AGENDA ITEMS V - 1
DECISION PAPER

TO: Mayor and City Council

FROM: Paul Bittmenn

DATE: June 2, 2014

SUBJECT: Appeal from a staff decision denying a claim

DISCUSSION:

Mr. and Mrs. Larson own a home at own a home located at 2127 North Buckboard Drive. On March 3, 2014, they filed a claim for damage done to their home on December 30, 2013. This is the description of the incident from their claim, "City was working on the neighborhood water main and caused the water pressure to the house to increase by three times the normal amount. The house did not have a pressure reducing valve, unlike the newer constructed homes which now require it. The increased pressure blew out the P&T valve of the water heater causing the basement to flood".

Staff reviewed the incident and denied the claim. The following is from the letter sent to Mr. and Mrs. Larson, "the City has its water transmission facilities on a routine maintenance schedule, including the portion of the transmission lines that malfunctioned on or about December 30, 2014. As soon as the City found out about the malfunction the City made the necessary repairs. It is our understanding that your residence is not equipped with a pressure reduction valve that would have protected your property from such an incident. The City is denying liability for the damage done to your home".

The total amount claimed is \$1,325.00. This amount represents payment for the Larson's deductible and the cost of the cost to install a pressure reduction valve. There is documentation of a claim through State Farm where there is a total amount of claim if incurred, depreciation included, is \$3,847.54. We have not received a subrogation demand from State Farm, but please keep this in mind when you consider the claim. State Farm would have until December 30, 2014, to file the Subrogation notice.

Mr. and Mrs. Larson would like to appeal staff's decision to the City Council. That is the purpose of the item on the agenda. Representatives of the Water Department have been made aware of the appeal so they can come to the council meeting. Please listen to the appeal and determine what, if any action the Council would like to direct staff to take. If you would like more information please ask.

