

Dear Board Members,

As a new principal I made a mistake in allocation of our TSSA funding. I'd like to reallocate our \$10,000 in TSSA technology to be \$8000 and the remaining \$2000 be allocated for student celebrations. The goal this supports is our Student Learning goal which states:

75% of students will achieve typical or above typical growth with 5% + increase in proficiency according to EOY Acadience.

All 4th and 5th grade teams will achieve a median growth score of 40% or higher according to RISE.

We use this student celebration account for incentives for students, drawings for our leadership tickets and school wide PBIS as well as home visits, celebrating individual academic growth with Acadience and Rise assessments and more.

Thank you,
Gabbi Young
