service to the city.
42 d) Councilmember comments/announcements

44 3. **Open Session for Public Comment** – Mayor Lundberg called for any public
comments. There were several residents who addressed the council at this time as

2 follows:

4 **Eve Warner:** Ms. Warner stated she is a Lindon City resident. She explained that she is
6 here representing her neighbors that live on 725 North in Lindon. There are 22 Lindon
8 residents and 10 Pleasant Grove residents that live on that street. They have concerns
10 with a rezoning of land behind them on the border of Lindon and Pleasant Grove. It is
12 currently zoned to be a road named 1000 South. They only heard about this from the PG
14 City Council meeting. The rezoning is on the PG side even though some Lindon City
residents are impacted, and they expressed their concerns. They have researched land
records and much of the road is owned by Lindon City and situated in both tax
jurisdictions. They also asked various city employees and it appears to be in the city plan.
She expressed that city plans can be rezoned to meet current needs and they would ask
the council to consider to rezone.

She stated this new 1000 South Road offers no benefit to Lindon and it will
16 increase traffic with PG residents and will add to the already bad roads in Lindon. Our
city cannot afford additional wear and tear on our roads. This will sandwich 725 North
18 with busy streets on both front and back. She then showed an aerial map of Lindon that
shows no other areas with streets on both front and back of homes. She noted there has
20 not been an environmental impact study done and she would urge the council to rezone
this to single family homes that could be subdivided with backyards that share a fence
22 line; this would help to maintain a little bit of country. She emphasized that this street
may benefit PG but not Lindon City. She pointed out that PG claims Lindon City is in
24 support of this.

Ms. Warner further stated they, as concerned residents, they expect the council to
26 push back to PG and research this to rezone to residential single family. They also expect
full transparency and to put up a fight for the residents. She added that all the
28 information they know they have heard from PG City; they expect more from our public
officials.

30 **Matt Stokes:** Mr. Stokes stated Ms. Warner did a great job representing the residents.
32 He stated he is a father of 5 and lives on 725 North adjacent to the proposed street. He
also has some serious concerns. He sees this street as a continuation of PG Blvd. that will
34 double traffic, noise and lights and substantially impose other safety issues. There are
already speedbumps there and the street is already beat-up. There is currently a lot of
36 traffic and more traffic would be highly problematic and would propose a danger issue.
Due to all of these reasons he would ask that the council please help the citizens who live
38 on 725 North.

40 **Sean Warner:** Mr. Warner stated he sent a letter to the council expressing his concerns.
42 He would implore the council to do their part in keeping the city motto of “a little bit of
country” and to please take the care of the residents and to keep the citizens informed.

44 Mr. Cowie provided an aerial photo showing the area in question. He stated this
was approved last month in the budget for reconstruction of 725 North and is scheduled

2 for a complete rebuild in 2024. In regards to the master plan roadway, it is technically in
3 Pleasant Grove and the things to rezone would be within the Pleasant Grove jurisdiction.
4 We have had conversations with PG on this roadway in the past and this has been on
5 master plan since 1968. He noted what was presented to Pleasant Grove was how
6 properties would be platted and developed. Mr. Cowie also explained the process as
7 properties develop that is when streets are developed.
8

9
10 Mr. Florence, Community Development Director stated that he had met recently
11 with Pleasant Grove City, where Pleasant Grove presented new plans that they want to
12 do. Previously it had been 3 downhill cul-de-sacs, the new plan would have 3 downhill
13 streets. Mr. Florence presented the street alignment map showing the future streets
14 layout. He noted that there is no rezoning happening.

15 4. COUNCIL REPORTS:

16
17 **Councilmember Hoyt** – Councilmember Hoyt reported on police updates where there
18 are a lot of things going on with officers pushing snow for an elderly resident, sub for
19 Santa, and helping citizens in need; they go above and beyond the call of duty.
20

21
22 **Councilmember Vanchiere** – Councilmember Vanchiere expressed that it has been his
23 privilege to serve on the NPSWD for the past 4 years. There are good things and plans
24 happening there that will benefit everyone. As of right now we are a special services
25 district under state law under Utah County, but at the insistence of Rod Mann they have
26 gone to an interlocal agreement and Utah County will not have authority to approve
27 members of the board; this empowers member cities who belong. He asked about
28 continuing to be the city's representative on that board but understands that may not be
29 feasible because that is typically an elected official. He also asked about "at large"
30 positions noting it may dilute the member cities opportunities. They haven't made the
31 switch yet to explain to cities when they change to this new forum. He is asking about
32 the possibility to continue until we are formally approved by all the member cities. He
33 noted it would not be for a lengthy time. Mr. Cowie stated the mayor is finalizing the
34 liaison list to present on January 2nd. Councilmember Vanchiere also gave a reminder
35 that on Lindon City webpage you can make a request on the webpage instead of calling
36 which is the quickest most efficient way.