CITY COUNCIL AGENDA ITEM 4
STAFF INFORMATION SHEET**

To: Mayor and City Council

From: Jonathan Stathis

Council Meeting Date: June 4, 2014

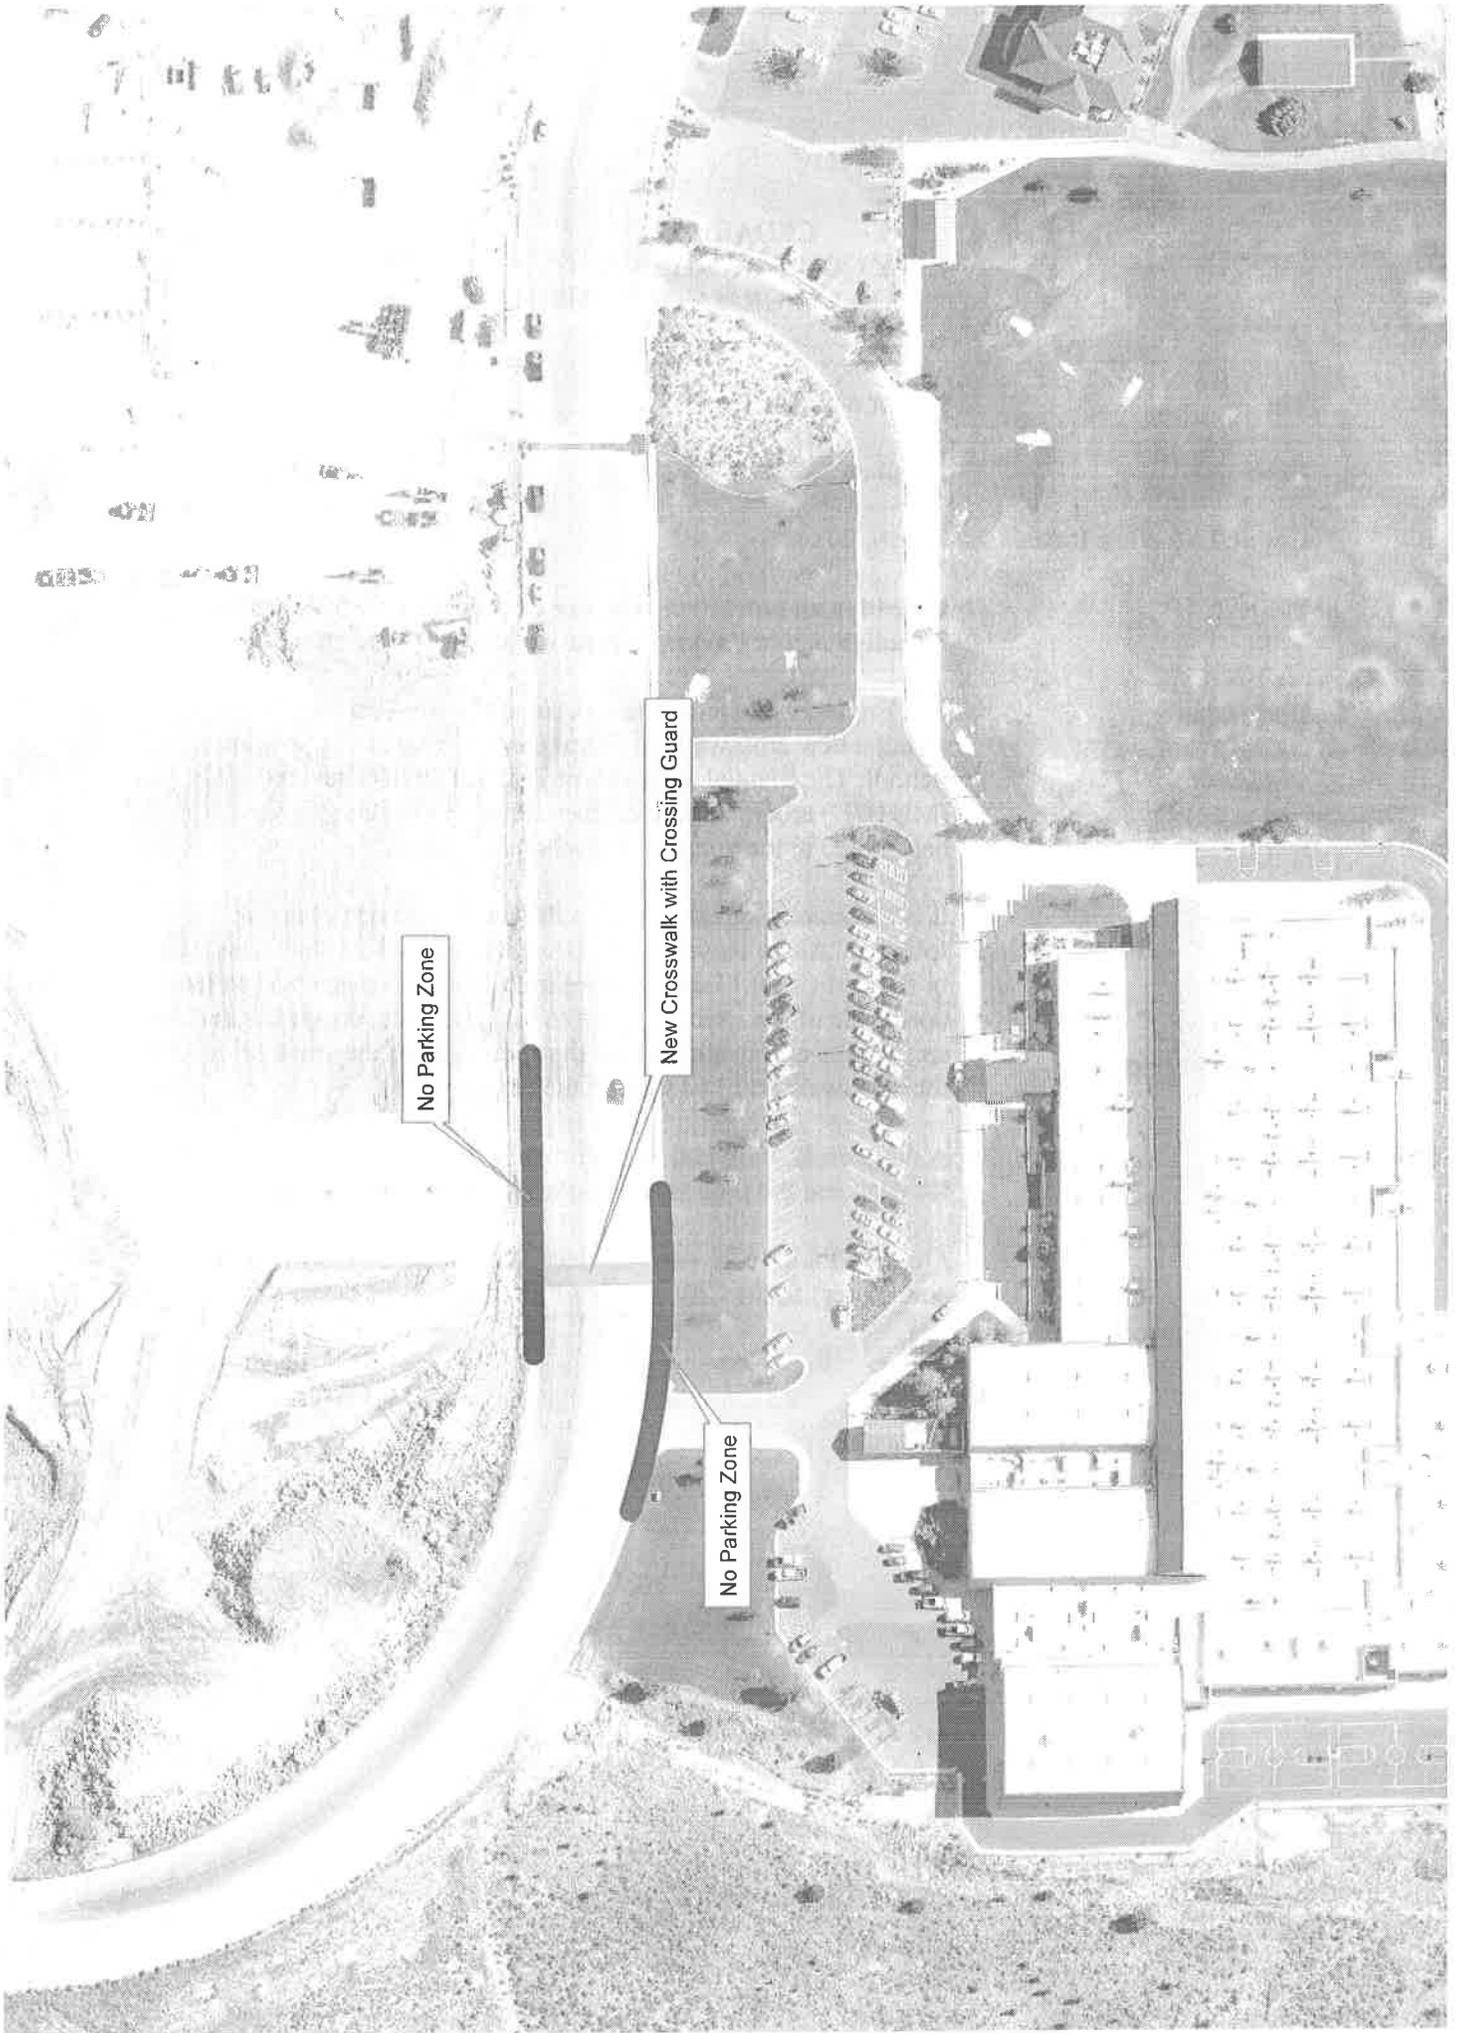

Subject: **Consider an amendment to the City Traffic Ordinance to establish a “No Parking” zone on Royal Hunte Drive.**

Discussion: The Engineering Department is currently working on a project to install a new crosswalk on Royal Hunte Drive at Cedar Middle School. The Manual on Uniform Traffic Control Devices (MUTCD) recommends that there be a “No Parking” zone designated in the vicinity of a school crosswalk.

