How Does Pulse Fit?

Initial Launch

1. A foundation for profiles based on state and federal license and registrations which can be used to facilitate interoperability among state regulators and authorized trading partners.
2. A directory for trading partners to securely share vital contact, preferences and communication with each other and state regulators.

2024 Planned Focus

1. A set of tools for state regulators to initiate verification and product traces.
2. A gap fill for dispenser who are unable to construct or procure reasonable product verification or tracing tools.

The “Product Tracing” future example:
