Dear Washington County School Board,

We would like to amend the TSSA plan at Heritage Elementary for the 2023 – 2024 school year. Our carryover and overall budget is larger than expected. We would like to add an action step under goal 1: Students will make typical or above typical growth and increase proficiency by at least 3% in ELA and Math. The action step is to provide academic software licensing to our K-5 classrooms. The total amount to budget is \$10,000.

Thank you for your consideration.

Sincerely,

Amy Wilcox
Principal
