PRESENT: Mayor Kathi Knight, Councilmembers, Gretchen Northcott, William Rylander, Greg Scott

GUESTS: Brian Raymond, Daggett County Clerk

EXCUSED: Randall Browning

2023 ELECTION CANVASS: Brian Raymond explained that the unofficial count of votes was for the Manila Municipal General Election. Ray Nelson had received 37 votes, and Kathi Knight received 91 votes. The final count was Ray Nelson 38 votes, and Kathi Knight 92 votes. The town had 190 ballots mailed out, 127 ballots were counted, 2 were cured, and 1 provisional ballot was rejected due to the voter not turning in documentation of living in Manila.

There was an election audit that Brian Raymond had done with Larrinda Isaacson, Daggett County Deputy Clerk, and Marlena Connor, Town Clerk to make sure the tabulator marked what was on the ballots correctly in the election system.

Brian Raymond told the council that there was a logic and accuracy test done before the machines were used for the election.

Councilmember Scott attended the meeting a little late, & reviewed all of the information Brian Raymond had handed out to the other council members.

The voter turnout was 69.4% for the Manila Municipal General Election.

Brian Raymond had explained to the council that seals had been kept on all of the records throughout the process to maintain the custody of the records. Mr. Raymond asked the council if they would lie to view any of the ballots, registers, or anything else. The council declined reviewing any additional material.

Councilmember Northcott moved to approve the election results as presented. Councilmember Rylander seconded the motion. Mayor Knight recused herself from voting. All other council members were in favor. The motion carried.
