during the period from the fifteenth day of the month next proceeding any Payment Date on the Bonds to and including such Payment Date, nor to transfer the Bonds during a period of 15 days next preceding mailing of a notice of prepayment of any installment, or portion thereof, on the Bonds.

(d) The person in whose name the Bonds shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and the Issuer shall not be affected by any notice to the contrary. Payment of the principal of and interest, if any, on the Bonds shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds to the extent of the sum or sums so paid.

(e) No service charge shall be made by the Issuer for any transfer of the Bonds but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer of the Bonds.

(f) Prior to making any transfer of the Bonds as provided in this Section, the Town Clerk shall verify that the payment record and prepayment record attached to the Bonds have been accurately completed as of the date of such transfer and, if necessary, conform such payment record and prepayment record to accurately reflect all payments of principal on the Bonds, based on the records and information with respect to such Bonds maintained by the Issuer and the registered owner surrendering such Bonds.

Section 3.3. Mutilated, Lost, Destroyed or Stolen Bond. If any of the Bonds shall become mutilated, the Issuer, at the expense of the registered owner thereof, shall execute and deliver a new Bond of like tenor in exchange for the Bond so mutilated, but only upon surrender to the Treasurer of the Bond so mutilated, which Bond shall thereupon be cancelled by the Issuer. If the Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Issuer and if such evidence be satisfactory and given, the Issuer, at the expense of the registered owner thereof, shall execute and deliver a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if the entire principal amount of the Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same without surrender thereof). Any Bond issued under the provisions of this Section in lieu of a Bond alleged to be lost, destroyed or stolen shall constitute an additional contractual obligation of the Issuer and shall be equally and proportionately entitled to the benefits of this Master Resolution. The Issuer shall not be required to treat both the original Bond and the duplicate Bond as being Outstanding for the purpose of determining the principal amount of the Bond and Parity Bonds which may be issued under this Master Resolution or for the purpose of determining any percentage of the Bond or Parity Bonds Outstanding under this Master Resolution, but both the original and duplicate Bond shall be conformed by the Town Clerk to accurately reflect all payments of principal on the lost, destroyed or stolen Bond, based on the records and information with respect to such lost, destroyed or stolen Bond maintained by the Issuer and the registered owner of the Bond.

ARTICLE IV
FLOW OF FUNDS

Section 4.1. Pledge Effected by the Master Resolution.

(a) The Bonds are special obligations of the Issuer payable from and secured by the Revenues. There is hereby pledged for the payment of the principal of, prepayment premium, if any, and interest, if any, on the Bonds in accordance with their terms and the provisions of this Master Resolution, subject only to the provisions of this Master Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Resolution, (i) the proceeds of sale of the Bonds, (ii) the Revenues, and (iii) all funds established hereunder, including the investments, if any, thereof. Except as otherwise provided in this Section, the Bonds herein authorized shall enjoy complete priority of lien on the Revenues.

(b) In no event shall the Bonds be deemed or construed to be a general indebtedness of the Issuer or payable from any funds of the Issuer other than those derived from the operation of the System.

Section 4.2. Establishment of Funds. The following funds are hereby established and confirmed:

- (1) Construction Fund, to be held by the Escrow Agent;
- (2) Revenue Fund, to be held by the Issuer;
- (3) Bond Fund, to be held by the Issuer;
- (4) Reserve Fund, to be held by the Issuer; and
- (5) Capital Facilities Replacement Fund, to be held by the Issuer.

Section 4.3. Revenue Fund.

(a) There shall be deposited into the Revenue Fund, as received, the Revenues of the System. The Revenue Fund shall be deposited with the Depository and the monies credited to said Revenue Fund shall be expended only in the manner herein specified.

(b) Expenses of Maintenance and Operation shall be paid by the Issuer from time to time as they become due and payable and shall be a first charge on the Revenue Fund.

Section 4.4. Flow of Funds.

