COMMENT PERIOD

A. **PUBLIC COMMENTS**

Lynette Nelson stated that she is the chairperson for the Blue Haven Neighorhood Watch. She indicated that there concerns in her neighborhood related to speeding and she would like some sort of traffic deterrent system put in place.

Julie Pace stated that she is here to speak in opposition to proposed application GPZ-5-2023 in Highbury. Ms, Pace indicated that this proposed development would decrease safety, increase traffic concerns, impact safe school routes, and bring instability to the community She encouraged the Council to vote against the proposal.

B. **CITY MANAGER COMMENTS**

Wayne Pyle, City Manager, had no comments.

C. **CITY COUNCIL COMMENTS**

Mayor Lang encouraged Ms. Nelson to apply for a traffic study. Councilmember Harmon noted that changes may occur and asked if studies that happen from now until those potential changes take place can be be used under the new standards if adopted. Wayne replied yes.

PUBLIC HEARINGS

A. **ACCEPT PUBLIC INPUT REGARDING THE WEST VALLEY CITY COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) CONSOLIDATED ANNUAL PERFORMANCE EVALUATION REPORT FOR FISCAL YEAR 2022-2023**

Mayor Lang informed a public hearing had been advertised for the Regular Council Meeting scheduled September 19, 2023, in order for the City Council to hear and consider public comments regarding the West Valley City Community Development Block Grant (CDBG) Consolidated Annual Performance Evaluation Report for Fiscal Year 2022-2023.

Written documentation previously provided to the City Council included information as follows:

> Each year West Valley City receives grant funds from the U.S. Department of Housing and Urban Development (HUD) through the CDBG program. HUD

DRAFT

requires that each CDBG grantee to submit a yearly Consolidated Annual Performance Evaluation Report. This report summarizes the activities and progress made during fiscal year 2022-2023 that have been funded by the city's CDBG program.

We have created the Consolidated Annual Performance Evaluation Report and budget that meets the federal guidelines for this report. The city has made its CAPER available for public review and a public hearing will be held on September 19, 2023, at 6:30 p.m. in the West Valley City Council Chambers, to allow for public comment.

HUD requires entitlement communities receiving CDBG funds to annually review and publicly report on the progress made in carrying out its Annual Action Plan. Submission of the CAPER is the reporting tool HUD requires to meet this obligation and is due to HUD within 90 days after program year-end on June 30, 2023. As required by HUD regulations and the Citizen Participation Plan (CPP), staff obtained citizen participation for the CAPER by publishing a public hearing notice inviting the public to provide input. The CPP is required by HUD for jurisdictions receiving CDBG funds to solicit and obtain input primarily from low- to moderate-income residents. Staff published a public hearing notice Saturday, August 19, 2023, in The Salt Lake Tribune. The notice stated citizens' comments may be submitted in person and in writing until 5 p.m., Friday, September 25, 2023. No comments were received as of the writing of this staff report. In summary, the CAPER reflects that the City is making progress to expend its CDBG funds in a timely manner and in meeting the program's primary objectives.

Mayor Lang opened the Public Hearing. There being no one to speak in favor or opposition, Mayor Lang closed the Public Hearing.

ACTION: RESOLUTION NO. 23-134, APPROVE THE WEST VALLEY CITY COMMUNITY DEVELOPMENT BLOCK GRANT ANNUAL PERFORMANCE EVALUATION REPORT FOR FISCAL YEAR 2022-2023
The City Council previously held a public hearing regarding proposed Resolution 23-134 that would approve the West Valley City Community Development Block Grant Annual Performance Evaluation Report for Fiscal Year 2022-2023.

Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Whetstone moved to approve Resolution 23-134.

Councilmember Huynh seconded the motion.

A roll call vote was taken:

Councilman Fitisemanu	Yes

RESOLUTION 23-135: APPROVE AN AMENDMENT TO THE HOME INVESTMENT PARTNERSHIP INTERLOCAL AGREEMENT TO ADD HERRIMAN CITY AS A PARTY

Wayne Pyle, City Manager, presented proposed Resolution 23-135 that would approve an Amendment to the HOME Investment Partnership Interlocal Agreement to Add Herriman City as a Party.

Written documentation previously provided to the City Council included information as follows:

> West Valley City is part of a county wide consortium of cities that receive Housing and Urban Development (HUD) HOME Investment Partnerships (HOME) funds through Salt Lake County. To participate in the Salt Lake County HOME Consortium and receive this funding we must have an interlocal agreement in place with Salt Lake County. The agreement is effective from October 1, 2023, until September 30, 2026. Herriman has decided to join the consortium of cities which requires a new agreement to be signed.
>
> By itself, West Valley City does not qualify for federal HOME program funds through HUD. As part of a larger consortium of cities, however, we have succeeded in qualifying for these funds, with Salt Lake County as the receiving agency. After being notified of our HOME award each year, we will enter into a HOME program agreement with Salt Lake County to spend the funding, then invoice Salt Lake County for reimbursement of eligible expenses. The interlocal agreement details the relationship between West Valley City and Salt Lake County.
>
> This interlocal agreement is renewed every three years.
>
> Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Nordfelt moved to approve Resolution 23-135.

Councilmember Whetstone seconded the motion.

A roll call vote was taken:

Councilman Fitisemanu	Yes
Councilman Whetstone	Yes
Councilman Harmon	Yes
Councilman Huynh	Yes
Councilman Christensen	Yes
Councilman Nordfelt	Yes
Mayor Lang	Yes

Unanimous.

RESOLUTION 23-136: AUTHORIZE THE EXECUTION OF A COMMISSIONED PAINTING AGREEMENT WITH DOWDLE STUDIOS, LLC

Wayne Pyle, City Manager, discussed proposed Resolution 23-136 that would authorize the Execution of a Commissioned Painting Agreement with Dowdle Studios, LLC,

Written documentation previously provided to the City Council included information as follows:

Dowdle Art is a nationally recognized puzzle company that creates unique puzzles featuring different cities, landmarks and national parks. The company has approached West Valley City with a proposal to develop a puzzle showcasing WVC and its recognizable buildings and landmarks.

Dowdle will visit and study the city and create this puzzle of West Valley City for $150,000 which includes the following:

- WVC would own the digital original artwork forever and could use it for any purpose.
- 6000 puzzles which the city can sell to the public.
- A small unveiling event of the puzzle to an audience of around 50 people

There are other options and add-ons for the city to choose from, including adding an 8’x10’ wall of the artwork ($20,000), as well as having a large unveiling for hundreds of people ($10,000). The city will have a 1-year exclusive right to sell the puzzles to the public and can re-coup the entire $150,000 purchase if it sells 6,000 puzzles at $25 each thru the city website, at City Hall or at city events. After the first year, WVC can continue to sell the puzzles, but the puzzles will also be available on Dowdle’s website for purchase.

There are several Utah cities that have entered similar agreements with Dowdle and all of them have sold 50% or more of their 6,000 allotments of puzzles within the first 6 months.

Mayor Lang noted that she would be voting in opposition to this resolution because she believes the City should have the final say on the final piece and not the artist.

Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Christensen moved to approve Resolution 23-136

Councilmember Nordfelt seconded the motion.

