Ronni,

We received an office action on THE GATEWAY TO THE SAN RAFAEL SWELL. The Examining Attorney simply wanted the word 'THE' removed to match the specimen. Also, it appears that the BUCKIN' THE SWELL mark is going straight to publication. We will keep you updated as things progress.

Thanks

Rand

Ronni,

The USPTO is really backed up. They are currently examining trademark applications filed last July. So my best guess is October or November.