37
38 **Councilmember Magleby** – Councilmember Magleby reported it has been a privilege to
39 work with Heath Bateman and his staff on Lindon Days and he is grateful for them noting
40 it is in good hands and in conjunction with the 2024 centennial. He reported the Tree
41 Advisory Board met a month ago and he also mentioned board member names. There
42 have been great efforts from the community development department with the tree board
43 and he is grateful to serve in this capacity.

44
45 **Councilmember Powell** – Councilmember Powell reported the police dept. did a great
46 job hosting the Christmas party. She has also enjoyed working with Kelly Johnson over

2 the years noting she does a great job. The Youth Council had a recent meeting noting she
3 has enjoyed working with them and is thankful to the mayor for implementing this
4 program. She will continue at the senior center where she will continue on with cardio
5 drumming that is a lot of fun. She reported the educational grants are finished and 11
6 applicants have been approved. There are good projects for teachers in the community
7 and she is grateful for the opportunity to work on this project.

8
9 **Councilmember Broderick** – Councilmember Broderick asked Juan Garrido for an
10 update on the canal drive water line replacement. Mr. Garrido gave an update.

12 **Mayor Lundberg** – Mayor Lundberg gave kudos to Chief Brower and his department
13 for the great Christmas party. She also reported MAG approved increase in funding for
14 the Heritage Trail and agreement in working with the Union Pacific Railroad.

16 **Administrator's Report:** Mr. Cowie reported on the following items.

14 **CURRENT BUSINESS**

16 **8. Review & Action — Financial Audit Report for Fiscal Year 2023.**

18 Representatives from Gilbert & Stewart, CPA PC, and the Lindon City Finance
20 Department will present the city's annual financial audit report, included as part
of the Comprehensive Annual Financial Report (CAFR) for fiscal year ended
June 30, 2023.

22 Mayor Lundberg invited Kristen Colson Aaron, Lindon Finance Director and Ron
24 Stewart representing Gilbert & Stewart forward. Mr. Stewart addressed the Council at
this time. He noted state law requires that all general-purpose local governments publish
26 within six months of the close of each fiscal year a complete set of audited financial
statements presented in conformity with generally accepted accounting principles and
28 audited in accordance with generally accepted auditing standards by a firm or licensed
certified public accountants.

30 Mr. Stewart then gave his audit report. He stated they have audited the financial
32 statements of the governmental activities, business-type activities, each major fund, and
the aggregate remaining fund information of Lindon City, Utah, for the year ending June
34 30, 2023, which collectively comprise the City's basic financial statements. He stated in
their opinion, the financial statements present fairly, in all material respects, the
36 respective financial position of the governmental activities, business-type activities, each
major fund, and the aggregate remaining fund information of the City as of June 30,
2023, the respective changes in financial position, and, cash flows and the respective
budgetary comparison of the general and major special revenue funds for the year.

38 Mr. Stewart explained they conducted their audit in accordance with auditing
40 standards generally accepted in the United States. Their responsibilities under those
42 standards are further described in the Auditor's Responsibilities for the Audit of the
Financial Statements section of their report. They are required to be independent of
44 Lindon City and to meet their other ethical responsibilities, in accordance with the
relevant ethical requirements relating to our audit. They believe that the audit evidence
they have obtained is sufficient and appropriate to provide a basis for their audit opinions.

2 Mr. Stewart further explained it is their responsibility to express opinions on these
3 financial statements based on their audit. They also conducted their objectives to obtain
4 reasonable assurance about whether the financial statements as a whole are free from
5 material misstatement, whether due to fraud or error, and to issue an auditor's report that
6 includes their opinions. The risk of not detecting a material misstatement resulting from
7 fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
8 intentional omissions, misrepresentations, or the override of internal control.
9 Misstatements are considered material if there is a substantial likelihood that, individually
10 or in the aggregate, they would influence the judgment made by a reasonable user based
11 on the financial statements. In performing an audit in accordance with generally accepted
12 auditing standards and Government Auditing Standards, they do the following:

- 14 • Exercise professional judgment and maintain professional skepticism throughout
15 the audit.
- 16 • Identify and assess the risks of material misstatement of the financial statements,
17 whether due to fraud or error, and design and perform audit procedures responsive
18 to those risks. Such procedures include examining, on a test basis, evidence
19 regarding the amounts and disclosures in the financial statements.
- 20 • Obtain an understanding of internal control relevant to the audit in order to design
21 audit procedures that are appropriate in the circumstances, but not for the purpose
22 of expressing an opinion on the effectiveness of Lindon City's internal control.
23 Accordingly, no such opinion is expressed.
- 24 • Evaluate the appropriateness of accounting policies used and the reasonableness
25 of significant accounting estimates made by management, as well as evaluate the
26 overall presentation of the financial statements.
- 27 • Conclude whether, in our judgment, there are conditions or events, considered in
28 the aggregate, that raise substantial doubt about Lindon City's ability to continue
29 as a going concern for a reasonable period of time.

