

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: SCSB Charter School New Satellite School and Large Expansion Requests Processes

Agenda item type:

Action Item

Recommended Action:

That the Board approve the State Charter School Board's New Satellite School and Large Expansion Processes.

Background:

The State Charter School Board's New Satellite School and Large Expansion documents were approved by the full SCSB at the August Board Meeting. The SCSB has submitted their New Satellite School and Large Expansion processes to USBE for review and approval.

The Utah State Board of Education (USBE) Rule related to Charter School New Satellite and Large Expansion Requests can be found in [R277-552-7](#).
