### 6. Discussion/Action on the following items:

#### a. **Proposal to stop allowing handmade headstones in cemetery- *Sexton***

Would like handmade headstones to not be allowed. Russell Keisel mentioned possibly having them approved in council first.

Sexton Sandra Bigler feels like handmade headstones are becoming a problem. Has had about 5 that haven't been approved. Has one that was put out there is too high. Ordinance only states height and width, does not specify if they can be handmade or not. Need to amend ordinance to bring it up to date. Mayor would like Sandra to make changes to the ordinance and bring it back to council to make those changes.

#### b. **Request to put a bench in the cemetery- *Melanie Hancey***

Would like to put a bench under the tree. Melanie Hancey is not present. Sexton Sandra Bigler doesn't see the problem with the bench within their plot.

Councilman Draper would like to see a picture and description of bench to approve. Would like more information before this is passed.
