

Davis Park Golf Course

Mission Statement

Provide an affordable and enjoyable golfing opportunity for the citizens of Davis County and surrounding areas. Plus, maintain a high level of customer satisfaction and good course conditions.

Davis Park Golf Course

Current Year Projected Outcomes

- 2023 is going to be comparable to 2022. It was the latest start in history, opening on March 14th to March 19th, then didn't open again until April 10th. Davis Park's revenues were down \$147,000 after the 1st quarter. The 2nd quarter was up \$151,000, putting us ahead going into the summer.
- At the end of August profit is sitting at \$109,519. Compared to 2022 which was \$194,063. Profits are down mainly due to increased expenses and no range revenue.
- Men's association membership reached another all-time high, with 505 members, compared to 2022, at 469.
- Driving range is nearly completed...hooray! The irrigation and range nets will be completed in 2023. Seeding and grass growing will be determined by weather and timing. The range will be open for business, spring of 2024, if not, this winter.
- We are grateful for Public Works, Facilities, and Auditor/Finance in helping us get this range project completed. It will be a wonderful addition to the community.
- Hoping for a good fall weather. Davis Park should contribute to the cash fund \$250,000 to \$300,000, weather permitting.
- We are still holding strong with pre-paid reservations, and as you can see, it is very effective. Thanks for your support in this change that has now been in effect for 4 seasons.
- We have continued to improve our efficiencies with the tee sheet and have better managed B9 bookings.

Next Year Budget Initiatives

- Planning on working with HR to better track seasonal hours and payroll. This will help us in future budgeting and staffing.
- Driving range will be open in 2024 and planning on a new and increased revenue stream.
- We have requested roughly \$99,900 for golf course equipment, which is part of the capital master plan. 2024 is a higher year for purchasing equipment. These purchases include: A pull behind rough mower, 2 utility carts, zero turn riding mower.
- There is a \$50,000 request to improve and repair the #10 tee boxes and access to the driving range, including new cart paths.
- There are a few variances in the operations budget. See the new budget variance report.
- 2024 fees for golf will be determined and set by March 1, 2024 depending on local markets.

	Account Description	2023 Budget	Proposed Budget	Variance	%	Notes