A roll call vote was taken:

Councilman Fitisemanu	Yes
Councilman Whetstone	Yes
Councilman Harmon	Yes
Councilman Huynh	No
Councilman Christensen	Yes
Councilman Nordfelt	Yes
Mayor Lang	No

RESOLUTION 23-137: APPROVE THE PURCHASE OF COMPUTERS AND RELATED EQUIPMENT FROM VALCOM

Wayne Pyle, City Manager, discussed proposed Resolution 23-137 that would approve the purchase of Computers and Related Equipment from Valcom

Written documentation previously provided to the City Council included information as follows:

West Valley City Police Department has been successfully running a four-year computer replacement program for all laptops and desktops in the department. Four-year warranties are purchased for each device, which extends the life of each device. They are retired after four years, and new computers are purchased in their place. When the lease program was retired, the Police Department had to obtain funding for the four-year replacement through other means. By funding the PD computer replacement through the IT Division, the process will be streamlined using funds that have be allocated for Police Computer 4-year rotation. The equipment will purchase from VLCM, Dell, CDW totaling is the allocated amount of $147,000.

Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Fitisemanu moved to approve Resolution 23-137.

Councilmember Huynh seconded the motion.

Councilmember Christensen left the meeting at 6:46 PM.

Councilman Huynh	Yes
Councilman Christensen	Absent
Councilman Nordfelt	Yes
Mayor Lang	Yes

Unanimous.

RESOLUTION 23-138: APPROVE THE PURCHASE OF SERVER STORAGE EQUIPMENT FROM VALCOM

Wayne Pyle, City Manager, discussed proposed Resolution 23-138 that would approve the purchase of Server Storage Equipment from Valcom

Written documentation previously provided to the City Council included information as follows:

> The current storage system, Datrium, has been acquired by Dell and is undergoing discontinuation. Maintenance extensions are no longer available. After evaluating the Dell Powerstore 1200T available on a state contract, we are confident that it offers sufficient performance and cost-effectiveness.

Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Huynh moved to approve Resolution 23-138.

Councilmember Whetstone seconded the motion.

A roll call vote was taken:

RESOLUTION 23-139: AWARD A CONTRACT TO INTERMOUNTAIN TRAFFIC SAFETY, INC FOR THE STREET NAME SIGN REPLACEMENT PROJECT

Wayne Pyle, City Manager, discussed proposed Resolution 23-139 that would award a Contract to Intermountain Traffic Safety, Inc for the Street Name Sign Replacement Project.

Written documentation previously provided to the City Council included information as follows:

> This project replaces all street name signs throughout the City with a new street name sign design with a white reflective background and black letters, with the logo being printed with the same ink as the sign letters.
>
> To find the best value and product for the City, the Public Works Department issued a request for proposals for street name sign fabrication services. The proposals were evaluated using the following criteria: Cost (45%), Product Warranty (45%) and Company Experience (10%). Six proposals were received from various sign fabrication companies, and Intermountain Traffic Safety (ITS) was found to be the most responsive to the RFP. While their price was not the lowest, product warranty was very important to the City and carried equal weight with price in the proposal evaluation process. ITS offers a 12-year warranty on the sign fabrication, which equals the longest warranty period offered on signs by any of the proposers. Their combined score with the proposed 12-year warranty and price made them the most responsive proposal. ITS is also a West Valley City business with whom we have a lot of positive experience and feel confident in their capabilities to do the work. The price from ITS for the estimated quantities is $291,009, the Public Works Department recommends authorizing $330,000 to purchase signs from ITS.
>
> The City will install the street name signs with Public Works staff during regular hours, or overtime and using seasonal employees, which is anticipated to take over

a year. Street name sign installation labor for the 5200 signs is estimated to cost $100,000.

The 320+ traffic signal mast arm street name signs will be installed by Salt Lake County under the traffic signal maintenance contract for an estimated $70,000.

Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Whetstone moved to approve Resolution 23-139.

Councilmember Huynh seconded the motion.

A roll call vote was taken:

Councilman Fitisemanu	Yes
Councilman Whetstone	Yes
Councilman Harmon	Yes
Councilman Huynh	Yes
Councilman Christensen	Absent
Councilman Nordfelt	Yes
Mayor Lang	Yes

A. **CONVENE AS BOARD OF CANVASSERS FOR THE MUNICIPAL PRIMARY ELECTION HELD SEPTEMBER 5, 2023**

RESOLUTION NO. 23-140, ACCEPT AND APPROVE THE RESULTS OF THE MUNICIPAL PRIMARY ELECTION HELD SEPTEMBER 5, 2023 AS SHOWN ON THE CANVASS REPORT

Wayne Pyle, City Manager, discussed proposed Resolution 23-140 that would accept and approve the Results of the Municipal Primary Election Held September 5, 2023 as Shown on the Canvass Report.

Written documentation previously provided to the City Council included information as follows:

The Mayor and City Council are the legislative body for West Valley City and comprise the Board of Municipal Canvassers pursuant to Utah Code

§20A-4-301(2). The Code requires that the Board of Municipal Canvassers shall meet to canvass the returns of the Municipal Primary Election no sooner than seven days and no later than 14 days after the election.

Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Nordfelt moved to approve Resolution 23-140.

Councilmember Huynh seconded the motion.

A roll call vote was taken:

Councilman Fitisemanu	Yes
Councilman Whetstone	Yes
Councilman Harmon	Yes
Councilman Huynh	Yes
Councilman Christensen	Absent
Councilman Nordfelt	Yes
Mayor Lang	Yes

Unanimous.

RESOLUTION 23-141: AUTHORIZE THE PURCHASE OF A BOILER SYSTEM FROM AMERICAN MECHANICAL SYSTEMS SERVICE, LLC

Wayne Pyle, City Manager, presented proposed Resolution 23-141 that would authorize the Purchase of a Boiler System from American Mechanical Systems Service, LLC

Written documentation previously provided to the City Council included information as follows:

From Three State of Utah purchasing pre-qualified bidders, the lowest bid for the Project was received from American Mechanical Systems Service LLC. A total of Three (3) bids were received:

- American Mechanical Systems Service, LLC SOU Contract ID. MA2606 $145,047.00
- American Chiller Mechanical Service SOU Contract ID. MA3361 $153,900.00
  - CCI Mechanical Service SOU Contract ID. MA3518 $219,260.00

The West Valley City Performing Arts Center boiler system has exceeded its anticipated life expectancy. The Facilities HVAC Division has upheld the system to the best of its ability using outdated components and a worn-out system. For this reason, we recommend replacing the system with a more energy-efficient boiler and modern operating system to ensure proper heating operation of the Performing Arts Center.

Upon inquiry by Mayor Lang there were no further questions from members of the City Council, and she called for a motion.

Councilmember Fitisemanu moved to approve Resolution 23-141.

Councilmember Nordfelt seconded the motion.

A roll call vote was taken:

Councilman Fitisemanu	Yes
Councilman Whetstone	Yes
Councilman Harmon	Yes
Councilman Huynh	Yes
Councilman Christensen	Absent
Councilman Nordfelt	Yes
Mayor Lang	Yes

Unanimous.

MOTION TO ADJOURN
Upon motion by Councilmember Huynh all voted in favor to adjourn.