It is recommended that the “No Parking” zone be defined as follows: “Along Royal Hunte Drive extending from the crosswalk in front of Cedar Middle School in the following manner: on the north side of the street 150 feet to the east of the crosswalk and 50 west of the crosswalk; and on the south side of the street 50 east of the crosswalk and 150 west of the crosswalk.”

A diagram is shown on the following page of the new crosswalk location and the proposed “No Parking” zones.

The “No Parking” zones will need to be designated by making an amendment to the City Traffic Ordinance.

CEDAR CITY ORDINANCE NO. _____

AN ORDINANCE AMENDING CHAPTER 35, SECTION 10 OF THE ORDINANCE OF CEDAR CITY, UTAH, RELATED TO PARKING RESTRICTIONS.

WHEREAS, Cedar City has adopted Chapter 35, Section 10 of the ordinance of Cedar City, Utah, and said provisions contain specific parking restrictions; and

WHEREAS, in cooperation with the Iron County School District City staff has proposed moving the crosswalk in front of Cedar Middle School; and

WHEREAS, the proposed location for the crosswalk is in an area adjacent to a curve and a prohibiting parking in an area adjacent to the crosswalk would provide preserve visibility for the traveling public and those using the crosswalk; and

WHEREAS, the City Council finds that it is in the best interests of the health, safety, and general welfare of the citizens of Cedar City to establish the no parking zone as contained herein.

NOW THEREFORE BE IT ORDAINED by the City Council of Cedar City, State of Utah that Chapter 35, Section 10 of the ordinance of Cedar City, Utah, is hereby amended to include the below underlined text and exclude all crossed out text, and that said amendment shall become effective upon posting of appropriate signs and markings so as to give notice of the no parking zone:

SECTION 35-10. Parking Restrictions.

- (1) The parking restrictions contained herein shall be marked with upright signs complying with standards set forth in the Uniform Manual on Traffic Control Devices and where appropriate painting the curb in a color as designated in the Uniform Manual on Traffic Control Devices.
- (2) No parking shall be allowed in the following areas:
 - A. from 1000 West to Interstate 15 Freeway on the north side of 200 North in Cedar City, Utah; and
 - B. sixteen feet south of the 200 North right of way on the West side of 100 West; and
 - C. along 4050 West extending from the crosswalk in front of Iron Springs Elementary in the following manner: on the east side of the street 85 feet to the south of the crosswalk and 50 feet north of the crosswalk; and on the west side of the street 50 feet south of the crosswalk and 85 feet north of the crosswalk.
 - D. on the north side of 1045 North Street extending east 56 feet from the point of curvature of the east curb return on the intersection of Country Side Terrace Drive (250 West).
 - E. an approximate 16 foot long area on the north side of Center Street at approximately 46 West, the center of which is located 179 feet west of the

- southeast corner of lot 1, Block 36, Plat B, Cedar City Town Survey.
- F. the south side of 200 North from Main Street to 100 East.
- G. the south side of College Avenue from 100 West to 300 West.
- H. along Royal Hunte Drive extending from the crosswalk in front of Cedar Middle School in the following manner: on the north side of the street 150 feet to the east of the crosswalk and 50 feet west of the crosswalk; and on the south side of the street 50 feet east of the crosswalk and 150 feet west of the crosswalk.

- (3) The following areas shall have the following restrictions on parking, stopping, and standing:
- A. on the east side of the street in front of the County office building located at 82 North and 100 East fifteen (15) minute parking only.
 - B. student pick up and drop off only between 8:30 a.m. and 4 p.m. along 400 South adjacent to South Elementary.

AMENDED BY CEDAR CITY ORDINANCE NO. 0112-11, 0209-11, 1023-13, ~~and~~ 12-11-13, and _____.

NOW BE IT FURTHER ORDAINED by the City Council of Cedar City, State of Utah that City staff is authorized to make such non substantive changes to the format and table of contents of Chapter 35 as are reasonably necessary to facilitate this amendment.

This ordinance, Cedar City Ordinance No. _____, shall become effective immediately upon passage and publication as required by State Law.

COST REIMBURSEMENT AGREEMENT

THIS COST REIMBURSEMENT AGREEMENT (this “**Agreement**”) is made effective as of the ____ day of _____, 2014 (the “**Effective Date**”) by and between Cedar City Corporation, a Utah municipal corporation (the “**City**”); and Enterprise Solar, LLC, a Delaware limited liability company (the “**Developer**”), with respect to the following:

RECITALS:

A. Developer has leased certain real property located in Iron County, Utah for the purpose of constructing and operating a commercial solar energy generation facility (a “**Solar Energy Facility**”).

B. The Iron County Community Development and Renewal Agency (the “**Agency**”) requested that the City prepare a draft Community Development Project Area Plan for the Solar Energy Facility in conformance with the requirements of Utah Code Annotated 17C-4-101 et seq. (the “**Act**”).

C. The draft Community Development Project Area Plan (a “**Project Area Plan**”) will be for one Solar Energy Facility located within unincorporated Iron County.

D. The Agency has determined that the proposed project area meets the criteria for creation of a Community Development Area (the “**CDA**”) pursuant to the Act. The area offers the opportunity to encourage renewable energy development in Iron County that will attract private capital investment, contribute to the tax base and otherwise contribute to the economic vitality and prosperity of the community.

E. Creation of the CDA will allow Developer to construct and operate its Solar Energy Facility.

F. Creation of the CDA will require legal services not available from current City staffing and Developer has agreed to reimburse necessary and reasonable costs and legal expenses associated with creation of the CDA.

G. The purpose of this Agreement is to provide for the reimbursement for legal service costs and expenses incurred by the City in association with the creation of the CDA.