30 Mr. Stewart stated they are required to communicate the planned scope and
31 timing of the audit, significant audit findings, and certain internal control-related matters
32 that we identified during the audit. They do not express an opinion or provide any
33 assurance on the information because the limited procedures do not provide us with
34 sufficient evidence to express an opinion or provide any assurance.

35 Mr. Stewart stated their audit was conducted for the purpose of forming opinions
36 on the financial statements that collectively comprise the City's basic financial
37 statements. In their opinion, the combining statements and budgetary comparisons are
38 fairly stated in all material respects in relation to the basic financial statements as a
39 whole.

40 Mr. Stewart commented that management is responsible for the other information
41 included in the annual report. Their opinions on the basic financial statements do not
42 cover the other information, and they do not express an opinion on that. In connection
43 with their audit of the basic financial statements, their responsibility is to read the other
44 information and consider whether a material inconsistency exists between the other

2 information and the basic financial statements, or the other information otherwise appears
3 to be materially misstated.

4 Mr. Stewart stated the purpose of that report is to describe the scope of their
5 testing of internal control over financial reporting and compliance and the results of that
6 testing, and not to provide an opinion on internal control over financial reporting or on
7 compliance.

8 Following the audit presentation, the Mayor and Council thanked Mr. Stewart and
9 Ms. Colson Aaron for the information presented noting they appreciate their
10 professionalism and expertise with the audit.

11 Mayor Lundberg called for any further comments. Hearing none she called for a
12 motion.

13 COUNCILMEMBER MAGLBEY MOVED TO APPROVE THE FINANCIAL
14 AUDIT REPORT FOR FISCAL YEAR 2023 AS PRESENTED. COUNCILMEMBER
15 HOYT SECONDED THE MOTION. THE VOTE WAS RECORDED AS FOLLOWS:

18 COUNCILMEMBER BRODERICK AYE

21 THE MOTION CARRIED UNANIMOUSLY.

22 9. **Public Hearing — Ordinance Amendment, LCC 3.05 PARC Tax (Ordinance
23 #2023-25-O).** Given the approval and passage of the PARC Tax question in the
24 2023 municipal election, this is a City initiated action to update LCC Chapter 3.05
25 Parks, Arts, Recreation and Culture Tax, which will enact and levy a renewal of
26 the existing tax to finance cultural and recreational facilities and ongoing
27 operations, and to finance operations of cultural organizations within Lindon City
28 pursuant to U.C.A. § 59-12-1402.

29 COUNCILMEMBER BRODERICK MOVED TO OPEN THE PUBLIC
30 HEARING. COUNCILMEMBER POWELL SECONDED THE MOTION. ALL
31 PRESENT VOTED IN FAVOR. THE MOTION CARRIED.

32 Mr. Cowie presented this item noting on December 18, 2023 the Lindon City
33 Council enacted a renewal of the 0.1% increase to the sales and use tax to fund arts and
34 recreational facilities as statutorily permitted in Utah Code. This tax in Lindon City is
35 referred to as the PARC tax (Parks, Arts, Recreation, and Culture). This tax will remain
36 in place for a period of 10-years, expiring on March 31, 2034 unless renewed by the
37 Lindon voters and City Council.

38 Mr. Cowie explained we now need to give notice to the Utah State Tax
39 Commission that Lindon City has enacted the renewal of the sales and use tax (PARC
40 tax), which will be effective April 1, 2024 at the rate of 0.1%. This tax will remain valid
41 for a ten-year period until March 31, 2024.

2 Mr. Cowie noted the Council adopted a resolution submitting an opinion
3 question to the residents of Lindon City as to whether or not the City should be
4 authorized to renew the existing PARC tax and impose a 0.1% (one tenth of one percent)
5 sales and use tax for the purpose of financing cultural and recreational facilities and
6 ongoing operations, and to finance ongoing operations of cultural organizations within
7 Lindon City. This tax would remain in place for a period of ten years.

8 Mr. Cowie stated this authorizes the City to enact the PARC tax. Following the
9 election canvass, the Council determined that 76.22% of the citizens of Lindon City who
10 voted in the general election held on November 21, 2023 favored enactment of the PARC
11 tax, and was canvassed and certified by the Lindon City Board of Canvassers on
12 December 5, 2023. This action requires that this ordinance enacting the PARC tax be
13 approved by the City Council.