THERE BEING NO FURTHER BUSINESS OF THE WEST VALLEY COUNCIL THE REGULAR MEETING OF TUESDAY, SEPTEMBER 19, 2023 WAS ADJOURNED AT 6:51 P.M. BY MAYOR LANG.

I hereby certify the foregoing to be a true, accurate and complete record of the proceedings of the Regular Meeting of the West Valley City Council held Tuesday, September 19, 2023.

As authorized by the Uniform Fiscal Procedures Act for Utah Cities, the operating budget of West Valley City is periodically amended to accommodate regular and necessary changes in expenditures and revenues that occur throughout the fiscal year. These budget modifications are called “budget openings”. They are considered by the City Council and accompanied by a public hearing to provide authorization to expend resources for grants received, rollovers of projects from the prior years, emergency expenditures, take advantage of economic opportunities, or other expenditures deemed to be appropriate and timely. Regular budget openings are necessary to maintain regular and orderly city operations and stay in compliance with State laws.

SYNOPSIS:
A General Plan change from Parks and Open Space Existing to Light Manufacturing and a zone change from A-1 (Agriculture, minimum lot size 1 acre) to M (Manufacturing).

BACKGROUND:
The intended development for this property is a mix of 35,000 square feet of self-storage space, 30,000 square feet of flex space, and 4,000 square feet of office. Access would be gained primarily from Beagley Road by crossing the Riter Canal. Apaloosa Drive would provide secondary access.

The following list of current conditions may warrant consideration of M zoning on the subject property:

- The Northwest Economic Development Area (EDA), which was created in 2012, includes the subject property. The Northwest EDA covers approximately 1,000 acres in the northwest part of the City and makes available incentives for commercial development.
- The Magna Water property to the south and east includes wells and a water treatment facility. These uses will likely remain in perpetuity with no chance of having connecting roads to the subject parcel.
- The Western Mobile Estates mobile home park to the west has only one access, Apaloosa Drive, to 7200 West. Given that there are already 144 mobile homes with only one access, additional homes on the subject parcel would not be allowed without another access.
- There are large, distribution warehouses that are part of the ARA Industrial Park on the north side of Beagley Road.

GPZ-8-2023
Lieu Tran
7007 West Apaloosa Drive
General plan change from Parks and Open Space Existing to Light Manufacturing and zone change from A-1 to M
5.91 acres

Lieu Tran has submitted a General Plan/zone change application for a 5.91-acre parcel located at 7007 West Apaloosa Drive. The property is currently zoned A-1 (Agriculture, minimum lot size 1 acre) acre) and the current General Plan designation is Parks and Open Space Existing. The current General Plan designation is in place because this property used to be part of the mobile home park to the west and was used as recreation space for the mobile home park residents. The proposed zone is M (Manufacturing) and the proposed General Plan designation is Light Manufacturing. The property includes a manufactured home along the west side that is accessed from Apaloosa Drive.

Surrounding zones include A-1 to the east and most of the south, RMH (Residential Mobile Home) to the west and remaining south portion, and M to the north. Surrounding land uses include largely vacant property owned by Magna Water to the south and east; the Western Mobile Estates mobile home park to the south; and the Riter Canal, Beagley Lane, and the ARA Industrial Park to the north. The property includes a manufactured home along the west side that is accessed from Apaloosa Drive.

Development Proposal

The intended development for this property is a mix of 35,000 square feet of self-storage space, 30,000 square feet of flex space, and 4,000 square feet of office. Access would be gained primarily from Beagley Road by crossing the Riter Canal. Apaloosa Drive would provide secondary access.

Self-storage facilities, warehouses, and light industrial require a conditional use permit within the M zone whenever these uses are adjacent to a residential use, residential zone, or agricultural zone. If this application is approved, a conditional use permit will be required given the neighboring A-1 zoning.

The applicant provided the following justification for the proposed changes:

> "There is M Zoning to the north with several large distributions buildings. Manufacturing would be a logical use for the property. Other surrounding land uses include a mobile home park, a mobile homes subdivision and a single family detached subdivision to the northwest across Beagley Road. Magna Water Company owns the wetlands to the south and east. The property owner wishes to build a self storage facility and flex space for

manufacturing uses. The residential areas near the property would benefit from the self storage units, especially those residents in mobile homes. Beagley Road, a busy street that serves both industry and residential, provides good access to all planned manufacturing uses. Flexspace provides new or small manufacturing businesses with a space to grow. Home startup businesses often expand through renting flexspace. Flexspace has the ability to grow or shrink with a businesses need and ability to pay. It has created the opportunity for many entrepreneurs to start a business with minimal initial capital investment. There is water and sewer available in Beagley Road."

Issues to Consider

Since the adoption of the City's first General Plan in the 80's, the Riter Canal has been the dividing line between industrial uses to the north and residential uses to the south in the northwest part of the City. However, much has changed in the northwest part of the City since the 80's. The following list of current conditions may warrant consideration of M zoning on the subject property:

- The Northwest Economic Development Area (EDA), which was created in 2012, includes the subject property. The Northwest EDA covers approximately 1,000 acres in the northwest part of the City and makes available incentives for commercial development.
- The Magna Water property to the south and east includes wells and a water treatment facility. These uses will likely remain in perpetuity with no chance of having connecting roads to the subject parcel.
- The Western Mobile Estates mobile home park to the west has only one access, Apaloosa Drive, to 7200 West. Given that there are already 144 mobile homes with only one access, additional homes on the subject parcel would not be allowed without another access.
- There are large, distribution warehouses that are part of the ARA Industrial Park on the north side of Beagley Road.

Access

If the Commission believes M zoning is appropriate here, the primary access would need to be off of Beagley Road. This will require the applicant to obtain permission to build a bridge over the Riter Canal. If this application is approved, access to the site will need to be addressed as part of the conditional use permit.

Staff Alternatives:

1. Approval. This application should be approved.

2. Continuance. This application should be continued for reasons determined during the public hearing.

3. Denial. Industrial uses should not be developed on the south side of the Riter Canal.

Discussion: Steve Pastorik presented the application. He pointed out that the City has used the Riter Canal as the dividing line between industrial and residential zoning. However, over time, there have been many changes to the area. Steve explained that Magna Water owns the wetland property to the south and west of the subject property and this property will most likely remain that way since it is a public utility. He noted that Magna Water has water wells accessing the groundwater on the property. Steve said running roads through Magna's property to access the subject property is unlikely. He stated that if this parcel were to develop residentially, a single access from the mobile home park to the west would not be sufficient. Steve explained that one access would need to come from the north through developed industrial property, which is not ideal.

Stephen McCutchan, Land Planner, said the applicant requested he speak on her behalf. He stated that they feel this application is logical and sensible for this area, and he is happy to answer any questions.

Commissioner Woodruff said he feels the applicant has done well with this application, especially where the property is challenging to develop.

Motion: Commissioner Woodruff motioned to approve GPZ-8-2023.

Commissioner Lovato seconded the motion.

Re: General Plan/Zone Change Amendment Application Background

7007 Series Of Chinita, LLC requests a general plan/zone change amendment on 5.91 Acres at 7007 Apaloosa Drive in West Valley City. The change would be from Parks and Open Space Existing to Light Manufacturing and A-1 to M, respectively.

