BUSINESS

1. A special meeting to review public input and the town's capital investment plan to decide to submit a grant funding application to the Community Development Block Grant (CDBG).

Mayor Brian Florang stated this meeting is to discuss the suggestions and ideas for applying to the Community Development Block Grant program. Mayor Florang said the council has in front of them a list of suggestions collected at the public hearing from residents of the community along with the town's capital improvement list and stated these items will be discussed along with any ideas put forward by the council and then decide what we believe would be the best use of the funds if the town were to receive a grant. Mayor Brian Florang opened the floor for discussion.

Councilmember Leon Lewis suggested improving the roads. Councilmember Donald Brown said he talked with Jake Smith and said he is lined up to give the town some bids for road work in the spring.

Mayor Brian Florang said he would like to review the scoring criteria for projects submitted to CDBG. The council discussed the following scoring criteria items: project population size, amount of funds secured for the project, the geographical impact of a project, LMI population, funding in previous years, highest priority is given to water infrastructure improvements, 2nd street/sidewalk improvements, 3rd recreation facility improvements, 4th sewer/storm infrastructures, 5th public facilities, 6th LMI housing, health threats, pro-active planning, etc.

Mayor Brian Florang suggested the focus be on town infrastructure projects due to the competitiveness of the grant.

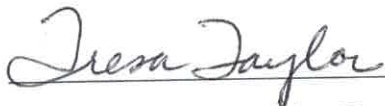

The council reviewed each item on the list of community suggestions and the town's capital improvements and decided to consider the following projects for application: town road improvements, sewer pond rehabilitation, water line extension, treatment plant generator, and water system SCADA.

After much discussion, the council decided to apply to CDBG for water system improvements.

Mayor Brian Florang called for a motion. Councilmember Ray Searle moved to make an application to CDBG for water system improvements and the application will include a generator for the water treatment plant and improvements to the water line on 500 S. Councilmember Donald Brown seconded the motion. Roll Call Vote: Councilmember LeeAnn Terry, aye; Councilmember Leon Lewis, aye; Councilmember Donald Brown, aye; Councilmember Ray Searle, aye; Mayor Brian Florang, aye. Motion carried.

ADJOURNMENT

Councilmember Leon Lewis moved to adjourn at 7:21 PM. Councilmember LeeAnn Terry seconded the motion, all voted aye. Motion carried.