14 Following some general discussion, the Council was in agreement to approve
15 Ordinance Amendment #2023-25-O as presented by staff.

16 Mayor Lundberg called for any further public comments. Hearing none she called
17 for a motion to close the public hearing.

18 COUNCILMEMBER BRODERICK MOVED TO CLOSE THE PUBLIC
19 HEARING. COUNCILMEMBER MAGLEBY SECONDED THE MOTION. ALL
20 PRESENT VOTED IN FAVOR. THE MOTION CARRIED.

22 Following general discussion, Mayor Lundberg called for any further comments.
23 Hearing none she called for a motion.

26 COUNCILMEMBER POWELL MOVED TO APPROVE ORDINANCE #2023-
27 25-O UPDATING LCC CHAPTER 3.05 PARKS, ARTS, RECREATION AND
28 CULTURE TAX AS PRESENTED. COUNCILMEMBER BRODERICK SECONDED
29 THE MOTION. THE VOTE WAS RECORDED AS FOLLOWS:

THE MOTION CARRIED UNANIMOUSLY.	

36 **10. Public Hearing — (Continued from October 16, 2023) Ordinance #2023-17-O;** Recommendation from the Planning Commission to the Lindon City Council
37 for an amendment to Lindon City Code 17.02, 17.80, and the Standard Land Use
38 Table to define, allow, and adopt regulations for short-term rentals within Lindon
39 City.

42 COUNCILMEMBER POWELL MOVED TO OPEN THE PUBLIC HEARING.
43 COUNCILMEMBER MAGLEBY SECONDED THE MOTION. ALL PRESENT
44 VOTED IN FAVOR. THE MOTION CARRIED.

2 Mr. Mike Florence led this item stating at the October 16, 2023 city council
3 meeting the council asked city staff to review options regarding fire department
4 requirements as well as owner occupied vs. non-owner occupied short-term rental
provisions.

6 Mr. Florence then went over owner vs. non-owner-occupied unit regulations. He
7 noted City staff reviewed several regulations that provided different requirements for
8 owner vs. non-owner-occupied units as listed below. He noted staff did not include any of
9 these proposals in the draft ordinance, but these can be discussed and added to the
10 ordinance if desired:

- Ogden City: non-owner-occupied units can only be located in multi-family zones.
12 Owner-occupied units can go in an R1 zone.
- Torrey Utah: No limit on the number of owner-occupied units but caps the
14 number of current non-owner-occupied units at the time of adoption of their short-
term rental ordinance. Baltimore, MA, Littleton, CO have a very similar
16 ordinance.
- Some cities limit the number of nights a non-owner-occupied unit may be rented.
18 Ninety days seems to be a common allowance for some larger communities
20 outside of Utah. This would be difficult for the city to manage and would be more
of a trust item for the city.
- Gilpin Colorado, they have a three-tiered system of owner-occupied, county
22 resident, and not county resident. No limit on owner-occupied units. County
24 residents are limited to two non-owner-occupied short-term rentals. Non-county
residents are limited to one short-term rental. There is a 5% cap of the housing
stock that can be used as short-term rentals for Tier 2 and Tier 3 owners.\
- At a future date the city council could also consider adopting a higher business
26 license fee for non-owner-occupied short-term rentals. The city is in the process
28 of studying its business license fees and those will be presented early next year to
the city council.

30 Mr. Florence also discussed Fire Department Regulations noting City staff added
32 the following fire regulations/inspections requirements to the draft short-term rental
ordinance:

- Each short-term rental shall have an initial inspection by the fire department prior
34 to approval of a business license and an annual inspection as part of the business
36 license renewal.
- Each short-term rental shall have a fire extinguisher on each floor. Additional fire
38 extinguishers may be required by the fire department for homes with larger square
footage.
- Other requirements such as fire suppression systems, occupancy restrictions, exit
40 lighting and other fire related code requirements shall be evaluated by the City at
42 the time a business license is submitted with accompanying documents as found
in section two.

44 Mr. Florence also presented other additions to the ordinance as follows:

2 • Use of an Accessory Dwelling Unit as a Short-Term Rental shall only be allowed
4 when the primary dwelling is owner occupied.
6 • Enforcement, penalties and appeals shall follow the procedures as found in Title 5
8 – Business Licensing and Regulations.

10 Mr. Florence then presented the draft ordinance followed by some general
12 discussion. Mayor Lundberg called for any public comments at this time.

14 Lincoln Jacobs spoke at this time. He asked why we are just distinguishing
16 between cul-de-sacs and not on through streets. He stated he has heard concern with there