With the application, we have submitted a Concept Plan. Some explanation of the recent history of our efforts to prepare the Concept Plan is required to understand aspects of the plan, notably access.

The property is 5.91 Acres, located at 7007 Apaloosa Drive. The property is primarily landlocked except for access from a private street, Apaloosa Drive, located in the Western States mobilehome park, and 190 feet of frontage on Beagley Road that the Riter Canal separates. There is a residence on the property.

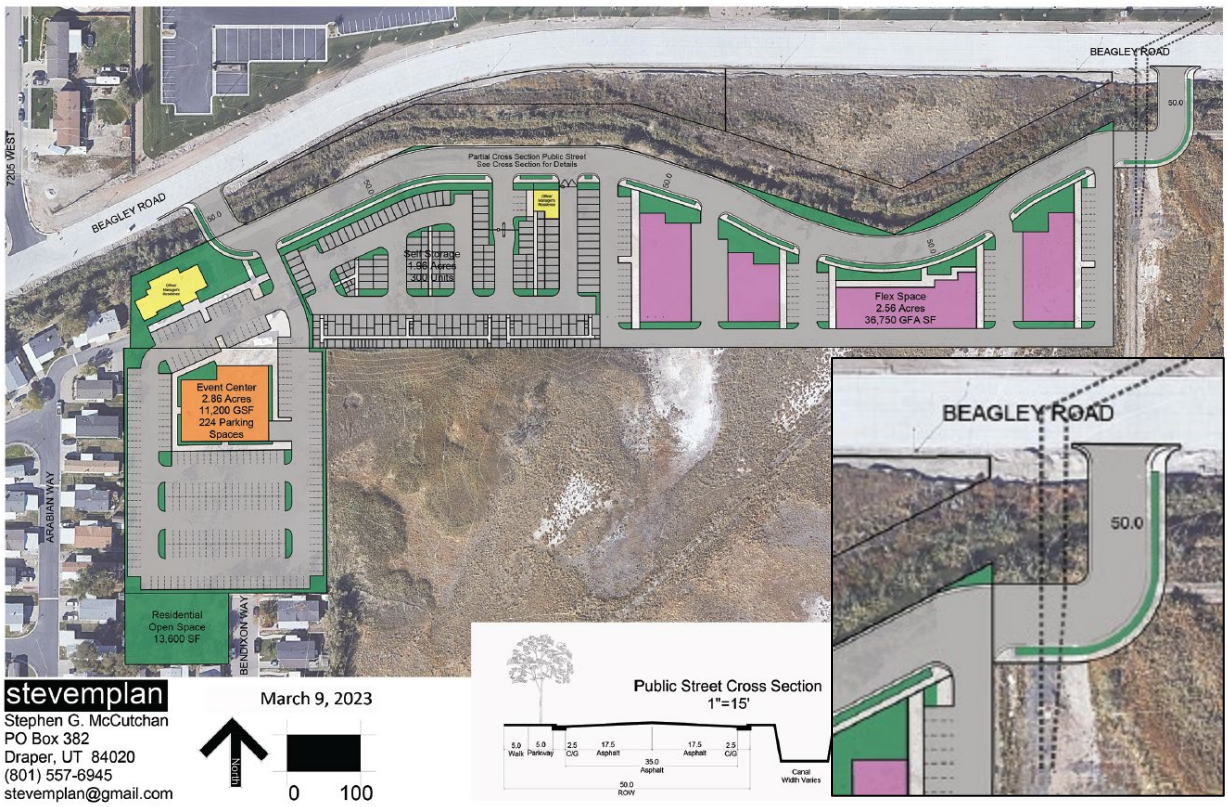

PROPERTY ACCESS

During the past year, we have tried to secure a second point of access to the property. We can access Beagley Road within the 190 feet of frontage, but a second access would require crossing one of three private properties.

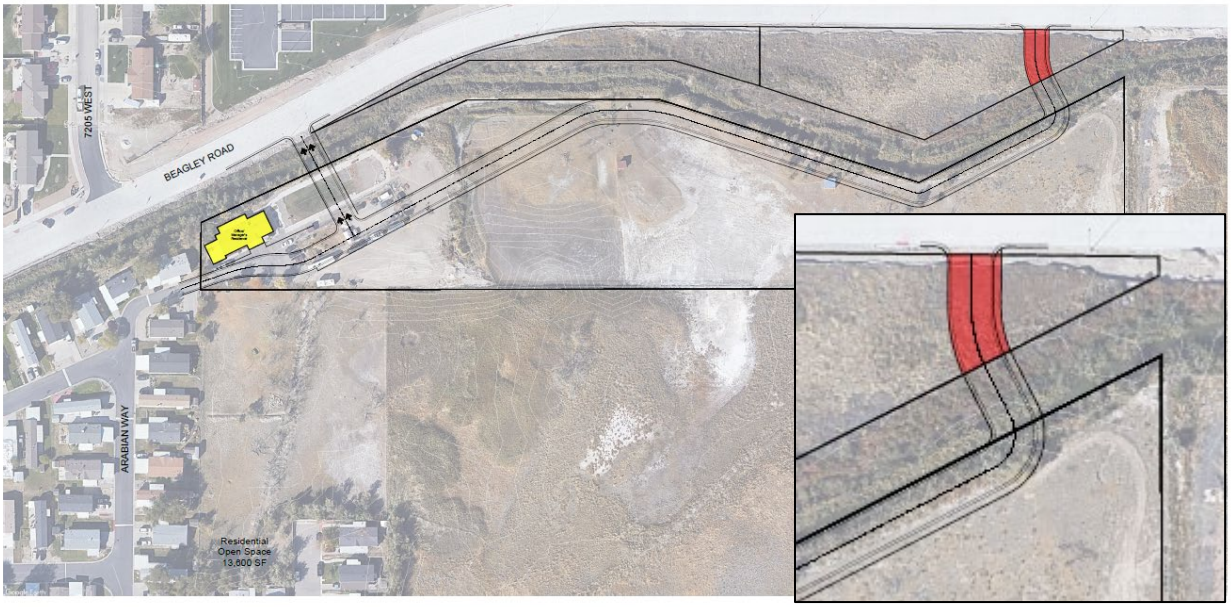

1. The logical location for a second point of access would be across Parcel 14223760080000, a 1.22 Acre parcel located north of the east half of our property. We attempted to contact the property owner, Natomas Meadows, LLC, without success.

2. Subsequently, we contacted Magna Water Company and had several meetings with their engineering staff. We submitted a proposal shown in the following exhibit. The inset figure shows our street proposal crossing the northwest corner of the Company's property. After considering our proposal, the Company decided against granting us right-of-way.