(a) As soon as practicable in each year after the deposit of Revenues in the Revenue Fund, and after payment of unpaid Expenses of Maintenance and Operation then due, but in any case prior to the end of such year, the Issuer shall transfer, or cause the Depository to transfer, to the extent of monies available in the Revenue Fund, to the following funds in the following order the amounts set forth below:

(1) In the Bond Fund, in each month so long as the Bond is outstanding, one-twelfth of (i) the amount of the principal and interest falling due on the Series 2023 Bond, plus (ii) the payments due to the bond fund on the Prior Lien Bond. In the event revenues are insufficient to fully fund the Series 2023 Bond and the Prior Lien Bond, amounts shall be deposited to the respective Bond Funds on a pro rata basis based upon the respective face amount of each bond as compared to the combined face amount of all bonds.

(2) In the Reserve Fund, (i) on a monthly or annual basis such amounts as required to satisfy the Reserve Fund Requirement with respect to each of the Prior Lien Bond, and (ii) on an annual basis a sum equal to the Reserve Fund Installment so as to cause to be on deposit in the Reserve Fund an amount equal to the Reserve Fund Requirement not later than 10 years following the commencement of such annual transfers.

If monies shall ever be paid out of the Reserve Fund, monies shall be deposited, in addition to other deposits required by this paragraph (2), into the Reserve Fund from available Revenues (after making all other payments of Expenses of Maintenance and Operation and deposits into the Reserve Funds heretofore provided in this Section) to the extent necessary to cause the amount paid out to be replaced; and

(3) In the Capital Facilities Replacement Fund for the Series 2023 Bond, an annual deposit equal to 5% of the total operating budget of the System. The first installment shall be payable on the anniversary date of the issuance of the Series 2023 Bond hereunder and shall continue until the Series 2023 Bond is redeemed. For purposes of this provision, annual operating budget shall include debt service and depreciation.

If available Revenues in the Revenue Fund (after payment of Expenses of Maintenance and Operation and deposits into the Bond Fund) are not sufficient to allow the deposit of the full amount payable to all reserve funds, then those available revenues shall be allocated among the reserve funds on a pro rata basis, based upon the relative amount of the required installments then due as to each reserve fund. In addition, if amounts are subsequently withdrawn from the reserve funds as provided in Section 4.6, the Issuer shall thereafter make deposits from first available Revenues to the Reserve Fund created herein, in such amounts as is necessary to restore the amounts withdrawn; provided, however, that such deposits shall be made on a pro rata basis among said reserve funds until the amounts withdrawn have been fully restored.

(b) Amounts remaining in the Revenue Fund after payment of the amounts required by paragraphs (1) through (3) subsection (a) of this Section and not required to meet Expenses of Maintenance and Operation or used for remedying any deficiencies in the payments previously made to the funds herein established, may be used, at the option of the Issuer and to the extent permitted by law, (1) to purchase or prepay any Bond in accordance with the provisions hereof governing prepayment of the Bond authorized hereunder in advance of maturity or, in the case of Future Parity Bonds, in accordance with the provisions of the resolution authorizing such Future Parity Bonds governing prepayment of such Future Parity Bonds in advance of maturity, including payment of expenses in connection with such purchase or prepayment; (2) to pay the principal or prepayment price of and interest on any bonds, including general obligation or junior lien revenue bonds of the Issuer issued to acquire, construct, improve or extend the System; (3) to pay the costs of capital improvements to the System; and (4) for any other lawful purpose, including, without limitation, payment of other obligations of the Issuer.

Section 4.5. Bond Fund. Monies in the Bond Fund shall be used for the purpose of paying principal, prepayment premium, if any, and any applicable interest when due on the Bonds, such use of the Bond Fund shall be applicable to the Prior Lien Bond. The Bond Fund shall be kept on deposit with the Depository.

Section 4.6. Reserve Fund. In the event that the money on deposit in the 2023 Bond Fund on the final day of any month is less than the amount required to be in such Fund pursuant to Section 4.4(a)(1) hereof, then the Issuer shall cause any funds on deposit in the respective Reserve Funds to be immediately transferred by the Depository to such corresponding Bond Fund in the amount required to eliminate the deficiency in such Bond Fund(s). The Reserve Fund shall be kept on deposit with the Depository.

