Work Product shall be considered a work made for hire under federal, state, and local laws; and all interest and title shall be transferred to and owned by the Eligible User. Notwithstanding anything in the immediately preceding sentence to the contrary, Work Product does not include any Eligible User intellectual property, Contractor's intellectual property (that it owned or licensed prior to this Contract) or Third Party intellectual property.

4. **RECORDS ADMINISTRATION:** Contractor shall maintain or supervise the maintenance of all records necessary to properly account for Contractor's performance and the payments made by Eligible Users to Contractor under this Contract. These records shall be retained by Contractor for at least six (6) years after final payment, or until all audits initiated within the six (6) years have been completed, whichever is later. Contractor agrees to allow, at no additional cost, State of Utah auditors, federal auditors, Eligible Users or any firm identified by the Division, access to all such records. Contractor must refund to the Division any overcharges brought to Contractor's attention by the Division or the Division's auditor and Contractor is not permitted to offset identified overcharges by alleged undercharges to Eligible Users.
5. **CERTIFY REGISTRATION AND USE OF EMPLOYMENT "STATUS VERIFICATION SYSTEM":** This "Status Verification System" requirement, also referred to as "E-Verify", only applies to contracts issued through a Request for Proposal process

and to sole sources that are included within a Request for Proposal.

 2. Contractor shall require that each of its Subcontractors certify by affidavit, as to their own entity, under penalty of perjury, that each Subcontractor has registered and is participating in the Status Verification System to verify the work eligibility status of Subcontractor's new employees that are employed in the State of Utah in accordance with applicable immigration laws.
 3. Contractor's failure to comply with this section will be considered a material breach of this Contract.
6. **CONFLICT OF INTEREST:** Contractor represents that none of its officers or employees are officers or employees of the Division or of the State of Utah, unless disclosure has been made to the Division.
7. **INDEPENDENT CONTRACTOR:** Contractor and Subcontractors, in the performance of this Contract, shall act in an independent capacity and not as officers, employees, or agents of the State Entity or the State of Utah.
8. **INDEMNITY:** Contractor shall be fully liable for the actions of its agents, employees, officers, partners, and Subcontractors, and shall fully indemnify, defend, and save harmless the Division, Eligible Users, and the State of Utah from all claims, losses, suits, actions, damages, and costs of every name and description arising out of Contractor's performance of this Contract to the extent caused by any intentional wrongful act or negligence of Contractor, its agents, employees, officers, partners, or Subcontractors, without limitation; provided, however, that the Contractor shall not indemnify for that portion of any claim, loss, or damage arising hereunder due to the fault of the Division, Eligible Users, or the State of Utah. The parties agree that if there are any limitations of the Contractor's liability, including a limitation of liability clause for anyone for whom the Contractor is responsible, such limitations of liability will not apply to injuries to persons, including death, or to damages to property.
9. **EMPLOYMENT PRACTICES:** Contractor agrees to abide by the following employment laws: (i) Title VI and VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e), which prohibits discrimination against any employee or applicant for employment or any applicant or recipient of services, on the basis of race, religion, color, or national origin; (ii) Executive Order No. 11246, as amended, which prohibits discrimination on the basis of sex; (iii) 45 CFR 90, which prohibits discrimination on the basis of age; (iv) Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990, which prohibits discrimination on the basis of disabilities; and (v) Utah's Executive Order 2019-1, dated February 5, 2019, which prohibits unlawful harassment in the workplace. Contractor further agrees to abide by any other laws, regulations, or orders that prohibit the discrimination of any kind by any of Contractor's employees.
10. **AMENDMENTS:** This Contract may only be amended by the mutual written agreement of the parties, provided that the amendment is within the Scope of Work of this Contract and is within the scope/purpose of the original solicitation for which this Contract was derived. The amendment will be attached and made part of this Contract. Automatic renewals will not apply to this Contract, even if listed elsewhere in this Contract.
11. **DEBARMENT:** Contractor certifies that it is not presently nor has ever been debarred, suspended, or proposed for debarment by any governmental department or agency, whether international, national, state, or local. Contractor must notify the State Entity within thirty (30) days if debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any contract by any governmental entity during this Contract.
12. **TERMINATION:** This Contract may be terminated, with cause by either party, in advance of the specified expiration date, upon written notice given by the other party. The party in violation will be given ten (10) days after written notification to correct and cease the violations, after which this Contract may be terminated for cause immediately and subject to the remedies below. This Contract may also be terminated without cause (for convenience), in advance of the specified expiration date, by the Division, upon thirty (30) days written termination notice being given to the Contractor. The Division and the Contractor may terminate this Contract, in whole or in part, at any time, by mutual agreement in writing. On termination of this Contract, all accounts and payments will be processed according to the financial arrangements set forth herein for Services properly performed prior to date of termination.