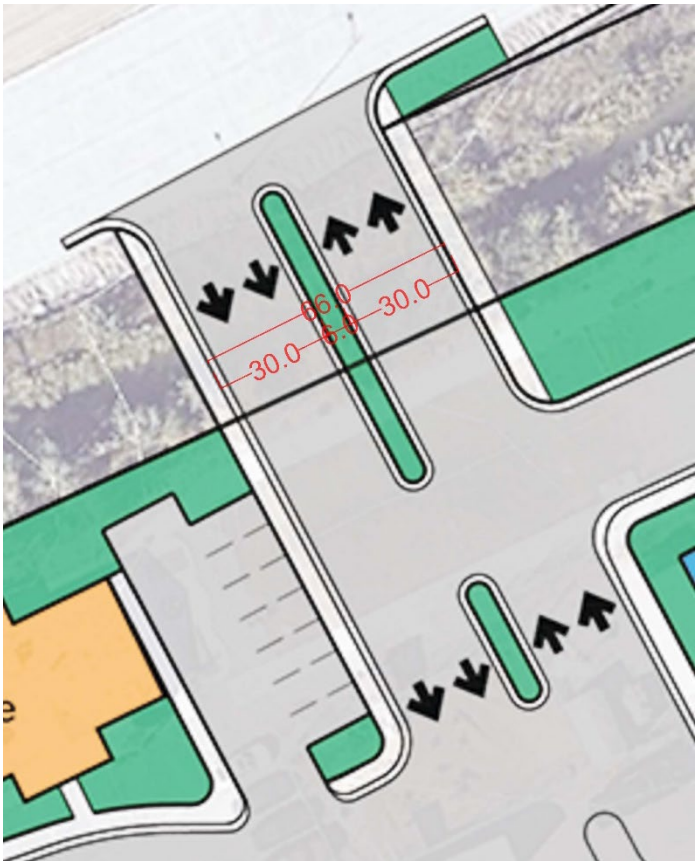

3. Our third proposal was again to Natomas Meadows, LLC. This time we were successful in contacting them. We proposed to purchase either an easement or

their entire property. We submitted to them the following graphic showing the street crossing their property. After considering our proposal, they declined.

With our options to secure a Beagley Road second access exhausted, we designed a single access point that could function as two access points in an emergency. As shown in the figure at right, we propose two access drives divided by a raised median, each with two lanes of travel, a total back of curb width of 66 feet. On each side of the raised median there is 30 feet back of curb to back of curb.

Understanding that this is a unorthodox alternative, we asked Hales Engineering, a respected traffic engineering firm, to review and comment on our proposal. Their study is attached.

Their study conclusions are the following.

Conclusions

The findings of this study are as follows:

- The proposed development includes 300 self-storage units and 40,000 square feet of manufacturing space. It is anticipated that the project will have one primary access onto Beagley Road and one emergency access to the west of the site onto Appaloosa Drive.
- It is anticipated that the proposed project will generate approximately 790 trips on an average weekday, including 62 trips during the morning peak hour, and 64 trips during the evening peak hour.
- The proposed access onto Beagley Road is anticipated to operate to have minimal impact to operations on Beagley Road and will have sufficient capacity to accommodate the demands of the project traffic and heavy vehicles that will access the project site.

There is an additional ingress/egress to and from the property. City Engineering Staff requested that we leave the access to Apaloosa Drive open and accessible to the mobilehome park residents. Currently, the Western States mobilehome park has a single point of ingress/egress. This would give mobilehome park residents a second point of ingress/egress.

CONCEPT PLAN USES AND DESIGN

We are proposing rezoning to M (Manufacturing) Zone. The uses of the property would need to be those permitted in the M Zone. The Concept Plan shows three (3) uses – Office, Self-Storage and Flex Space.

The Concept Plan is subject to change regarding both land uses and design. These are the land uses and design that the property owner contemplates now. All land uses and design of the property will require City approval.

Land Uses

Three (3) land uses are contemplated at this time – Office, Self-Storage and Flex Space.

Office

There is an existing residence on the property. The owner intends to convert this building for office use. The building is roughly 3,800 square feet.

Professional offices are a permitted use in the M Zone.

Self-Storage

Self-storage uses are usually permitted in the M Zone, but it is a conditional use because the property is adjacent to both residential and agricultural zoned land.

Roughly 35,000 square feet, or about 300 units, are shown on the Concept Plan. The facility would be enclosed with a wall and include two gates, an entrance and an exit. There is also an office/manager's residence.

Example self-storage frontage and entrance.

Flex Space

Flex space buildings are, by design, "flexible" and allow for a wide range of office, manufacturing and warehouse uses. They can be used for many purposes and are easier to retrofit to meet a company's needs than typical warehouse buildings. This flexibility is ideal for many uses requiring office space with a manufacturing or warehouse component. Flex buildings usually have a slightly lower ceiling clear height (14 – 24 ft

clear) and a larger percentage of office space than typical manufacturing or distribution warehouse buildings.

Roughly 30,000 square feet of flex space is contemplated in four buildings. Each building would have a front entrance and parking area and a rear delivery area with roll-up truck doors. The following photo is an example of current flex space exterior design.

Circulation Design

All streets within the development would be private. No parking would be permitted along the interior streets. The office, self-storage and flex space areas will have private drives with off-street parking.

Private Street Section

The private street cross-section is on the right.

Landscaped Setbacks

The M Zone requires a 20-foot setback between M Zone uses and residential and agricultural zoned land and residential uses. The landscaping along the south and east boundaries is this setback.

Very truly,

Stephen G. McCutchan

Authorization of replacement apparatus purchase for Tower 74.

SYNOPSIS:

This resolution authorizes the purchase of one (1) 100-foot tower ladder to replace the current Pierce 2015 tower ladder. The current tower will be placed into a reserve status or surplused and sold.
This one (1) replacement tower ladder is the only type of unit we have in the city. This unit responds to all structure fires and with current and future structures in our city is key to our abilities in fighting fires. We have had tower ladders in our city for approximately twenty years. By going with the Pierce brand and familiarity with operations the training will be very minimal for our staff. The time frame for delivery is approximately 33to 34 months, which with this extended time is important for the ordering of the unit.
In talking with the manufacture, the new emission standards for engines will be changing and ordering now we can save money as well as not extending delivery to 48 months.
We have used the Houston- Galveston Area Council (HGAC) bid process for the purchase of this unit.

BACKGROUND:

The current unit is a 2015 with 80,415 miles and estimated to have about 11,000 miles per year on the unit. By the time we receive the new unit we estimate the mileage to be 114,000, and eleven years old. The tower ladder is a versatile piece of equipment which allows for not only firefighting but rescue operation during incidents. This unit has also allowed us to maintain our current ISO rating for insurance purposes.
Our current tower is also attached to our technical rescue team and carries various extrication and rescue equipment, which is the only unit we have which has this capability in our city.

RECOMMENDATION:
Approve the purchase of one (1) replacement tower ladder apparatus for the Fire Department.

Price guaranteed until October 31st or until all PACCAR 2024 EPA standards engines are gone.

Additional: 'NOTE: Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible. **Persistent Inflationary Environment Notification: If the Producer Price Index of Components for Manufacturing [www.bls.gov Series ID: WPUID6112] (the "PPI") has increased at a compounded annual growth rate greater than 5.0% from the date of acceptance of this proposal letter (the "Order Month") and 14 months prior to the anticipated Ready for Pickup Date (the "Evaluation Month"), then the proposal price may be increased by an amount equal to any increase exceeding 5.0% for the time period between the Order Month and the Evaluation Month. Siddons Martin and Pierce will provide documentation of such increase and the updated price for the customer's approval before proceeding with completion of the order along with an option to cancel the order.**

Taxes: Tax is not included in this proposal. In the event that the purchasing organization is not exempt from sales tax or any other applicable taxes and/or the proposed apparatus does not qualify for exempt status, it is the duty of the purchasing organization to pay any and all taxes due. Balance of sale price is due upon acceptance of the apparatus at the factory.

