

**Individual CTE Course Revision Process for  
Utah State Board of Education**

To be used for non-core elective courses

Using a three/four-year rotation schedule:

1. Specialist convenes a committee to review and revise course standards.
2. Standards are available (on an ongoing basis) for industry/public review through the Standards Rating Tool (electronic).
3. Standards are revised based on input.
4. Standards are submitted to Board for approval.
