

Effective 1/28/2023

58-1-603. Hormonal transgender treatment on minors -- Requirements.

- (2) (a) The division shall create a transgender treatment certification on or before July 1, 2023.
- (b) The division may issue the transgender treatment certification to an individual if the individual:
- (i) is a health care provider or a mental health professional; and
 - (ii) has completed at least 40 hours of education related to transgender health care for minors from an approved organization.
- (c) The division may renew a transgender treatment certification:
- (i) at the time an individual renews the individual's license; and
 - (ii) if the individual has completed at least 20 hours of continuing education related to transgender health care for minors from an approved organization during the individual's continuing education cycle.
- (d) Beginning January 1, 2024, providing a hormonal transgender treatment to a minor without a transgender treatment certification is unprofessional conduct.

Licensee's who need to be certified will need to submit continuing education hours provided by the below listed organizations by December 31, 2023. The training must have been completed after January 1, 2022 and be accredited continuing education.