Late Fee: A late fee of .033% of the sale price will be charged per day for overdue payments beginning ten (10) days after the payment is due for the first 30 days. The late fee increases to .044% per day until the payment is received. In the event a prepayment is received after the due date, the discount will be reduced by the same percentages above increasing the cost of the apparatus.

Cancellation: In the event this proposal is accepted and a purchase order is issued then cancelled or terminated by Customer before completion, Siddons-Martin Emergency Group may charge a cancellation fee. The following charge schedule based on costs incurred may be applied:

(A) 10% of the Purchase Price after order is accepted and entered by Manufacturer;
(B) 20% of the Purchase Price after completion of the approval drawings;
(C) 30% of the Purchase Price upon any material requisition.

The cancellation fee will increase accordingly as costs are incurred as the order progresses through engineering and into manufacturing. Siddons-Martin Emergency Group endeavors to mitigate any such costs through the sale of such product to another purchaser; however, the customer shall remain liable for the difference between the purchase price and, if applicable, the sale price obtained by Siddons-Martin Emergency Group upon sale of the product to another purchaser, plus any costs incurred by Siddons-Martin to conduct such sale.

Acceptance: In an effort to ensure the above stated terms and conditions are understood and adhered to, Siddons-Martin Emergency Group, LLC requires an authorized individual from the purchasing organization sign and date this proposal and include it with any purchase order. Upon signing of this proposal, the terms and conditions stated herein will be considered binding and accepted by the Customer. The terms and acceptance of this proposal will be governed by the laws of the state of Utah. No additional terms or conditions will be binding upon Siddons-Martin Emergency Group, LLC unless agreed to in writing and signed by a duly authorized officer of Siddons-Martin Emergency Group, LLC.

Sincerely, Joshua Evertsen

Joshua Evertsen

I, _____, the authorized representative of WEST VALLEY CITY FIRE DEPARTMENT, agree to purchase the proposed and agree to the terms of this proposal and the specifications attached hereto.

West Valley City, Utah 84119-3720

We are pleased to confirm our understanding of the services we are to provide for West Valley City (the City) for the fiscal year ended June 30, 2023.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements of the City as of and for the year ended June 30, 2023. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis.
2. Information about Infrastructure Assets Reported Using the Modified Approach
3. Schedule of the Proportionate Share of the Net Pension Liability – Utah Retirement Systems
4. Schedule of Contributions – Utah Retirement Systems
5. Schedule of Revenues, Expenditures, and Changes in Fund Balances – Budget and Actual – Major Governmental Fund
6. Notes to Required Supplementary Information

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements.

1. Schedule of expenditures of federal awards.
2. Combining Balance Sheet – Nonmajor Governmental Funds
3. Combining Statement of Revenues, Expenditures, and Changes in Fund Balance – Nonmajor Governmental Funds
4. Schedule of Revenues, Expenditures, and Changes in Fund Balance – Budget and Actual – Nonmajor Governmental Funds
5. Combining Statement of Net Position – Nonmajor Enterprise Funds
6. Combining Statement of Revenues, Expenses, and Changes in Fund Net Position – Nonmajor Enterprise Funds
7. Combining Statement of Cash Flows – Nonmajor Enterprise Funds

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

1. Transmittal letter
2. Statistical information

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have previously identified the following significant risks of material misstatement as part of our audit planning and believe are still relevant:

- Improper revenue recognition (assumed always) – this is the risk that revenue may not be recognized in accordance with GAAP.
- Management override of controls (assumed always) – this is the risk that management may override internal controls through pressure on subordinates or other methods.

As of the date of this letter, we have not completed our planning of the City's audit, therefore we will communicate any modifications to the significant risks of material misstatement identified above or if new significant risks of material misstatement are identified during our planning.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate

procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of the City's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the City's compliance with

requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Our audit will also include procedures that are required by the *State Compliance Audit Guide* concerning compliance with State fiscal laws identified by the State Auditor. We use the audit programs of the *State Compliance Audit Guide* to perform our audit procedures. We will issue the necessary reports as required by the *State Compliance Audit Guide* on the City's internal controls over compliance and will issue an opinion on the City's compliance with the state compliance requirements tested.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the City in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; , ii and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also

responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings, if any, should be available for our review on August 1, 2023.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles (GAAP). You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial

statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.mm

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of KCHM, LLC dba K&C, Certified Public Accountants (K&C) and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to certain governmental agencies or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of K&C personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by an oversight agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Steven Rowley is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit on approximately June 1, 2023 with planning and mid-year audit procedures.

Our fee for these services will be $88,500. The above fee is based on anticipated cooperation from the City's personnel and the assumption that unexpected circumstances will not be encountered during the audit and the City's records will be ready to be audited on or around August 1st, 2023. The above fee is also based on the current finance director, chief accountant, and other key accounting personnel being available to assist in the audit process. If the finance director, chief accountant, and/or other key accounting personnel are not available to assist with the audit process, and we anticipate that this circumstance will result in significant additional time, we will stop our audit procedures and will discuss it with the City and arrive at a new fee estimate before we incur the additional costs. Additional services for which we may be asked to perform will be billed at our standard rates. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination.

If during the course of our engagement we encounter circumstances which we believe may create a conflict of interest or conflict with the ethical standards of our profession, we will inform the City of our concerns. If these concerns cannot be adequately addressed to our satisfaction, or we are compelled to do so by the professional standards of our profession, we may withdraw from the engagement with a written notice. Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

As members of the AICPA and as required by the *Governmental Auditing Standards*, K&C affirms that we are in compliance with the external quality control Peer Review requirements as required by the related professional standards, rules and policies. Our most recent peer review report can be found on our website www.kccpaoffice.com.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to management and the City Council of the City. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that

the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. The State Compliance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the *State Compliance Audit Guide*. Those three reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to West Valley City and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Very truly yours,

ISSUE:

Authorization and execution of a Real Estate Purchase Contract and acceptance of a Warranty Deed and a Temporary Construction Easement.

SYNOPSIS:

APX Holdings, LLC has signed a Real Estate Purchase Contract along with a Warranty Deed and a Temporary Construction Easement for property located at 3338 W. Parkway Boulevard (15-20-478-034).

BACKGROUND:

The APX Holdings, LLC parcel located at 3338 W. Parkway Boulevard is one of several parcels affected by the Cross Towne Trail; 2700 West to Bangerter Highway Project. This project will provide for bike lanes on Parkway Boulevard from 2700 West to Bangerter Highway. The project will also construct sidewalks on Parkway Boulevard where they do not currently exist and add new ADA ramps at street intersections on Parkway Boulevard. In accordance with an existing Delay Agreement for Completion of improvements, APX Holdings, LLC has agreed to accept no compensation for the Warranty Deed and Temporary Construction Easement.

RECOMMENDATION:

Accept Warranty Deed and Temporary Construction Easement and authorize the mayor to execute the Real Estate Purchase Contract. Authorize City Recorder to record Warranty Deed and Temporary Construction Easement for and in behalf of West Valley City.