AGREEMENT:

NOW THEREFORE, in consideration of mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. **Reimbursable Costs and Expenses.** Reimbursable costs (“**Costs**”) are those charges or fees for legal services that are solely related to the creation of the CDA incurred by the City as further described on Exhibit A attached hereto and made a part hereof. The City will coordinate with Developer in advance to avoid unnecessary duplication of Costs. These costs include the hourly rates billed by third-party legal service providers hired by the City, as further

addressed below, to assist in creating the CDA. The City estimates the total amount of Costs to be reimbursed by Developer will not exceed \$7,500.00. In the event that the total amount of Costs to be reimbursed by Developer approaches \$7,500.00, the City will notify Developer and the parties will endeavor to negotiate an amended agreement before the City incurs any further Costs which exceed \$7,500.00. The City may incur out-of-pocket expenses (“**Expenses**”) such as copying, postage, travel expenses, public notices and similar out-of-pocket expenses for which Developer is responsible.

2. **Initial Deposit.** Developer agrees to make an initial, advance deposit payment of \$3,750.00 (the “**Deposit**”) to the City, to be placed in a dedicated account established and maintained by the City for payment of the reimbursable Costs and Expenses. If, prior to completion of the project, the balance in this account falls below \$1,000.00, Developer agrees to deposit further funds into the account within thirty (30) days of notification by the City, in sufficient amount to bring the total amount in the account back to at least \$2,500.00 provided that nothing here shall require Developer to deposit in the aggregate any amounts in excess of \$7,500.00. Any balance remaining in said account at the termination of this Agreement, after all Costs and Expenses have been satisfied, shall be refunded to Developer. Developer may direct the City to draw down the Deposit in payment of the final invoice(s) for work under this Agreement. The City agrees to provide Developer with copies of a detailed general ledger showing all deposits and payments associated with the account.

3. **Payment of Invoices; Dispute.** The City will provide Developer with detailed invoices for all reimbursable Costs and Expenses. The City may draw from the Deposit to reimburse itself for Costs if payment is not received within thirty (30) days of billing. If Developer objects to an invoice on the basis that the work performed was not within the scope of work or costs established in accordance with this Agreement or was incorrectly calculated, Developer agrees to promptly provide the City with a statement of the basis of its objection, including the amount in dispute. The parties shall cooperate in good faith to resolve the dispute.

4. **Termination.** Developer’s obligation to reimburse the City shall terminate upon the earlier of (a) Developer’s request, in writing, that the City cease further work under this Agreement; or (b) the Agency approving the CDAs (the “**Completion Date**”); provided, however, that Developer shall remain obligated to reimburse the City for reimbursable Costs and Expenses incurred up to the Completion Date.

5. **Severability.** If any provision of this Agreement or the application of any provision of this Agreement to a particular situation is held by a court of competent jurisdiction to be invalid, void, or unenforceable, such provision shall be disregarded and this Agreement shall continue in force and effect unless enforcement of this Agreement without the invalidated provision would be unreasonable or grossly inequitable under all the circumstances or would frustrate the purposes of this Agreement.

6. **Construction.** This Agreement has been reviewed and revised by legal counsel for both the City and Developer, and no presumption or rule that ambiguities shall be construed against the drafting party shall apply to the interpretation or enforcement of this Agreement.

7. **Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of Utah. The parties agree that venue for any action regarding the Agreement shall be in the 5th Judicial District Court in and for Iron County.

8. **Assignment.** This Agreement shall bind all successors and assigns to Developer.

9. **Duty to Act Reasonably and in Good Faith.** Unless otherwise expressly provided, each party shall act reasonably in implementing this Agreement. The City and Developer agrees that each of them shall at all times act in good faith so as not to frustrate the purpose and intent of this Agreement.

10. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement (cost reimbursement). This Agreement is specifically intended by the parties to supersede all prior agreements, whether written or oral, related to the subject matter of this Agreement which may exist between the City and Developer.

11. **Notices.** All notices under this Agreement shall be, unless otherwise authorized herein, in writing and given personally or by registered or certified mail (return receipt requested). If given by registered or certified mail, a communication shall be deemed to have been given and received on actual receipt by the addressee. Notices may also be sent by electronic mail provided such notice is also sent by U.S. Mail, postage prepaid. If personally delivered, it shall be deemed to have been given when delivered to the party to whom it is addressed. Any party may designate any other address in substitution of the address contained herein by like written notice. Communications shall be given to the parties at their addresses set forth below:

(Scope of Work)

Brennan,

I talked to Bryan from First Wind this morning and he gave me some basic details about the new project. We can do our part for a not-to-exceed amount of \$7500 that will cover getting the project area set up, including plans, ordinances, resolutions, hearing(s), etc., and through the first drafts of the interlocal agreements and the participation agreement with First Wind. We can start as soon as you give the go-ahead.

City Council
AGENDA ITEMS 7 AND 8
INFORMATION SHEET

TO: City Council

FROM: Economic Development, Danny Stewart

DATE: May 2, 2014

SUBJECT: Dispose of Cedar City owned property per Ordinance Chapter 26-VIII-9.

DISCUSSION: Ordinance Chapter 26–VIII-9 it states: No City owned, improved or unimproved real property shall be sold until the City Council shall have referred the proposition to sell such land to the Planning Commission for its review and recommendations, which shall be returned to the City Council within thirty (30) days. A public hearing shall then be held thereon after notice of such hearing has been published in a newspaper of general circulation in the City at least five (5) days prior to the date set for the hearing.

Agenda item #7 - The first project is a retail project adjacent to the Providence Center. Quantum Development has talked with several retailers who are interested to locate a new mid-size facility between Walmart and Home Depot. In order to build the size of facility that these businesses have in mind, the current site would require an additional 0.648 acres of city owned property. Approval for the disposal of this property will be a key factor in negotiations with interested retail companies.

Agenda item #8 - Project Duck is a data center interested in 3 to 6 acres east of the Cedar City Airport Terminal. The City originally developed this area as part of the 48-acre Airport Industrial Park Phase III. Phase III was developed to create land for economic growth and job creation. Project Duck would require a large capital investment and would create quality jobs for the residents of Cedar City.

