Dear Washington County School Board,

We would like to amend the TSSA plan at Heritage Elementary for the 2023 – 2024 school year. Our carryover and overall budget is larger than expected. We would like to add an action step under goal 2: Students will improve their ability to work through difficult situations to improve their problem-solving skills and leadership skills. The action step is to provide professional learning for teachers in the Leader in Me framework based on assessment results. The cost for this professional service is \$5100.

Thank you for your consideration.

Sincerely,

Amy Wilcox
Principal
