Jan Lloyd was upset about the noticing of the hearing. She felt that not enough households were aware of the hearing.

She stated that when she spoke to her neighbors about the hearing that they were not aware of the hearing.

Mayor Jackson advised her that the hearing had been posted at the City Hall, Post Office, and Credit Union. It had also been noticed on the City Website and the Utah Public Website. Barbara Bowles, City Recorder, noted that the PH had been noticed since November 20, 2023, which is required by State Law. Jan Lloyd suggested that maybe next time the notice could be sent in the city bill.

Tom Lloyd asked about the handout from CVSSD. Mayor Jackson explained. Mayor Jackson also explained that when they received their tax notice for their homes that they did not have a line item for CVSSD. That homes within city limits did. That is what prompted the increase.

Jan Lloyd felt that this was excessive and that as "City Officials", the Mayor and Council shouldn't allow this. That the City Officials were there to protect the citizens, and she felt that they were not doing their job.

Mayor Jackson invited all citizens to attend the County meeting and CVSSD meetings. That all meetings were opened to the public. That they also could go to these meetings and express their concerns and objections.

Council Member Stotler sympathized with the concerns of the Lloyd's but also felt that it was only fair the county residents should pay their fair share. Council Member Petersen and Council Member Mead agreed.