Contractor shall be compensated for the Services properly performed under this Contract up to the effective date of the notice of termination. Contractor agrees that in the event of such termination for cause or without cause, Contractor's sole remedy and monetary recovery from the State Entity or the State of Utah is limited to full payment for all Services properly performed as authorized under this Contract up to the date of termination as well as any reasonable monies owed as a result of Contractor having to terminate other contracts necessarily and appropriately entered into by Contractor pursuant to this Contract. In no event shall the State Entity be liable to the Contractor for compensation for any services neither requested by the State nor satisfactorily performed by the Contractor. In no event shall the State Entity's exercise of its right to terminate this Contract for convenience relieve the Contractor of any liability to the State Entity for any damages or claims arising under this Contract.

13. **NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW:** Upon thirty (30) days written notice delivered to the Contractor, this Contract may be terminated in whole or in part at the sole discretion of the Division, if the Division reasonably determines that: (i) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract; or (ii) that a change in available funds affects the Divisions or the Eligible User's ability to pay Contractor. A change of available funds as used in this paragraph includes, but is not limited to, a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor.

If a written notice is delivered, the Eligible User will reimburse Contractor for the Services properly performed until the effective date of said notice. The Division, the Eligible User, and the State of Utah will not be liable for any performance, commitments, penalties, or liquidated damages that accrue after the effective date of said written notice.

14. **SALES TAX EXEMPTION:** The Services under this Contract will be paid for from the Eligible User's funds and may be used in the exercise of the Eligible User's essential functions. Upon request, the Eligible User will provide Contractor with its sales tax exemption number. It is Contractor's responsibility to request the Eligible User's sales tax exemption number. It also is Contractor's sole responsibility to ascertain whether any tax deduction or benefits apply to any aspect of this Contract.
15. **CONTRACTOR'S INSURANCE RESPONSIBILITY.** The Contractor shall maintain the following insurance coverage:
 - a. Workers' compensation insurance during the term of this Contract for all its employees and any Subcontractor employees related to this Contract. Workers' compensation insurance shall cover full liability under the workers' compensation laws of the jurisdiction in which the work is performed at the statutory limits required by said jurisdiction.

The limits of the CGL insurance policy will be no less than one million dollars (\$1,000,000.00) per person per occurrence and three million dollars (\$3,000,000.00) aggregate.
 - c. Commercial automobile liability [CAL] insurance from an insurance company authorized to do business in the State of Utah. The CAL insurance policy must cover bodily injury and property damage liability and be applicable to all vehicles used in your performance of Services under this Agreement whether owned, non-owned, leased, or hired. The minimum liability limit must be \$1 million per occurrence, combined single limit. The CAL insurance policy is required if Contractor will use a vehicle in the performance of this Contract.
 - d. Other insurance policies required in the Solicitation.

Certificate of Insurance, showing up-to-date coverage, shall be on file with the State before the Contract may commence.

The State reserves the right to require higher or lower insurance limits where warranted. Failure to provide proof of insurance as required will be deemed a material breach of this Contract. Contractor's failure to maintain this insurance requirement for the term of this Contract will be grounds for immediate termination of this Contract.