Section 4.7. Capital Facilities Replacement Fund. For so long as the Series 2023 Bond is outstanding, the amounts in the Capital Facilities Replacement Fund shall be kept on deposit with the Depository and may be applied from time to time by the Issuer solely for the purpose of paying costs and expenses relating to the construction and acquisition of additions, improvements and extensions to the System or to replace portions of the System which have become obsolete or no longer function properly or efficiently. The Capital Facilities Replacement Fund shall not serve as security for the payment of either principal, premium or interest on the Series 2023 Bond, and the Issuer shall not be obligated to obtain consent of any registered owner of the Series 2023 Bond to make disbursements from the Capital Facilities Replacement Fund for the purposes described in this Section 4.7; provided, however, that for so long as the Drinking Water Board is registered owner of the Series 2023 Bond, the Issuer shall make no disbursements from the Capital Facilities Replacement Fund unless and until the Issuer has given prior written notice to the Drinking Water Board setting forth the nature, purpose and amount of the proposed disbursement. Upon payment in full of the Series 2023 Bond, any amount remaining in the Capital Facilities Replacement Fund may be withdrawn by the Issuer and used for any lawful purpose of the Issuer.

Section 4.8. Investment of Funds. All money maintained on deposit with the Depository

shall be held as special and not as general deposits, the beneficial interest in which shall be in the registered owners from time to time of the Bonds. All money so maintained on deposit with the Depository shall be secured to the fullest extent required or permitted by the laws of the State of Utah pertaining to the securing of public deposits. All or part of the money in the Bond Fund, in the Reserve Fund and in the Capital Facilities Replacement Fund shall be invested by the Depository, at the direction of the Issuer, in Permitted Investments, but any such investments so made shall always be such that the obligations mature or become optional for redemption in amounts and at times so as to assure the availability of the proceeds thereof when needed for the purpose for which such funds were created. Interest received on all such investments permitted hereunder shall be deposited in the Revenue Fund, except that at any time less than the required amount is on deposit in either the Bond Fund, the Reserve Fund or the Capital Facilities Replacement Fund, then interest attributable to such fund, respectively, shall be deposited into such fund. Whenever any money so invested from the Bond Fund, the Reserve Fund or the Capital Facilities Replacement Fund is needed for the purpose for which such fund was created, such investments, to the amount necessary, shall be liquidated by the Depository at the direction of the Issuer, and the proceeds thereof applied to the required purpose.

Section 4.9. Use of Funds When Reserves Sufficient to Pay Outstanding Bonds. Whenever there is sufficient available money in the Bond Funds and in the respective Reserve Fund to pay in full all principal and interest under these Bonds and all Bonds in accordance with their terms and the terms of this Master Resolution or, in the case of Future Parity Bonds, the resolutions authorizing the issuance of such Future Parity Bonds, the money in such funds shall be used for such purpose and no other purpose but no additional payments need to be made into either fund unless necessary to replace monies lost or otherwise dissipated therefrom. If all payments of principal and interest under the Bonds authorized by this Resolution are fully paid before Prior Lien Bond are fully paid, all payments required under the Resolutions authorizing the Prior Lien Bond shall be paid into the Sinking and Reserve Funds until the Prior Lien Bond are satisfied in full or defeased.

ARTICLE V

COVENANTS AND UNDERTAKINGS

Section 5.1. Punctual Payment. The Issuer will punctually pay or cause to be paid the principal, the prepayment premium, if any, and any applicable interest when due on the Bonds, in strict conformity with the terms of the Bonds and of this Master Resolution or, in the case of Future Parity Bonds, the resolutions authorizing the issuance of such Future Parity Bonds, according to the true intent and meaning thereof. The Issuer agrees that there shall be no grace period as to the date of any payment required to be made pursuant to the terms of the Bond and of this Master Resolution or, in the case of Future Parity Bonds, the resolutions authorizing the issuance of such Future Parity Bonds.

