Discussion and possible approval of a contract with Blue Ivy Professional Services

Mayor Leatherwood and Recorder Belnap met with Tim Johnson from Blue Ivy to discuss current HR needs Centerfield has. Mr Johnson has given Centerfield a bid for 16 hours a month at a discounted rate of \$1600 per month. With the needs Centerfield has it is anticipated to take anywhere from 6 months to a year to complete. Centerfield would like to update their policies and procedures manual, as well as get an employee handbook. After these projects are completed, Blue Ivy can be used as an on call service as needs arise.

Councilman Christensen made a motion to accept the bid from Blue Ivy. Seconded by Councilman Stewart. Carries 4-0.

Unfinished Business/Report of Council Members

Mayor Leatherwood-

Mayor Leatherwood is excited about the way the back yard looks. Thanks to Jonah for getting it cleaned up.

Mayor Leatherwood spoke with Garrick Willden from Jones & Demille, the secondary meter project is on hold at the moment, due to the software company Smart Earth Technologies going out of business. Due to all of this the question was brought up wondering if Centerfield needs to get out of the contract with P&L. P&L sent over a quote of what they would need to walk away, and it was ridiculous. Mayor Leatherwood is going to have Centerfield's legal counsel go over the contract and the quote.

Gunnison Irrigation Company is putting in electric gates and meters, and needs to install a 30'-40' antenna. Gunnison Irrigation Company will need to go to p&z and see what the ordinance is and if a building permit is needed.

Thank you to both Jackie and Jaden for their service to Centerfield City.

Jackie Huff-

Councilwoman Huff would like the flags changed out at the cemetery. Also wondering if the trailer letters have been sent out? Mayor Leatherwood is going to put an article in the paper explaining what is going on and letters will be sent out the first of the year.

Jaden Sorenson-

Councilman Sorenson is wondering about the subdivision ordinance updates with the curbing and sidewalks. Councilman Hansen was going to get with Mike Hansen to get the changes made. Councilman Sorenson wanted to remind everyone to continue to follow up with the Kirk Hansen issue.

Ryan Stewart-

Councilman Stewart got with Cade Penney from Six Counties, with the timing, Centerfield wouldn't be able to get on the TAP funding for this year. Where it is year to year, Cade suggested jumping on the application early on in the new year.

Councilman Sorenson made a motion to adjourn the meeting. Seconded by Councilwoman Huff. Carries 4-0. Meeting adjourned at 5:26 PM.