16. **RESERVED.**

17. **END USER AGREEMENT:** If Eligible Users are required by Contractor to sign an End User Agreement before participating in this Contract, then a copy of the End User Agreement must be attached to this Contract. The term of the End User Agreement shall not exceed the term of this Contract, and the End User Agreement will automatically terminate upon the completion or termination of this Contract. An End User Agreement must reference this Contract, and may not be amended or changed unless approved in writing by the Division. Eligible Users will not be responsible or obligated for any early termination fees if the End User Agreement terminates as a result of completion or termination of this Contract.
18. **LARGE VOLUME DISCOUNT PRICING:** Eligible Users may seek to obtain additional volume discount pricing for large orders provided Contractor is willing to offer additional discounts for large volume orders. No amendment to this Contract is necessary for Contractor to offer discount pricing to an Eligible User for large volume purchases.
19. **ELIGIBLE USER PARTICIPATION:** Participation under this Contract by Eligible Users is voluntarily determined by each Eligible User. Contractor agrees to supply each Eligible User with Services based upon the same terms, conditions and prices of this Contract.
20. **INDIVIDUAL CUSTOMERS:** Each Eligible User that purchases Services from this Contract will be treated as if they were individual customers. Each Eligible User will be responsible to follow the terms and conditions of this Contract. Contractor agrees that each Eligible User will be responsible for their own charges, fees, and liabilities. Contractor shall apply the charges to each Eligible User individually. The Division is not responsible for any unpaid invoice.
21. **QUANTITY ESTIMATES:** The Division does not guarantee any purchase amount under this Contract. Estimated quantities are for Solicitation purposes only and are not to be construed as a guarantee.
22. **PUBLIC INFORMATION:** Contractor agrees that this Contract, related purchase orders, related pricing documents, and invoices will be public documents, and may be available for public and private distribution in accordance with the State of Utah's Government Records Access and Management Act (GRAMA). Contractor gives the Division, the Eligible Users, and the State of Utah express permission to make copies of this Contract, related purchase orders, related pricing documents, and invoices in accordance with GRAMA. Except for sections identified in writing and expressly approved by the Division, Contractor also agrees that the Contractor's Proposal to the Solicitation will be a public document, and copies may be given to the public as permitted under GRAMA. The Division, Eligible Users, and the State of Utah are not obligated to inform Contractor of any GRAMA requests for disclosure of this Contract, related purchase orders, related pricing documents, and invoices.
23. **DELIVERY:** Time is of the essence for all deliveries made under this Contract. All deliveries under this Contract will be F.O.B. destination with all transportation and handling charges paid for by Contractor. Responsibility and liability for loss or damage will remain with Contractor until final inspection and acceptance, when responsibility will pass to the Eligible User, except as to latent defects or fraud. Contractor's failure to provide the Services by the required delivery date is deemed a material breach of this Contract. Contractor shall be responsible for the customary industry standard in packing and shipping any goods relating to these Services.
24. **REPORTS AND FEES:**
 1. **Administrative Fee:** Contractor agrees to provide a quarterly administrative fee to the State in the form of a check, EFT or online payment through the Division's Automated Vendor Usage Management System. Checks will be payable to the "State of Utah Division of Purchasing" and will be sent to State of Utah, Division of Purchasing, Attn: Cooperative

Contracts, PO Box 141061, Salt Lake City, UT 84114-1061. The Administrative Fee will be the amount listed in the Solicitation and will apply to all purchases (net of any returns, credits, or adjustments) made under this Contract.

2. **Quarterly Reports:** Contractor agrees to provide a quarterly utilization report, reflecting net sales to the State during the associated fee period. The report will show the dollar volume of purchases by each Eligible User. The quarterly report will be provided in secure electronic format through the Division's Automated Vendor Usage Management System found at: <https://statecontracts.utah.gov/Vendor>.
3. **Report Schedule:** Quarterly utilization reports shall be made in accordance with the following schedule:

<u>Period End</u>	<u>Reports Due</u>
March 31	April 30
June 30	July 31
September 30	October 31
December 31	January 31

4. **Fee Payment:** After the Division receives the quarterly utilization report, it will send Contractor an invoice for the total quarterly administrative fee owed to the Division. Contractor shall pay the quarterly administrative fee within thirty (30) days from receipt of invoice.
 5. **Timely Reports and Fees:** If the quarterly administrative fee is not paid by thirty (30) days of receipt of invoice or quarterly utilization reports are not received by the report due date, then Contractor will be in material breach of this Contract.
25. **ORDERING:** Orders will be placed by the Eligible User directly with Contractor. All orders will be shipped promptly in accordance with the terms of this Contract.
 26. **ACCEPTANCE AND REJECTION:** The Eligible User shall have thirty (30) days after delivery of the Services to perform an inspection of the Services to determine whether the Services conform to the standards specified in the Solicitation and this Contract prior to acceptance of the Services by the Eligible User.