These proposals have already gone through project review and the Planning Commission. These groups both recommend that the city dispose of this property for the reasons explained.

For Economic Development opportunities, I would like the support of the City Council to dispose of these city owned properties.

TO: Mayor and Council

FROM: Kit Wareham

DATE: June 4, 2014

SUBJECT: Consider Lease of City Property for Gravel Mining at Approximately 1950 North Bulldog Road

DISCUSSION: In April the Planning Commission gave a positive recommendation to lease a maximum of approximately 20 acres of City Property for gravel mining at 1950 North Bulldog Road as shown on the attached drawing. The City has entered into 2 other similar leases in the same area. One lease is with Western Rock and the other lease is with Schmidt Construction. Currently there are 2 parties that are interested in leasing the subject property. Both Rock Ridge Landscaping, partnered with Precision Excavating, and Western Rock have expressed interest.

With the interest of the multiple parties to lease the property the City process for the lease would be similar to that of the disposal of City Property. The first step in the process would be for the City Council to decide if they want to lease out the property and if so how much, or what part of the property you would want to lease out. The next step would be to send out a request for bids or proposals to lease the property and to select the lessor based on their bid and/or proposal. The last step in the process would be to enter into an agreement with the Lessor that would define all the details of the lease such as price, term, material measurement, slopes and depths of excavation, reclamation, City use of pit material, protection or relocation of existing utilities, fencing, easements, etc., etc.

Attached is the agreement with Schmidt Construction that gives you an idea of some of the required provisions if an agreement was entered into on the proposed lease. The previous leases provided the City a substantial amount of revenue with a rate of \$0.45 per cubic yard of mined material. Those leases are at least 8 years old and a current least rate of at least \$0.55 per cubic yard could now be justified.

Also attached are the minutes from the Planning Commission who also provide some recommendation should the City Council decide to lease this subject property.

MINING RIGHTS LEASE

This agreement is entered into and becomes effective on the 25th day of July, 2006, between Cedar City Corporation, a Utah municipal corporation, herein referred to as "CITY"; and Schmidt Construction, Inc., a Utah corporation, herein referred to as "SCHMIDT".

WHEREAS, CITY owns 9.85 acres of real property located east of the Cedar City Regional Airport, and south of SCHMIDT's existing mining operation, more particularly described as follows, to wit:

BEG AT PT ON E-W1/4 SEC LN SEC 3, T36S, R11W, SLM; S89*24'46"W 1767.67 FT FR CTR 1/4 COR OF SD SEC 3; S89*24'46"W ALG 1/4 SEC LN 593.97 FT TO E'LY LN OF AIRPORT RD; N1*13'46"W ALG E'LY LN OF AIRPORT RD 726.14 FT; S88*53'45"E 602.37 FT; S0*35'14"E 708.31 FT TO POB. SUBJ TO 20 FT UTIL EASE ALG W SIDE OF SD PROP ADJ TO E'LY LN OF AIRPORT RD.

WHEREAS, CITY approved the disposal of the gravel mining rights on the property, and after an open and public bidding process, CITY awarded the gravel mining rights to SCHMIDT; and

WHEREAS, CITY has a continuing interest in the management and storage of run off water; and

WHEREAS, the airport protection zones limit the height of structures or improvements that may be located on the above property; and

WHEREAS, SCHMIDT owns property directly to the north, south and east of the above property where they would be able to store mined material.

NOW THEREFORE the CITY and SCHMIDT agree to the following, to wit:

1. This agreement shall remain in effect for twenty (20) years from the

effective date listed above, or until SCHMIDT has removed one million two hundred and sixty three thousand six hundred and sixty seven (1,263,667) cubic yards of material from the site, whichever comes first. Any extension of the length of this agreement must be agreed upon by both parties and reduced to writing.

2. SCHMIDT shall have the right to mine an amount not to exceed one million two hundred and sixty three thousand six hundred and sixty six seven (1,263,667 cu/yds) cubic yards of gravel, dirt, and sand from the site. CITY reserves all rights to any all other surface or subsurface materials, gases, or liquids.

A. For purposes of this agreement "gravel" means an unconsolidated mixture of pebbles or rock fragments, and excludes any remarkable mineral such as coal, iron, copper, gold, silver, and the like, as well as any liquid or gaseous substance or deposit on the property.

B. For purposes of this agreement "dirt" means loose earth or soil, and excludes all other remarkable minerals, all liquids, and all substances in a gaseous state.

C. For purposes of this agreement "sand" means a substance consisting of fine particles of eroded rocks, and excludes all other remarkable minerals, all liquids, and all substances in a gaseous state.

3. Prior to beginning mining operations SCHMIDT shall, at SCHMIDT's

sole expense, clear all brush, debris, grass, etc... from the property.

Thereafter, SCHMIDT shall contract with a civil engineering and surveying company of their choice to establish the base topography of the property. During this first survey SCHMIDT shall establish a grade for airport road. Thereafter, SCHMIDT shall have the property re-surveyed every five (5) years, and submit a report to the City Engineer as to how much material has been mined.

4. SCHMIDT shall be allowed to mine gravel, dirt, and sand from the entire property excluding a thirty (30) foot setback from the established right-of-way line for airport road. SCHMIDT shall maintain a 2:1 slope on west side of the property. On the south, east and north sides of the property, SCHMIDT shall be able to mine the entire property without slope.
5. Along the west property line, SCHMIDT shall install a six foot tall chain link fence with slats to obscure the pit from traffic along airport road.
6. Throughout the entire property, SCHMIDT shall continue with SCHMIDT's current daily dust control procedures.
7. For every thirty (30) feet of depth excavated from the property, SCHMIDT shall apply hydro-seed along the exposed south and west banks of the property.
8. Recognizing that SCHMIDT owns the land to the south, east, and north of this parcel, CITY and SCHMIDT shall work in good faith to establish a reclamation plan for the CITY site and the surrounding parcels owned by SCHMIDT so that when mining is complete there is a use for the property.