Section 5.2. Operation and Maintenance. The Issuer will cause the System to be operated continuously for the furnishing of System services to the inhabitants of the Issuer, to the extent

practicable under conditions as they may from time to time exist, in an efficient and economical manner, and will at all times cause to be maintained, preserved and kept, the System, including all parts thereof and appurtenances thereto, in good repair, working order and condition, and in such manner that the operating efficiency thereof will be of high character. The Issuer will from time to time cause to be made all necessary and proper repairs and replacements so that the rights and security of the registered owners of the Bonds may be fully protected and preserved, and will faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State of Utah, including the making and collecting of sufficient rates, fees and charges as appropriate, for all services supplied by the System and the segregation and application of the Revenues of the System in the manner provided in this Master Resolution.

Section 5.3. Compliance with Contracts and Agreements; Maintenance of Revenues.

(a) The Issuer will comply with all terms, covenants and provisions, express or implied, of all contracts and agreements entered into by it for System use and services and all other contracts or agreements affecting or involving the System or the business of the Issuer with respect thereto, and will fix and collect rates, fees and charges, as appropriate for all services supplied by the System fully sufficient, after making due allowance for delinquencies in collection, to provide for the payment of the Expenses of Maintenance and Operation, to provide for the payment of all obligations payable from the Revenues of the System, including the Bonds, as and when the same become due and payable, and to establish the Bond Fund, the Reserve Fund and the Capital Facilities Replacement Fund and to make the deposits into the Bond Fund, the Reserve Fund and the Capital Facilities Replacement Fund as hereinabove required.

(b) In order to assure full and continuous performance of the covenants contained by sub-section (a) of this Section with a margin for contingencies and temporary unanticipated reduction in Revenues, the Issuer hereby covenants and agrees that it will, at all times while any of the Bonds shall be outstanding, continue in effect and establish, fix, prescribe and collect rates and charges for the sale or use of System services furnished by the Issuer which, together with any other income, are reasonably expected to yield Net Revenues equal to at least 1.25 times the aggregate annual debt service on all Bonds issued hereunder, Prior Lien Bond and Future Parity Bonds which will be outstanding in the forthcoming year.

(c) If at any time the Revenues arising from such rates, fees and charges, as appropriate, shall not be sufficient to make all such payments promptly as herein required, the Issuer shall revise the rates, fees and charges, as appropriate, to the users of System services so that such deficiency will be remedied before the end of the next ensuing Year. If the Issuer shall fail to revise such charges as herein required, the registered owners of not less than ten percent (10%) in aggregate principal amount of the Outstanding Bonds, whether or not any of the Bonds shall then be in default, shall have authority, to the extent permitted by law, to bring an appropriate action in any court of competent jurisdiction to compel the Governing Body to carry out the provisions of this Section.

Section 5.4. Delinquencies; Single Billing.

(a) If any delinquent charge for System services, with applicable penalty and interest, is not paid in full within 60 days from the date on which the charge has become delinquent, the Issuer will, when appropriate and necessary to effect collection, cause all System services to be discontinued to the delinquent customers or premises, or forbid further use of such services by such customers or premises, to the extent permitted by law, until such delinquency, with penalties and interest has been paid in full. The Issuer further agrees in addition to the foregoing that it will do all things and exercise all remedies legally available to assure the prompt payment of all charges made for System services.

(b) The Issuer further covenants and agrees, to the extent permitted by law, that the Issuer will bill each customer receiving System services in a single bill, will refuse to accept payment for any of such services unless payment for the other services is also made, and if payment for any of such services is permitted to become delinquent and remain so for a period of 60 days, will treat such delinquency as provided in subsection (a) of this Section.

(c) If any customer or user of System services shall become delinquent for more than six months in the payment of his charges for such services, the Issuer agrees that, in addition to all of the remedies for which provision is made in this Master Resolution, the Issuer will proceed immediately, and it is hereby authorized to proceed, with a suit at law or in equity against such customer or user to recover the amount of any such delinquent charges, together with penalties and interest to the extent permitted by law.