If Contractor delivers nonconforming Services, the State Entity may, at its option and at Contractor's expense: (i) return any deliverable related to the Services for a full refund; (ii) require Contractor to promptly correct or reperform the nonconforming Services subject to the terms of this Contract; or (iii) obtain replacement Services from another source, subject to Contractor being responsible for any cover costs.
 27. **INVOICING:** Contractor will submit invoices within thirty (30) days after the delivery date of the Service(s) to the Eligible User. The contract number shall be listed on all invoices, freight tickets, and correspondence relating to this Contract. The prices paid by the Eligible User will be those prices listed in this Contract, unless Contractor offers a discount at the time of the invoice. It is Contractor's obligation to provide correct and accurate invoicing. The Eligible User has the right to adjust or return any invoice reflecting incorrect pricing.
 28. **PAYMENT:** Payments are to be made within thirty (30) days after a correct invoice is received. All payments to Contractor will be remitted by mail, electronic funds transfer, or by a Purchasing Card (major credit card). If payment has not been made after sixty (60) days from the date a correct invoice is received by the Eligible User, then interest may be added by Contractor as prescribed in the Utah Prompt Payment Act. The acceptance by Contractor of final payment, without a written protest filed with the Eligible User within ten (10) business days of receipt of final payment, shall release the Division, the Eligible User, and the State of Utah from all claims and all liability to the Contractor. The Eligible User's payment for the Services shall not be deemed an acceptance of the Services and is without prejudice to any and all claims that the Division, Eligible User, or the State of Utah may have against Contractor. The State of Utah, the Division, and the Eligible User will not allow the Contractor to charge end users electronic payment fees of any kind.
 29. **TIME IS OF THE ESSENCE:** Services shall be completed by any applicable deadline stated in this Contract. For all Services, time is of the essence. Contractor shall be liable for all reasonable damages to the Eligible User and the State of Utah, and anyone for whom the State of Utah may be liable, as a result of Contractor's failure to timely perform the Services required under this Contract.
 30. **CHANGES IN SCOPE:** Any changes in the scope of the Services to be performed under this Contract shall be in the form of a written amendment to this Contract, mutually agreed to and signed by both parties, specifying any such changes, fee adjustments, any adjustment in time of performance, or any other significant factors arising from the changes in the scope of Services.
 31. **PERFORMANCE EVALUATION:** The Eligible User may conduct a performance evaluation of Contractor's Services, including Contractor's Subcontractors, if any. Results of any evaluation may be made available to the Contractor upon Contractor's request.
 32. **STANDARD OF CARE:** The Services of Contractor and its Subcontractors shall be performed in accordance with the standard of care exercised by licensed members of their respective professions having substantial experience providing similar services which similarities include the type, magnitude, and complexity of the Services that are the subject of this Contract. Contractor shall be liable to the Eligible User and the State of Utah for claims, liabilities, additional burdens, penalties, damages, or third party claims (e.g., another Contractor's claim against the State of Utah), to the extent caused by wrongful acts, errors, or omissions that do not meet this standard of care.
 33. **REVIEWS:** The Division and Eligible Users reserve the right to perform plan checks, plan reviews, other reviews, and/or comment upon the Services of Contractor. Such reviews do not waive the requirement of Contractor to meet all of the terms and conditions of this Contract.
 34. **INDEMNIFICATION RELATING TO INTELLECTUAL PROPERTY:** Contractor will indemnify and hold the Division, the Eligible User, and the State of Utah harmless from and against any and all damages, expenses (including reasonable

attorneys' fees), claims, judgments, liabilities, and costs in any action or claim brought against the Division, the Eligible User, or the State of Utah for infringement of a third party's copyright, trademark, trade secret, or other proprietary right. The parties agree that if there are any limitations of Contractor's liability, such limitations of liability will not apply to this section.

