Attendees via Zoom: Norm Ramos, Stephanie Frohman

Stephanie Frohman gave an inspirational thought stating that the Utah Division of Multicultural Affairs and the Center for Economic Opportunity & Belonging are working together to close the gaps for multicultural Utahns in four areas- health, housing, education and economic opportunity.

A. Education Team

The following important dates were shared:

September 15th, Hispanic Heritage Day

September 15th, Rosh Hashanah

September 21st, National Day of Peace

B. Business and Community Relations Team

Channing Hall will hold its ribbon cutting for their new mural September 29th.

We talked about the Draper Days Parade and all agreed it was a great opportunity. We need more things to give away next year.

We also talked about needing more volunteers. 60 people signed up to volunteer but only 6 showed up.

C. Events Team

We are preparing for the International Arts & Crafts Festival on Saturday, September 16th.

We will gather as a group around 1 pm to be recognized by the Mayor. Also please make sure to sign up to work at the D&I table at the event.

There was a discussion about recognizing new Americans from Draper at this event. Some thought it might be too personal to ask others to be recognized. It is something we can discuss for next year's event.

Stephanie Frohman made a motion to Adjourn and Norm Ramos 2nd that motion.
