

WEBER STATE UNIVERSITY

MERCY HOUSING
& KAYSVILLE
CITY COOKBOOK
PROJECT

WHO ARE WE?

- We are undergraduate students in the Social Work program at Weber State University.
- As part of our macro class, we needed a project that would be beneficial to the community with an emphasis on helping those in great need.
- Our focus turned to working with Mercy Housing and Kaysville City.

WHAT WE WANT TO ACHIEVE

- Our goal for this project is to:
 - Bridge the “gap” in the demographics within Kaysville City
 - Build unity within the community
 - Bring awareness to Mercy Housing and the resources it provides
 - Help share the stories and livelihoods of those who live at Mercy Housing.

WHAT WE ARE DOING

- We have been collecting a recipes, stories, and pictures from the residents at Mercy Housing and creating a cookbook.
- We currently have over 50 recipes collected. The cookbook is currently over 100 pages.
- The recipes have been translated into both Spanish and English with the help of our ESL classmates.
- We would like to provide these cookbooks to the residents of Kaysville to help introduce them to the residents at Mercy Housing. Many residents of Kaysville City are not even aware of Mercy Housing or how it is helping individuals in need.
- We would like to give each resident at Mercy Housing a copy of the cookbook to build unity within their own community and a sense of pride.
- We would like to provide city hall with complimentary copies that you can hand out to new residents when they open a utility account with the city.

We have found a low-cost option for printing these books. However, we currently do not have any funds to help pay for them.

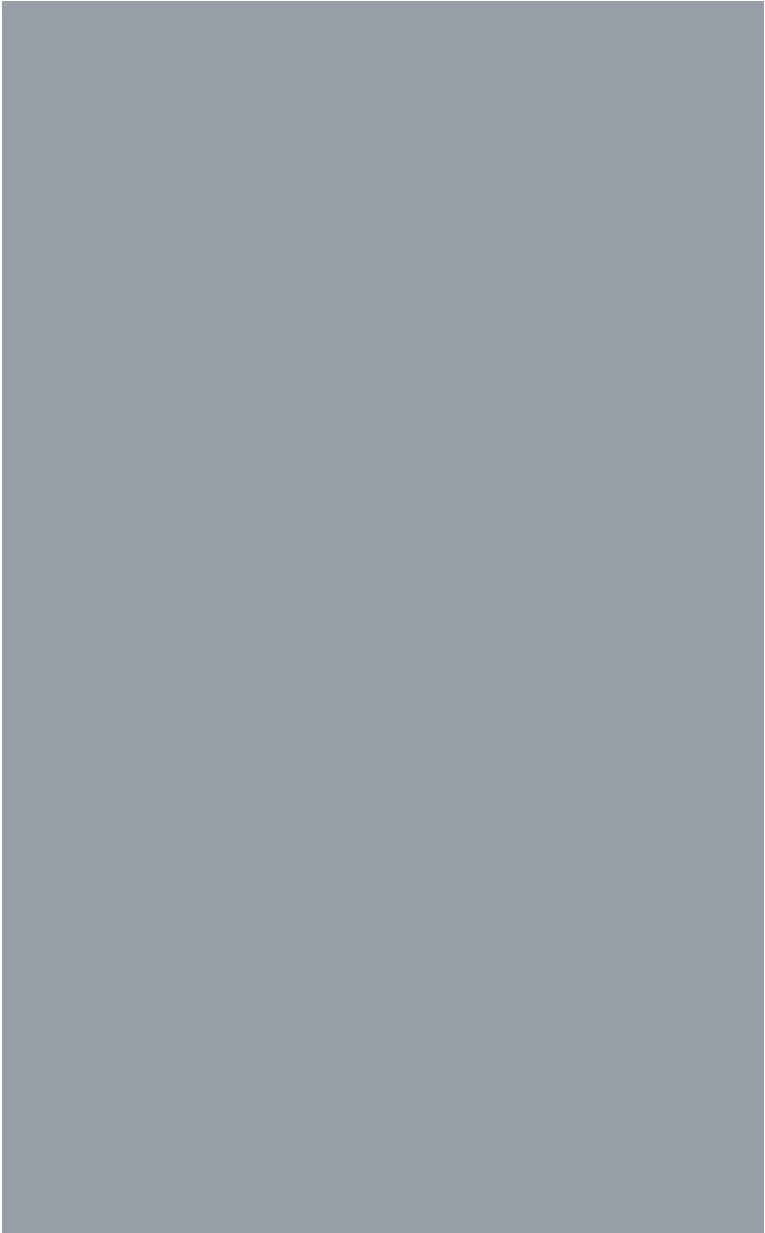

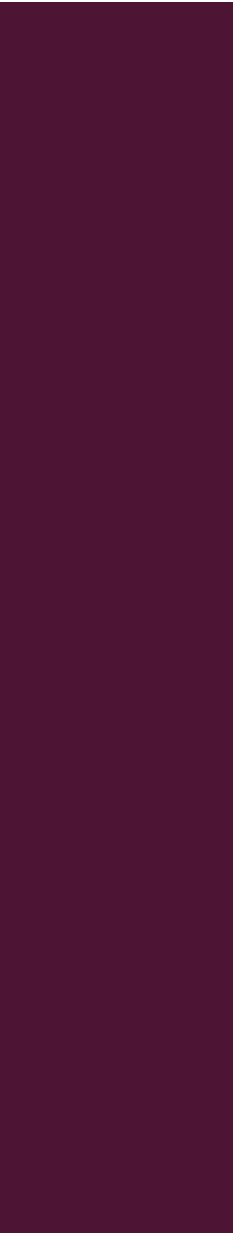

Option A

- \$1000
 - Prints 125 copies of the cookbook
 - Kaysville City will be the sponsor of the cookbook.
 - PDF file available to place on city's website if desired
-

Option B

- \$1200
- Prints 125 copies of the cookbook
- Kaysville City will be the sponsor of the cookbook with colored picture of council in cookbook.
- More information in color about Mercy Housing
- Colored pictures of residents and services at Mercy Housing
- PDF file available to place on city's website if desired.

HOW CAN THE CITY
COUNCIL HELP?

THANK YOU FOR
YOUR TIME!
