AGENDA TOPICS:

Mayor Jed Maxwell called the work meeting to order at 9:33 p.m. at the Salina City Hall to discuss Salina City truck leases. Salina City currently leases five (5) police trucks, one (1) Blackhawk, and one (1) NS. Recreation. **Mayor Maxwell** stated in the past Salina City received a discount around \$18,000 to \$20,000.00 per truck. Currently, for a new F-150 Ford the discount is \$8,000. A new truck through Ken Garff is \$68,000. The trade in value would be \$48,000 for the seven trucks we currently have. There will be an additional cost of \$12,000 for two years, plus equipment. The interest rate is 5.2%. Salina City Police Department also received a bid from Unified which came in high. **Mayor Maxwell** suggested buying out the current leased trucks. Each department would need to budget to purchase the remaining balance of the lease. The lease agreement is \$12,857.15 per year per truck. Mayor and Council discussed the mileage and warranty on the trucks and what would be the best decision for Salina City. **Mayor Maxwell** suggested going back to how Salina City used to purchase a truck and budget for a new one every year. Council agreed and will vote to purchase the trucks at the next scheduled City Council meeting.

Kevin Mickelsen motioned to adjourn the work meeting and open the Executive Meeting 9:53 p.m. **Earl Taylor** seconded. Motion carried 4 to 0.