9. SCHMIDT shall pay to CITY forty five cents (\$0.45) per cubic yard of material removed from the property. Payment shall be as follows:
 - A. As of the effective date of this agreement, SCHMIDT shall pay CITY the sum of one hundred and twenty five thousand dollars (\$125,000.00), and a like sum on the yearly anniversary date of this agreement in 2007, 2008, and 2009, SCHMIDT shall receive credit for these payments at the rate of forty five cents per cubic yard. After the credit is used, SCHMIDT shall pay to CITY the sum forty five cents per cubic yards of material mined from the property. The price per cubic yard of material shall not change during the term of the lease.
10. In cases of a dispute, attorney fees and costs shall be awarded to the winning party.
11. Upon the completion of either the time period stated herein, or the excavation of the quantity of materials stated herein, SCHMIDT shall have thirty (30) days to remove all equipment from the property, and thereafter shall have no rights to enter the property. At all times CITY shall maintain ownership of the property.
12. Until all of SCHMIDT's equipment and property is removed from the property, SCHMIDT shall indemnify and hold harmless Cedar City, its elected and appointed officials, its employees, agents and assigns from any and all damage caused during SCHMIDT's use of the property. To that end, SCHMIDT shall maintain all workers compensation insurance as may

be required by the State or Utah. SCHMIDT shall maintain liability insurance in the minimum of one million dollars (\$1,000,000.00) per individual and four million dollars (\$4,000,000.00) per incident. CITY shall be named an additional insured on SCHMIDT's liability insurance policy. Failure to maintain the above stated insurance, or name CITY as an additional insured, shall constitute a breach of this agreement.

13. SCHMIDT shall not use the property for storage of materials that exceed the established grade of airport road.
14. The parties stipulate that the proper jurisdiction over this property is the district court for the State of Utah. The parties further stipulate that venue is only appropriate in the fifth judicial district in and for Iron County.
15. This agreement constitutes the entire agreement between the parties. No prior representations, promises, or agreements shall be binding.
16. This agreement shall be amendable only by written document that shall reference this agreement and state with specificity the amendments thereto.
17. Both parties stipulate that the proper procedure has been followed to grant authority to enter this agreement, and agree to be bound by the terms and conditions herein. By affixing signatures hereto, the parties waive any defense based on not following proper internal procedures.

Vance pointed out that the developers have made these changes due to the concerns of the neighbors in past meetings. This will change the zoning and also the line between the zones to match the lots better.

Fred moved to give a positive recommendation to the City Council for this zone change, seconded by Mike and the vote was unanimous.

**3- Lease of City Property
(Recommendation)**

**South of Old Sewer
Treatment Plant**

**Blake DeMille &
Landon Floyd**

Blake DeMille presented, he said that they are proposing to lease some land from the City along Bulldog Road. He pointed out on the map the areas of the 6.9 acres and the 13 acres. There is a sewer line and also a waterline that run diagonally through this land that are both live and being used. They are interested in the 13 acres for a gravel pit. It has been used in the past and has had some mining activity. The surrounding area to the west and east are also gravel pits. They would want to mine the 13 acres site and leave the 6.9 front site as that is prime along the roadway and the City may want to do something else there.

Fred wondered how far away from those sewer and waterlines they would need to stay. Kit said that was quite a ways, they need to bring down that 1 to 1 slope, and be about 50' from those lines. Blake pointed out the only one on the sewer line was the paint shop to the south.

Fred asked why this comes before the Planning Commission (PC). Kit said anytime the City is selling or leasing property, it goes to the Planning Commission. Paul said it then would go on to the City council for approval. All the PC need do is say if they think that letting the City lease this out was a good idea or not.

Blake said they would want a lease of 5 years, then after that, the first right of refusal. They would assess things at that point. If they wanted to continue, they would need to move those utility lines.

Vance said this would need to be different from other City leases. Also, he wondered why the City did not use this as a gravel pit. Kit said the entire area is gravel pits. The City has never used it, but in discussions, they would like a provision in this lease that the City can also mine material out of it.

Fred pointed out that the City probably does not have the equipment that this private firm would. Kit also said that the City has used other material from other areas, but this area is better material. Blake said they have discussed the City use of material with Kit.

Fred wondered how deep the sediment goes. Kit thought about 6-8 feet. Blake pointed out that Western Rock hit the water table as that area shows up on the map now with water there. Blake also said they would only need to go about 15' deep when Western Rock was maybe 30' deep when they hit the water.

Fred pointed out that at this point, if they decide to lease it out, then the highest bidder would get to use that land.

Paul said that staff has discussed this with them, when they lease the gravel pit they would need to abide by slopes, keep away from those utility lines, and do some sort of reclamation after the mining is done. If the PC wanted to stipulate any of these things, they would need to bring that up now as part of the lease agreement package.

Blake said that is why they changed this and left the 6.9 acre parcel out as that would be prime

real estate land.

Fred wondered about the borrow pit that was used for Wal-Mart. That now makes a good place for 4-wheelers to play. Maybe this could become something like that when they are done. Blake talked about using the area for a water recharge pit and the airport always talks about birds in the area. Kit said the major recharge for water is in the airport boundary now. Fred wondered if the structures at the old sewer plant were still standing. Yes. And Kit said that is potential property that the city can use. They are currently looking to relocate the dog pound and may use this area.

Fred asked how this type of lease would work. Paul said they calculated the lease on how much material was taken out. When they begin they topo the site, then once per year they topo it again and calculate the amount of material that was taken, and that is what the lease is based on. Fred pointed out that this spot has been excavated to some degree. Kit said that the 13 acre space has been, the other on the other side of those utility lines has not.

Blake said after the 5 year lease, the City could decide if they want to continue the lease, and if they move to the front piece, those lines would need to be moved. This area is all zoned I&M-2.

