

# It's your Code, **own it!**

Municipal Code Online puts codification **directly into the hand of municipal governments**. Books (Ordinances, Minutes, Plans, etc) can be posted & searched *immediately*.

## Features for **Citizens**

### Transparent, Friendly User Interface

Navigate & search books easily, increase font sizes. Search within chapters and titles. Each ordinance has a unique URL and access to the original ordinance.

### Mobile Optimized

Books accessible on touch and desktop devices. Mobile website allows bookmarking & favorites.

### Visible Municipal Brand

Your unique logo and color helps citizens recognize and trust who you are.

## Features for **Municipalities**

### Codify in-house, Online

Create/edit/publish/unpublish your own docs & ordinances using an editor that simulates word processing software.

### PDF Capable

Generate the complete document or separate ordinances from whenever , wherever—FREE.

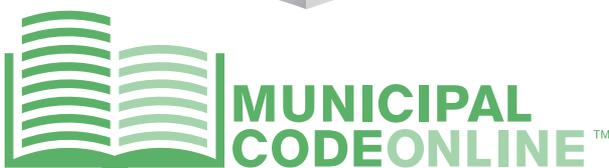

### File Management & Storage

Unlimited file space for original ordinances, code, images and documents. Geo-redundancy protects from potential hazards.

### Version Control

Each change is recorded and tracked, automatically.

*(Repeals, reenactments, amendments and corrections)*

# Codification *Pricing*

Whether you are *already* codified Online, have not yet codified, or have a website with PDF ordinances, MCO offers transparency and convenience to your municipality *AND* your citizens.

## Plan preference

### Please codify *for us*

MCO codifies past, present or future documents at \$15/page. To make your books current and searchable, these documents will also be posted online. *Conversion fees may apply.*

### NO CONVERSION FEES!

### We'll codify *in-house!*

 MCO makes the Codification of future ordinances a snap! Create/edit unlimited docs and maintain several books with an online word-processing editor.

#### GREAT VALUE FOR:

- Municipalities experiencing growth
- Frugal, self-sufficient cities
- Aggressive City Councils
- Municipalities that have already Codified
- Searchable Minutes, Resolutions, etc.

 Population < 15k       Population 15k–30k       Population > 30k
