Employee Health Benefits:

Phil with Hub went over the current PEHP plan with the council. He explained that the City came in less than what they had budgeted for. He went over the opt in/out options with their plan. The council decided to stay with the same plan but decided to opt for legal guardianship and domestic partners. They also decided that they would not opt out of gender reassignment surgery. Everything else will stay the same as the current benefits.

Multi-Family Development Standards:

The council discussed some of their options with amending the multi-family code. They decided that this is something they are going to want to spend a lot more time on. They are planning on having a few more work meetings to go over this.
