Dennis and Daryl Grant approached the Council to discuss 100 West. They are concerned about how narrow the road is. Dennis said it is too narrow for two emergency vehicles to pass on the road if there were ever an emergency. He is concerned about the snow piling up in the winter and drainage problems when it rains. He would like a hold on building permits for that area until this problem is fixed. Daryl talked about the safety of getting in and out of a residence. He is concerned the road does not meet emergency vehicle access. Dennis feels like if the City doesn't fix it right, it will continue to be a problem. The Council discussed possible remedies to the

situation, such as removing the trees that were planted years ago by the Grants and moving the fences that are in the road.