35. **OWNERSHIP IN INTELLECTUAL PROPERTY:** The Division, the Eligible User, and Contractor agree that each has no right, title, or interest, proprietary or otherwise, in the intellectual property owned or licensed by the other, unless otherwise agreed upon by the parties in writing. All Services, documents, records, programs, data, articles, memoranda, and other materials not developed or licensed by Contractor prior to the execution of this Contract, but specifically manufactured under this Contract, shall be considered work made for hire, and Contractor shall transfer any ownership claim to the Eligible User.
36. **OWNERSHIP IN CUSTOM DELIVERABLES:** In the event that Contractor provides Custom Deliverables to the Eligible User, pursuant to this Contract, Contractor grants the ownership in Custom Deliverables, which have been developed and delivered by Contractor exclusively for the Eligible User and are specifically within the framework of fulfilling Contractor's contractual obligations under this contract. Custom Deliverables shall be deemed work made for hire, such that all intellectual property rights, title and interest in the Custom Deliverables shall pass to the Eligible User, to the extent that the Custom Deliverables are not recognized as work made for hire, Contractor hereby assigns to the Eligible User any and all copyrights in and to the Custom Deliverables, subject to the following:
1. Contractor has received payment for the Custom Deliverables,
 2. Each party will retain all rights to patents, utility models, mask works, copyrights, trademarks, trade secrets, and any other form of protection afforded by law to inventions, models, designs, technical information, and applications ("Intellectual Property Rights") that it owned or controlled prior to the effective date of this contract or that it develops or acquires from activities independent of the services performed under this contract ("Background IP"), and
 3. Contractor will retain all right, title, and interest in and to all Intellectual Property Rights in or related to the services, or tangible components thereof, including but not limited to (a) all know-how, intellectual property, methodologies, processes, technologies, algorithms, software, or development tools used in performing the Services (collectively, the "Utilities"), and (b) such ideas, concepts, know-how, processes and reusable reports, designs, charts, plans, specifications, documentation, forms, templates, or output which are supplied or otherwise used by or on behalf of Contractor in the course of performing the Services or creating the Custom Deliverables, other than portions that specifically incorporate proprietary or Confidential Information or Custom Deliverables of the Eligible User (collectively, the "Residual IP"), even if embedded in the Custom Deliverables.
 4. Custom Deliverables, not including Contractor's Intellectual Property Rights, Background IP, and Residual IP, may not be marketed or distributed without written approval by the Eligible User.

Contractor agrees to grant to the Eligible User a perpetual, irrevocable, royalty-free license to use Contractor's Background IP, Utilities, and Residual IP, as defined above, solely for the Eligible User and the State of Utah to use the Custom Deliverables. The Eligible User reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for the Eligible User's and the State of Utah's internal purposes, such Custom Deliverables. For the Goods delivered that consist of Contractor's scripts and code and are not considered Custom Deliverables or Work Product, for any reason whatsoever, Contractor grants the Eligible User a non-exclusive, non-transferable, irrevocable, perpetual right to use, copy, and create derivative works from such, without the right to sublicense, for the Eligible User's and the State of Utah's internal business operation under this Contract. The Eligible User and the State of Utah may not participate in the transfer or sale of, create derivative works from, or in any way exploit Contractor's Intellectual Property Rights, in whole or in part.

37. **ASSIGNMENT:** Contractor may not assign, sell, transfer, subcontract or sublet rights, or delegate any right or obligation under this Contract, in whole or in part, without the prior written approval of the Division.
38. **DEFAULT AND REMEDIES:** Any of the following events will constitute cause for the Division to declare Contractor in default of this Contract: (i) Contractor's non-performance of its contractual requirements and obligations under this Contract; or (ii) Contractor's material breach of any term or condition of this Contract. The Division may issue a written notice of default providing a ten (10) day period in which Contractor will have an opportunity to cure. Time allowed for cure will not diminish or eliminate Contractor's liability for damages. If the default remains after Contractor has been provided the opportunity to cure, the Division may do one or more of the following: (i) exercise any remedy provided by law or equity; (ii) terminate this Contract; (iii) impose liquidated damages, if liquidated damages are listed in this Contract; (iv) debar/suspend Contractor from receiving future contracts from the Division or the State of Utah; or (v) demand a full refund of any payment that an Eligible User has made to Contractor under this Contract for Services that do not conform to this Contract.
39. **FORCE MAJEURE:** Neither party to this Contract will be held responsible for delay or default caused by fire, riot, act of God, and/or war which is beyond that party's reasonable control. The Division may terminate this Contract after determining such delay will prevent successful performance of this Contract.