SUBMITTED BY:

Steven J. Dale, P.L.S., Right-of-way and Survey Manager

WEST VALLEY CITY, UTAH

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING THE CITY TO ENTER INTO A RIGHT OF WAY PURCHASE AGREEMENT AND ACCEPT A WARRANTY DEED AND A TEMPORARY CONSTRUCTION EASEMENT WITH AND FROM APX HOLDINGS, LLC FOR PROPERTY LOCATED AT 3338 WEST PARKWAY BOULEVARD.

WHEREAS, APX Holdings, LLC (herein "Owner") has entered into a Right of Way Purchase Agreement for property located at 3338 West Parkway Boulevard that is affected by the Cross Towne Trail Project (herein "Project"); and

WHEREAS, Owner has also signed a Warranty Deed and a Temporary Construction Easement (the "Documents"), as required for the Project; and

WHEREAS, the City Council of West Valley City, Utah, does hereby determine that it is in the best interests of the health, safety, and welfare of the citizens of West Valley City to enter into the Right of Way Purchase Agreement with Owner, and to accept the Documents.

NOW, THEREFORE, BE IT RESOLVED by the City Council of West Valley City, Utah, as follows:

1. That the above-referenced document entitled "Right of Way Purchase Agreement" is hereby approved in substantially the form attached, and that the Mayor is hereby authorized to execute said Agreement, and any other documents necessary to complete the transaction, for and on behalf of West Valley City, subject to final approval of the documents by the City Manager and the City Attorney's Office.

2. The Mayor is hereby authorized to accept, and the City Recorder is authorized to record, the Documents for and on behalf of West Valley City.

Owner / Grantor (s): APX Holdings, LLC, a Utah Limited Liability Company

IN CONSIDERATION of the mutual promises herein and subject to approval of the Local Government Authority, APX Holdings, LLC, a Utah Limited Liability Company ("Owner") agrees to sell to West Valley City ("The City") the Subject Property described below for Transportation Purposes,[1] and the City and Owner agree as follows:

1. SUBJECT PROPERTY. The Subject Property referred to in this Contract is identified as parcel numbers 116:C, 116:E, more particularly described in Exhibit A, which is attached hereto and incorporated herein.

2. PURCHASE PRICE. The City shall pay and Owner accepts $0 for the Subject Property including all improvements thereon and damages, if any, to remaining property. The foregoing amount includes compensation for the following cost to cure items, which are the responsibility of Owner to cure (if applicable): landscape restoration and pressurized irrigation restoration.

3. SETTLEMENT AND CLOSING.

3.1 Settlement. "Settlement" shall mean that Owner and the City have signed and delivered to each other or to the escrow/closing office all documents required by this Contract or by the escrow/closing office, and that all monies required to be paid by Owner or the City under this Contract have been delivered to the escrow/closing office, in the form of cash, wire transfer, cashier's check, or other form acceptable to the escrow/closing office.

3.2 Closing. "Closing" shall mean that: (a) Settlement has been completed; (b) the amounts owing to Owner for the sale of the Subject Property have been paid to Owner, and (c) the applicable closing documents have been recorded in the office of the county recorder ("Recording"). Settlement and Closing shall be completed at the earliest time convenient to the parties and the closing office.

3.3 Possession. Upon signing of this Contract by Owner and the Local Government Authority, Owner grants the City, its employees and contractors, including utility service providers and their contractors, the right to immediately occupy the Subject Property and do reasonable construction work, relocation of utilities or other work as required in furtherance of the above referenced project.

4. PRORATIONS / ASSESSMENTS / OTHER PAYMENT OBLIGATIONS.

4.1 Prorations. All prorations, including but not limited to, homeowner's association dues, property taxes for the current year and rents shall be made as of the time of Settlement.1. "Transportation Purposes" is defined as all current or future transportation uses authorized by law, including, without limitation, the widening, expansion, and/or construction and improvement of a highway, which may include interchanges, entry and exit ramps, frontage roads, bridges, overpasses, rest areas, buildings, signs and traffic control devices, placement of utilities, clear zones, maintenance facilities, detention or retention ponds, environmental mitigation, maintenance stations, material storage, bio-fuel production, slope protections, drainage appurtenance, noise abatement, landscaping, transit, statutory relocations caused by the project, and other related transportation uses.

4.2 Fees/Costs.

(a) Escrow Fees. The City agrees to pay the fees charged by the escrow/closing office for its services in the settlement/closing process.

(b) Title Insurance. If the City elects to purchase title insurance, it will pay the cost thereof.

5. TITLE TO PROPERTY. Owner represents and warrants that Owner has fee title to the Subject Property. Owner shall indemnify and hold the City harmless from all claims, demands and actions from lien holders, lessees or third parties claiming an interest in the Subject Property or the amount paid hereunder. Owner will convey marketable title to the Subject Property to the Grantee shown on Exhibit A at Closing by deed(s) in the form shown on Exhibit A, except for easements which Owner will convey in the form also shown on Exhibit A. The provisions of this Section 5 shall survive Closing.

6. OWNER DISCLOSURES CONCERNING ENVIRONMENTAL HAZARDS. Owner represents and warrants that at the time of closing there are no claims and/or conditions known to Owner relating to environmental hazards, contamination or related problems affecting the Subject Property. The provisions of this Section 6 shall survive Closing.

7. CONDITION OF SUBJECT PROPERTY AND CHANGES DURING TRANSACTION. Owner agrees to deliver the Subject Property to the City in substantially the same general condition as it was on the date that Owner signed this Contract.

8. AUTHORITY OF SIGNER(S). If Owner is a corporation, partnership, trust, estate, limited liability company or other entity, the person signing this Contract on its behalf warrants his or her authority to do so and to bind the Owner.

9. COMPLETE CONTRACT. This Contract, together with any attached addendum and exhibits, (collectively referred to as the "Contract"), constitutes the entire contract between the parties and supersedes and replaces any and all prior negotiations, representations, warranties, understandings or contracts between the parties whether verbal or otherwise. The Contract cannot be changed except by written agreement of the parties.

10. ELECTRONIC TRANSMISSION AND COUNTERPARTS. This Contract may be executed in counterparts. Signatures on any of the documents, whether executed physically or by use of electronic signatures, shall be deemed original signatures and shall have the same legal effect as original signatures.

11. ADDITIONAL TERMS (IF APPLICABLE):

As per Delay Agreement for completion of Improvement recorded September 13, 1996 as Entry # 6454322 BK 7488 Pg. 0672 and hereto attached, the owner excepts no compensation for the fee area and TCE needed to construct said improvements. Such Delay Agreement shall be considered fulfilled upon execution of this Contract and any obligations of Owner or its affiliate under such Delay Agreement shall cease.

OC

Owner will be notified at least 30 days prior to construction taking place. The project will coordinate with owner regarding any interruptions (utilities, driveway access, parking, etc) and will schedule interruptions to occur outside operating hours of Subject Property occupants when feasible. The project will minimize the limits of disturbance to irrigation and landscaping to the extent feasible. Driveway access will be impacted during actual construction of driveways; only one driveway will be closed at a time, for a maximum of 10 days (per driveway).**Grantor's Initials**

ISSUE:

Authorization and execution of a Real Estate Purchase Contract and acceptance of a Warranty Deed and a Temporary Construction Easement.