Section 5.5. Consideration Required for Services. The Issuer will not permit System services to be supplied to any person, firm or corporation, public or private, or to any public agency or instrumentality including the Issuer without due consideration to be received in exchange therefor.

Section 5.6. Observance of Laws and Regulations; Permits, Licenses and Claims.

(a) The Issuer will well and truly keep, observe and perform all valid and lawful obligations or orders or regulations now and hereafter imposed on it by contract, or prescribed by any law of the United States of America or of the State of Utah, or by any officer, board or commission having jurisdiction or control over the Issuer or the System or both, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the Issuer, including its right to exist and carry on business, to the end that such rights, privileges and franchises shall be maintained and preserved, and shall not become abandoned, forfeited or in any manner impaired; provided, however, that the Issuer shall not be required to comply with any such orders so long as the validity or application thereof shall be contested in good faith.

(b) The Issuer shall at all times undertake reasonable efforts to perfect, and protect and maintain rights of any kind, all purchase contracts of any kind, and all permits, licenses and

claims, necessary for the operation of the System.

Section 5.7. Payment of Taxes and Claims. The Issuer will, from time to time, duly pay and discharge, or cause to be paid and discharged, any taxes, assessments or other governmental charges lawfully imposed upon any of the properties of the System or upon the Revenues when the same shall become due, and will duly observe and conform to all valid requirements of any governmental authority relative to any such properties. Section 5.8. Accounts and Reports.

(a) The Issuer will maintain and keep proper books of record and accounts separate and apart from all other records and accounts of the Issuer, in which there shall be made full and correct entries of all transactions relating to the System and the Revenues. Each such audit, in addition to whatever matter may be thought proper by the accountant to be included therein, shall include the following:

during such fiscal year;

(7) To the extent applicable, a statement of all schedules of rates in effect at the close of the fiscal year and the aggregate dollar amount billed for the System services during such fiscal year and the Revenues received from charges for System services by types or classes of customers, if applicable;

(8) A list of the official titles of the Executive Officer and the Town Clerk and members of the Governing Body, and the name of each person occupying said positions; and

(9) A general statement concerning any events or circumstances which might affect the financial status of the System.

All expenses incurred in the making of the audits required herein shall be regarded and paid as Expense of Maintenance and Operation. The Issuer further agrees to furnish a copy of each such audit to each Bondholder who shall request the same in writing. Any registered owner of any of the Bonds shall have the right to discuss with the accountant making the audit the contents of the audit and to ask for such additional information as he may reasonably require in connection with such audit. The Issuer agrees that said books of record and account herein referenced, and any and all other books, records and accounts of the Issuer relating to the System, shall at all reasonable times be open to inspection by any registered owner of any of the Bonds or their representatives duly authorized in writing, during normal business hours.

Section 5.10. Against Sale or Other Disposition of System Property Except Under Conditions. The Issuer will not sell, lease, encumber, alienate or in any manner dispose of the System or any substantial part thereof until all of the Bonds have been paid in full; provided, however, that nothing herein contained shall be construed to prevent disposal by the Issuer, upon prior written notice to the registered owners of the Bonds, of property which it deems has become inexpedient to use in connection with the System, when other property of equal value is substituted therefor.

Section 5.11. Against Competition with System Services. The Issuer, so far as it legally may, covenants and agrees that it will not operate or grant a franchise for the operation of any system competing with the System within the boundaries of the Issuer as long as any of the Bonds are Outstanding.

Section 5.12. Future Parity Bonds.

