

October 2023 Summary of Planning & Zoning Actions

- The Shawn Lindow family applied for annexation of their property on the east side of Spring City between the Canyon Road and 300 South. This will require meetings.
- Ken Krogue has applied for annexation for his property and neighbors on the south side of town between 500 East and 200 East. This will require meetings. Kristen Mortensen is acting as his agent in this application.
- Barbara Moss applied for an RV permit for family living on her property in a motorhome for 30 days from October 9.
- Del Larsen applied for a Business License for a towing and recovery business out of his home on 185 East 200 South. This was approved as a home business. No actual business will be conducted at the home. No neighbor response forms were sent.
- Holly Nicoles submitted an application for a zoning permit for a 12x12 shed. This was approved. No building permit is required by the county for buildings smaller than 200 square feet.
- Linda Olson's contractor obtained an RV Zoning Permit so that he could live in an RV while he works on Linda's Home. This permit does NOT entitle Linda to live in her RV.

Hans Jorge Hansen Jr.'s Crypt Restoration Proposal

Date: October 31, 2023

Main Contact: Paul Strong, Son-in-Law to Carl D. Hansen, Great, Great Nephew to Hans Jorgen Hansen Jr.

Closest living relatives to Hans Jorgen Hansen Jr.: Carl D Hansen (87 years old) of American Fork, Utah and Kaye Marks (97 years old) of Salt Lake City, Utah.

PROPOSAL:

Because of the deteriorating condition and past vandalism/desecration of the Hansen Crypt in the Spring City Cemetery, it is our desire to restore the beautiful crypt to its original condition or as close as can possible be accomplished. We are primarily concerned about safety with the unknown condition of the roof structure. The crypt was constructed in 1891 and no documents and/or photos (that we know of) exist of its construction and inside condition. The two individuals buried within are Hans Jorgen Hansen Jr., died from pneumonia at the age of 36 and Mark Sharp Hansen, his 4-year-old son who drown. We therefore ask for permission to enter the sealed crypt and document, photograph and measure the inside to have a sound understanding as how to conduct the restoration. If it is determined the crypt is safe, we might remove the concrete slab and unearth the old steps and secure the entrance with a solid metal door so no person or animal can enter until at which time, if any, another family member may wish burial therein.

Or, if we choose or the crypt is deemed unsafe, we might exhume the remains of the two bodies (if possible) and store them with proper authorities until they can be reinterred with proper caskets, vaults and headstones. The ceiling will be removed and the chamber filled in so future burials can and will be done from the surface down. At that point the plot may also be re-configured or adjusted to accommodate less lots for easier access from the surface by cemetery crews. All work will be done by permission and adhering to all guidelines and regulations from State and Local authorities and by obtaining all necessary permits.

The stone perimeter wall will also be trued up and strengthened. The old round stone entrance will be sealed up with a stone wall and a new rot iron gate welded on. If the two bodies are exhumed, we may request they be reinterred within the old entrance so the space can be utilized.

The crypt is such a unique and beautiful piece of art and a great asset to the Spring City cemetery, not to mention a novelistic centerpiece and head turner. Crypts are just not built anymore. We as the Hansen family have a responsibility to preserve and maintain such a work of art. We have already removed the old grout from the entrance and re-pointed the entire structure. If permission to proceed as we wish is granted, we will create a non-profit organization to solicit tax deductible funds to complete the project. Grants and other donations will also be requested and appreciated.

I wish to thank all those in the city, especially Sexton Michael Black, for the great support and encouragement I have received concerning this proposed project.

Thank you for your time and consideration,

Paul Strong Paulstrong1956@gmail.com 801.717.0046

RESOLUTION 2023-14

A RESOLUTION REQUESTING THE RE-CERTIFICATION OF
THE SPRING CITY JUSTICE COURT

WHEREAS, the provisions of U.C.A. 78A-7-103 require that justice courts be re-certified at the end of each four-year term; and

WHEREAS, the term of the present court shall expire in the coming months; and

WHEREAS, the members of the Spring City Council have received an opinion letter from the city attorney, which discusses requirements for the operation of a justice court and the feasibility of continuing to maintain the same; and

WHEREAS, the members of the Spring City Council have determined that it is in the best interest of the city to continue to provide a justice court;

BE IT RESOLVED, the Spring City Council hereby requests re-certification of the Spring City Justice Court by the Board of Justice Court Judges and the Utah Judicial Council.

BE IT FURTHER RESOLVED that the Spring City Council hereby affirms its willingness to continue to meet all requirements set forth by the Utah Judicial Council for continued operation of the said justice court for the next four-year term of court, except as to any requirements waived by the Utah Judicial Council.

APPROVED and signed this **2nd** day of **November 2023**.

By 
Chris Anderson, Spring City Mayor