SYNOPSIS:

Hrair Bezdjan has signed a Real Estate Purchase Contract and has agreed to sign a Warranty Deed and a Temporary Construction Easement for property located at 2652 S. Constitution Boulevard (15-21-376-009).

BACKGROUND:

The Hrair Bezdjan parcel located at 2652 S. Constitution Boulevard is one of several parcels affected by the Cross Towne Trail; 2700 West to Bangerter Highway Project. This project will provide for bike lanes on Parkway Boulevard from 2700 West to Bangerter Highway. The project will also construct sidewalks on Parkway Boulevard where they do not currently exist and add new ADA ramps at street intersections on Parkway Boulevard. Compensation for the purchase of the Warranty Deed, Temporary Construction Easement and improvements is $4,800.00 based upon the Administrative Compensation Estimate prepared by Meridian Engineering, Inc.
The project is being funded through the Transportation Alternatives Program (TAP). The city is responsible for 6.77% of all project costs, including right of way, making the West Valley City share of the acquisition $324.96.

RECOMMENDATION:

Accept Warranty Deed and Temporary Construction Easement and authorize the mayor to execute the Real Estate Purchase Contract. Documents will be recorded after payment by UDOT.

IN CONSIDERATION of the mutual promises herein and subject to approval of the Local Government Authority, Hrair Bezdjan ("Owner") agrees to sell to West Valley City ("The City") the Subject Property described below for Transportation Purposes,[1] and the City and Owner agree as follows:

1. SUBJECT PROPERTY. The Subject Property referred to in this Contract is identified as parcel numbers 124:C, 124:E, more particularly described in Exhibit A, which is attached hereto and incorporated herein.

2. PURCHASE PRICE. The City shall pay and Owner accepts $4,800 for the Subject Property including all improvements thereon and damages, if any, to remaining property. The foregoing amount includes compensation for the following cost to cure items, which are the responsibility of Owner to cure (if applicable): **N/A**

3. SETTLEMENT AND CLOSING.

3.1 Settlement. "Settlement" shall mean that Owner and the City have signed and delivered to each other or to the escrow/closing office all documents required by this Contract or by the escrow/closing office, and that all monies required to be paid by Owner or the City under this Contract have been delivered to the escrow/closing office, in the form of cash, wire transfer, cashier's check, or other form acceptable to the escrow/closing office.

3.2 Closing. "Closing" shall mean that: (a) Settlement has been completed; (b) the amounts owing to Owner for the sale of the Subject Property have been paid to Owner, and (c) the applicable closing documents have been recorded in the office of the county recorder ("Recording"). Settlement and Closing shall be completed at the earliest time convenient to the parties and the closing office.

3.3 Possession. Upon signing of this Contract by Owner and the Local Government Authority, Owner grants the City, its employees and contractors, including utility service providers and their contractors, the right to immediately occupy the Subject Property and do whatever construction, relocation of utilities or other work as required in furtherance of the above referenced project.

4. PRORATIONS / ASSESSMENTS / OTHER PAYMENT OBLIGATIONS.

4.1 Prorations. All prorations, including but not limited to, homeowner's association dues, property taxes for the current year and rents shall be made as of the time of Settlement.

H B.

1. "Transportation Purposes" is defined as all current or future transportation uses authorized by law, including, without limitation, the widening, expansion, and/or construction and improvement of a highway, which may include interchanges, entry and exit ramps, frontage roads, bridges, overpasses, rest areas, buildings, signs and traffic control devices, placement of utilities, clear zones, maintenance facilities, detention or retention ponds, environmental mitigation, maintenance stations, material storage, bio-fuel production, slope protections, drainage appurtenance, noise abatement, landscaping, transit, statutory relocations caused by the project, and other related transportation uses.

4.2 Fees/Costs.

(a) Escrow Fees. The City agrees to pay the fees charged by the escrow/closing office for its services in the settlement/closing process.

(b) Title Insurance. If the City elects to purchase title insurance, it will pay the cost thereof.

5. TITLE TO PROPERTY. Owner represents and warrants that Owner has fee title to the Subject Property. Owner shall indemnify and hold the City harmless from all claims, demands and actions from lien holders, lessees or third parties claiming an interest in the Subject Property or the amount paid hereunder. Owner will convey marketable title to the Subject Property to the Grantee shown on Exhibit A at Closing by deed(s) in the form shown on Exhibit A, except for easements which Owner will convey in the form also shown on Exhibit A. The provisions of this Section 5 shall survive Closing.

6. OWNER DISCLOSURES CONCERNING ENVIRONMENTAL HAZARDS. Owner represents and warrants that there are no claims and/or conditions known to Owner relating to environmental hazards, contamination or related problems affecting the Subject Property. Owner agrees to transfer the Subject Property free of all hazardous materials including paint, oil and chemicals. The provisions of this Section 6 shall survive Closing.

7. CONDITION OF SUBJECT PROPERTY AND CHANGES DURING TRANSACTION. Owner agrees to deliver the Subject Property to the City in substantially the same general condition as it was on the date that Owner signed this Contract.

8. AUTHORITY OF SIGNER(S). If Owner is a corporation, partnership, trust, estate, limited liability company or other entity, the person signing this Contract on its behalf warrants his or her authority to do so and to bind the Owner.

9. COMPLETE CONTRACT. This Contract, together with any attached addendum and exhibits, (collectively referred to as the "Contract"), constitutes the entire contract between the parties and supersedes and replaces any and all prior negotiations, representations, warranties, understandings or contracts between the parties whether verbal or otherwise. The Contract cannot be changed except by written agreement of the parties.

10. ELECTRONIC TRANSMISSION AND COUNTERPARTS. This Contract may be executed in counterparts. Signatures on any of the documents, whether executed physically or by use of electronic signatures, shall be deemed original signatures and shall have the same legal effect as original signatures.

11. ADDITIONAL TERMS (IF APPLICABLE):

Owner(s) acknowledges receiving compensation for the following improvements acquired: $1,800 for 71 square feet of landscape rock, which is included in the total purchase price.

New members for approval:

Caitlyn Jasumback

I am a West Valley City resident who is passionate about public health and improving the health of other West Valley residents.

Jordan Fuller

I was born and raised in West Valley City and graduated from Granger High School. After getting my education (BYU-Political Science and MPA, with an emphasis in Local Government-University of Nebraska—Omaha) I worked as a City Manager in Iowa for over 5 years before returning to West Valley City. As City Manager, I managed all city departments, including Parks and Recreation, community development, and public works and safety.

For the past 11 years I have been working as Meetinghouse Planning Manager for the Church of Jesus Christ of Latter-Day-Saints. I have 7 children, four who were adopted from Detroit and three biological children. We love the outdoors, particularly hiking, camping, and fishing. I also enjoy diversity, and learning about cultures, languages, and trying new food!

My name is Ashley Castaneda, I graduated from the University of Utah with a major in Communications in 2021, and am currently working on my Masters in Healthcare Administration. I have lived in West Valley City my whole life and absolutely love it. I am very passionate about preventative health and finding ways to provide it to underserved communities. In my free time you'll catch me working out, making crafts, doing DIY's and spending time with family and friends.