(a) The Issuer will issue no other bonds or obligations of any kind or nature payable from or enjoying a lien on the Revenues, unless such other bonds or obligations are made subordinate to the Bonds herein authorized; provided that at any time Future Parity Bonds may be authorized by resolution of the Governing Body if all the following conditions are met:

(1) The Issuer is in full compliance with all of the covenants and undertakings in connection with all Bonds of the Issuer then Outstanding and payable from the Revenues of the System;

(2) The Annual Net Revenues of the System for the 12 consecutive months ending with the calendar month next preceding the adoption by the Governing Body of the resolution authorizing the issuance and confirming the sale of the Future Parity Bonds, as shown by an audit rendered by an independent public accountant employed by the Issuer, when added to the estimated amount of the increase in such Annual Net Revenues for the first full twelve-month period in which the improvements, extensions, additions or betterments to the System to be acquired with the proceeds of the Future Parity Bonds will be in operation (such estimated amount to be evidenced by a certificate of an independent consulting engineer approved by the Governing Body of recognized skill and experience in the field of engineering matters related to the construction and maintenance of systems similar to the System), are equal to at least 1.25 times the maximum annual debt service on (i) all Series 2023 Bonds and Future Parity Bonds then outstanding plus (ii) the Future Parity Bonds then proposed to be issued;

(3) If the Future Parity Bonds are to be issued solely for the purpose of refunding a portion of the Bonds then outstanding then, for the purpose of making the calculation required under the foregoing paragraph, the maximum annual debt service on the Outstanding Bonds in any future Year shall take into consideration only Bonds that will

remain outstanding after the issuance of such Future Parity Bonds, provided that if before the issuance and delivery of such Future Parity Bonds all of the Bonds theretofore issued will have been retired, nothing herein contained shall limit or restrict the issuance of any such Future Parity Bonds;

(4) Future Parity Bonds may be issued only for the purpose of acquiring, constructing, improving or extending the System, or for the purpose of refunding any outstanding Bonds, or for any combination of such purposes;

(5) The resolution authorizing the issuance of such Future Parity Bonds shall provide that the last maturity date of the Future Parity Bonds shall not be earlier than the last maturity date of any Bonds theretofore issued and then outstanding and shall provide for fixed serial maturities or mandatory minimum sinking fund payments, of any combination thereof, in such amounts as will be sufficient to provide for the payment or retirement of all such Future Parity Bonds on or before their respective maturity dates; and

(c) Further, in the event of default the bondholder has the remedy to impose interest on the total outstanding principal balance of the Series 2023 Bond at the rate of 18% per annum until the default is cured.

Section 5.14. Master Resolution to Constitute Contract Between the Issuer and the Holders of the Bond. The provisions of this Master Resolution shall constitute a contract between the Issuer and the registered owners from time to time of the Bond. After the issuance of any such Bond, no change, variation or alteration in the provisions of this Master Resolution may be made, except as provided in Article VII hereof. The provisions of such contract shall be enforceable by appropriate proceedings to be taken by any of such registered owners either at law or in equity, to the extent permitted by law.

Section 5.15. Compliance with Master Resolution. The Issuer for itself, its successors and assigns represents, covenants and agrees with the registered owners of the Bonds, as a material inducement to the purchase of the Bonds, that so long as any of the Bonds shall remain outstanding and the principal thereof, prepayment premium, if any, or interest thereon shall be unpaid or unprovided for, it will faithfully perform all of the covenants and agreements contained in this Master Resolution and the Bonds.

Section 5.16. Power to Issue Bonds and Pledge Revenues and Funds; Power to Own the System and Collect Rates and Fees; Ownership of Project. The Issuer is duly authorized under all applicable laws to create and issue the Bonds and to adopt this Master Resolution and to pledge the Revenues purported to be pledged by resolution in the manner and to the extent provided herein. The Bonds and the provisions of this Master Resolution are and will be the valid and legally enforceable obligations of the Issuer in accordance with the terms of the Bonds and the terms of this Master Resolution. The Issuer shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Revenues under this Master Resolution and all the rights of the registered owners of the Bonds under this Master Resolution against all claims and demands of all persons whomsoever. The Issuer has, and will have so long as any Bonds are outstanding, good, right and lawful power to acquire, construct, improve, extend and own the Project and the System and to fix and collect rates, fees and charges, as appropriate, in connection with the System.
