Opening & Welcome - Heidi Prokop

- Board Roll Call - *Emilie Starr*

Emilie noted that we have a quorum.

- Chairs Report | Comments *Heidi Prokop*

Heidi reported that this meeting will be short. She said she hopes the board saw the email announcing Jill Love's departure from the Department of Culture and Community Engagement. She shared her thoughts about Jill's excellent leadership and that the division staff will honor Jill during their December retreat.

Heidi reminded the board about the strategic planning retreat next week.

II - 1:10 40 minutes	<p><u>Investment/Grant Approvals</u> - Heidi Prokop</p> <p>General Operating Support Grant Revision</p> <p>Vicki shared that we were asked to revise the General Operating Support recommendations due to legislation that prevents us from moving money in a line item from one agency to another. This legislation includes state heritage parks. We are hoping that this does not negatively impact these state heritage parks and that we can find some other avenue to support them. We also found out that organizations who receive line items from the legislature through state funding cannot receive grants. The good news is with these additional funds back into our budget we are able to keep organizations at the same level of funding they received the last two years. The groups highlighted in green on the attachment are new to UA&M's grant process and funding by the division. Because of this change we have a bit of money left in the budget, so we've decided to hold that funding back for now until after the session. Then we will decide how to award it.</p> <p>Caitlin Gochmour made the motion to approve the updated recommendation, Lisa Arnett seconded the motion. The motion passed unanimously through roll call vote.</p>
V- 1:50 5 minutes	<p><u>Next Board Meeting</u> - Heidi Prokop</p> <p>Board Meeting: In person 10.12.2023</p> <p><u>Schedule for FY24 Board Meetings</u></p>
VI 1:55	<p>Adjourn - Amy Jorgensen</p>
