xii.

xiii.

xiv.

xv. Farmers Market (possibly moving)

xvi.

xvii.

xviii.

xix. Food Truck Nights

XX.

7.

2-A: 2024 Meeting Schedule: We will keep the same meeting day and time of the 4th Wednesday of the month at 5:30 p.m. If we keep the same events as last year, we will not need to meet until later in the year in 2024. We will not need to meet in December or January because we do not need to plan anything during those months. Doug feels it would not be necessary to meet in October or November either due to not needing to plan events. We can plan and sign up for the Holiday Market event over text and email and not need to meet in person.

Maybe we will not take on any new events for 2024. Ben suggested that we do a different event because people want to see something different.

Anneke suggested sending out a questionnaire to the committee members to get an idea on what everyone wants to do. David would like everyone to come to the meetings to discuss those. Anneke will send out a Google Form to everyone on the committee.

The Mayor accepted a new member that will be at the next meeting. This will bring new help and new ideas to our committee.

We will meet in October to talk about any new events for 2024 and what everyone feels went well and what we need to change or add.

2-B: Holiday Market Event: Please sign up for a job at the event.

2-C: Future Events: We are not looking to add any events for the coming year. This year was fairly busy at the arena. Possibly want to add a concert or a cyclo-cross race, or a jousting. The Farmers Market would like to move to a different location because they are not happy with the amount of foot traffic at the location they are at. It is possible they will be allowed to move in the next year to a different location, it is possible to combine it with food truck night. We will not know until the City Council decides on that issue.

Draper Parks and Rec. Department will be putting on a Mountain Bike Race. This would be better to let them plan for the future rather than our committee to take this on.

David will get information on a cyclo-cross and a concert and bring the information and dates to the next meeting.

Next Meeting: October 25, 2023 5:30 p.m.

Meeting Adjourn: Stephanie motioned to adjourn 6:09, Anneke 2nd.