Kit said they would also want to retain a portion of the frontage along bulldog so they can eventually have that master planned road a 66' width.

Western Rock has leased from the City about 30 acres.

Vance asked what has the City learned from gravel pit leasing before. Kit said they have learned that they want to use some of this material on City projects. That is where this lease would come in and allow that. Vance asked what percentage of this property the City would want for that. Kit said it would all depend upon the slopes. They would need sloping, not straight vertical edges. Also, it was mentioned that Blake only wants the 13 acres to mine, some others might want the entire thing. They need to consider the entire area for this lease.

Vance said if they include all this, the frontage may have other uses that would be better. Blake said there is already a shelf there dividing the land.

Fred agreed that the undisturbed area along the road may have greater uses than for gravel removal.

Blake brought up a concept of green waste facility. They would take trees, grind them and use that rather than just land fill it all back up.

Vance wondered if the PC generally felt comfortable with this concept. If the city has no plans there, and if it would be acceptable for the City to consider leasing with some elements pointed out.

They talked about side slopes, the setbacks from sewer and water line, having the City get access to the gravel there also, etc.

Kit said if the City had a certain project, they know about how many yard of material they would need. He would want the leasee to just show them a place that they would agree the City could take material from. They would need to topo it up font, topo again when the City were done then deduct that amount off what the lease would pay the City.

Jill asked just what a Topo was. It was explained as the topographical lay of the land. They can survey it, then survey it all again, and calculate just how many cubic yards of material were

taken out.

Blake pointed out that with other agreements the City has they do this on an annual basis. Vance pointed out then, it would not be that hard to let the City use it from time to time. They can just credit that back to the lease payment.

The terms of reclamation were talked about. Blake said they would get it all designed, have the 2 to 1 slope, so there were no cliffs, and after their 5 years they could hydro seed that per the BLM specs. As they excavate it they could also do the grooming. Paul asked about how to approach that, would they want it seeded, or use for water reclamation. Primarily, they would want the gravel, then after 5 years would need to leave the land groomed.

Fred pointed out it would need to be reclaimed to some standard. They would be comfortable with the State standards. That would be slopes, and they could decide if they wanted vegetation or not. Different methods of regeneration were talked about.

Vance would like to tie it all together. He feels it is a great idea, they have talked about reclamation, not concerned now with knowing who will get this bid. Overall, he wondered if the City should require bonding in order to assure that reclamation would take place after the lease were up. Paul said he would need to look, but was not sure they required any bonds on these leases.

Fred moved to give a positive recommendation to Council to lease this land for gravel mining, with the provisions that they keep the proper slopes, the setbacks from the utility lines, and do some State standard reclamation once the lease is up. Also, that the City can have access under mutually agreeable terms to use the gravel pit and to look at a bond for the reclamation if necessary. Seconded by Rich and the vote was unanimous.

**4- Road Dedication
Street Widening
(Recommendation)**

**Gilbert Property
Industrial Rd near Airport Rd.**

Gilbert / City

Kit said this was mostly City initiated. The yellow strip on the map shows the area that was dedicated last. The little green sliver was Mr. Gilberts. He wanted to complete his curb, gutter and sidewalk at the same time, so was agreeable to letting this piece be dedicated for the Street. Kit also said this will be a 66' wide road when they can get the other side from the railroad. As others develop along this road, it will all eventually get dedicated and all will line up with the old coke plant further east on Industrial Road.

Vance wondered if the City had talked with the other property owners to get their portion of the road. Kit said when Mr. Lunt was still alive, it was discussed, but he only wanted to farm his land. Eventually as others develop they will get the road width.

Rich moved to send a positive recommendation to the City Council on this road dedication, seconded by Kent and the vote was unanimous.

The meeting adjourned at 5:50 p.m.

CEDAR CITY COUNCIL
AGENDA ITEM 10

INFORMATION SHEET

TO: Mayor and City Council

FROM: Rick Holman

DATE: May 31, 2014

SUBJECT: Interlocal Agreement for Reverse 911 System

DISCUSSION: For years Iron County Emergency Management has had a reverse 911 system that allows messages to be sent to telephone customers. The intent has been to use this system to notify residents and businesses of any emergency and give appropriate instructions. The system has been difficult, at best, to use. The City has been contributing approximately \$9,000/year to the County system.

The County Emergency Management staff has researched and found a more reliable and user friendly system they would like to implement – the Everbridge Mass Notification System. From the City’s perspective, this system would be much better than the old system, primarily because the City will be able to use the system at our discretion rather than going through the County.

The Everbridge System allows for customized notification, either geographically, work groups or specific customers. Attached is a summary of the possible uses for the System. This technology could assist in a number of areas.

Landline telephones will be part of the system. The City would request that non-landline citizens allow their cell numbers to be added to the System for notification. This would be voluntary.

The price for the System is \$15,150/year and is guaranteed for the next five years. The proportionate cost to each entity is based on the number of households. Cedar City’s portion of the cost will be just over \$9,000. The agreement allows any entity to terminate at any time.

Staff recommends the Council authorize the Mayor to sign the agreement allowing the City to use this emergency notification system.

**INTER-LOCAL AGREEMENT FOR USE AND OPERATION
OF THE IRON COUNTY EVERBRIDGE
MASS NOTIFICATION SYSTEM**

This Inter-local Agreement ("Agreement") is made and entered into this ____ day of _____ 2014, by and between Iron County (hereinafter referred to as "County"), a political subdivision of the State of Utah, Cedar City, Enoch City, Parowan City, Paragonah Town, Kanarrville Town and Brian Head Town, municipal corporations of the State of Utah (hereinafter referred to as "Entities").

