REPORTS/ACTION ITEMS – BOARDS/COMMITTEES/STAFF/OFFICERS

Water and Sewer Department Updates

Mr. Jackson reported on various municipal water and sewer department matters. He highlighted the exceptional water supply performance this year and provided updates on road construction, spring operating permits, and fire hydrant replacement. In response to Mr. Sorensen's inquiry about supply chain challenges, Mr. Jackson noted that delays have improved, and parts can typically be obtained within three weeks.

Mr. Jackson also informed the Council about the Sewer Re-Use project, with final inspections expected to conclude shortly, they will be moving the project into the 'clean up' phase. The entire project is projected to be completed around mid-October.

Mr. Jackson then asked for the Council to make decision on closure and winterization dates for public bathrooms and water systems. Mr. Sorensen suggested posting closure dates on restroom facilities. The Council agreed on winterizing systems from November 1st to May 1st.

Mr. Jackson concluded by proposing the placement of a sign at the Cemetery featuring a QR code directing visitors to a mapping website for locating graves."