WITNESSETH:

WHEREAS, County and Entities desire to protect the health, safety, and general welfare of their residents; and

WHEREAS, Emergency notification systems have been successfully used throughout the United States to notify residents of potentially life threatening emergencies, thereby preventing death and serious injury; and

WHEREAS, County and Entities can significantly lower the costs of obtaining an emergency notification system through a joint purchase; and

WHEREAS, Everbridge Mass Notification System has successfully been used in a number of different locations throughout the United States to notify residents of potentially life threatening emergencies, thereby preventing death and serious injuries; and

WHEREAS, Everbridge Mass Notification System provides a service superior to the more expensive system currently used by County and Entities.

NOW THEREFORE, in consideration of the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE I

DEFINITIONS

- 1) **ACT** means Inter-Local Cooperation Act, Utah Code Annotated, Section 11-13-101 et. seq. (1953 as amended).
- 2) **BILLING PERIOD** means a yearly period commencing July 1 through June 30 of the following year for the system's initial set-up and annual renewal fees.
- 3) **FISCAL YEAR** means a period of 12 consecutive months commencing on July 1st of each year during the term of this Agreement, and ending on June 30th of the succeeding year.
- 4) **OPERATION AND MAINTENANCE EXPENSES** means all expenses reasonably incurred with the operation and improvement of the System including, but not limited to, software updates, additional training, and all other expenses which under generally accepted accounting practices are properly allocated to operation and improvement of the System, but only such expenses as are reasonable and necessary to the efficient operation and improvement of the System shall be included.
- 5) **POPULATION HOUSEHOLDS**, for each municipality to this agreement, means the following based on the 2010 Census:

• Brian Head	40
• Cedar City	9,583
• Enoch	1,503
• Iron County	3007
• Kanarrville	141
• Paragonah	180
• Parowan	1,043
Total	15,497
- 6) **SERVICE AREA** means the unincorporated areas of Iron County and the unincorporated areas of Brian Head Town, Cedar City, Enoch City, Paragonah Town, Parowan City, and Kanarrville Town.

ARTICLE II

PURPOSE AND TERM OF AGREEMENT

- 1) Purpose. The purpose of this Agreement is to: (i) provide for the availability of a emergency notification system (ii) define responsibilities of the parties (iii) designating the administrators of this joint cooperative undertaking, and (iv) describing the operation, maintenance and extension of the System.
- 2) Agreement Term. The parties agree to be bound by this agreement from June 1, 2014 until June 1, 2015. This agreement will be perpetually extended for four (4) additional years.
- 3) Termination. A party may terminate its obligations under the agreement by notifying the legislative body of each party to this agreement. This notification must be received by April 1 prior to the next billing period.
- 4) Partial or Complete Termination. A party which elects to terminate their obligations under this agreement as described above, relinquishes any claim or right to use the System.

ARTICLE III

EXPENSES, ALLOCATION, AND OWNERSHIP OF THE SYSTEM

- 1) System Expense. The total cost to obtain the System is \$15,150.00 beginning June 1, 2014, with a one year contract period.
- 2) Annual Expenses. The annual cost of \$15,150.00 is guaranteed by Everbridge Mass Notification Systems for an additional 4 years beginning June 1, 2015. Each party will pay annually for their cost share of the system.
- 3) Cost Allocation. The allocation of costs and expenses associated with the System is based upon, and proportionate to, the number of households within each party's jurisdiction according to the 2010 census. (Each party pays the annual cost divided by population total multiplied by the party's population household) If a party terminates its obligations under the system, the household cost will be recalculated.
 - a. Iron County Emergency Management will calculate the costs of the System and determine cost allocation each billing cycle. Invoices detailing each party's financial responsibility will be mailed to the legislative body of each party. Each party will make payment to the Iron County Auditor's office within 30 days after

the invoice is mailed. Iron County Emergency Management will provide payment to Everbridge Mass Notification.

- 4) Unpaid Balances. Any unpaid balances will result in a \$15.00 late fee and 10% for any unpaid balance for each 30 day period the balance is unpaid.

ARTICLE IV

OPERATION AND MAINTENANCE OF THE SYSTEM

- 1) SYSTEM REPRESENTATIVES. Each Party to the agreement will designate an individual as an Everbridge System Representative (Representative). Each representative is authorized to appoint System Administrators to initiate the use of the System. Each System Administrator is authorized to initiate the use of the System for the geographic boundary of the party for whom they represent.
- 2) Compliance with Laws. All parties shall comply with applicable Federal, State and local laws. If such reasonable effort has been made, but not withstanding, there is a penalty or requirement imposed by any authorized government authority, the penalty or cost of compliance shall be considered a part of the operation and maintenance expense of the System to be paid by each party to the agreement by the according to the cost allocation provision above.
- 3) Hold Harmless. Notwithstanding the foregoing, County and Entities shall not be liable in damages for any failure of the System, unless it can be shown that the loss or damage resulted from the gross negligence or intentional wrongful act of County and/or Entities or their agents or employees.

ARTICLE V

MISCELLANEOUS PROVISIONS

- 1) Joint Cooperation. County and Entities hereby agree to cooperate with each other consistent with this agreement.

- 2) Authorized Agreement. Each party hereby represents and warrants that its Governing Body has taken all action required by law to approve this Agreement and to authorize execution of this Agreement on behalf of that party.
- 3) No Party Beneficiaries. This Agreement is entered into by the parties solely for the benefit of the parties hereto. No obligation, benefit or rights are intended to be created or are created in any third party by the execution hereof.
- 4) Miscellaneous. This Agreement shall be governed by and construed under the laws of the State of Utah, including but not limited to the Act. Iron County shall be responsible for ascertaining and overseeing compliance by the System with all government requirements. This Agreement may be amended from time to time by mutual written agreement between the Parties, provided it does not invalidate or adversely affect the operation or use of the System. If any provision of this Agreement is determined by a court of competent jurisdiction to be void, voidable or unenforceable, the validity and enforceability of the remaining provisions of this Agreement shall not be affected thereby. No Party may assign its rights or duties under this Agreement without prior written consent of the other Parties.

IN WITNESS WHEREOF, this Agreement is duly made and executed in behalf of _____, by an individual so authorized
