Heather Lester – Trying to make sure that the budgets are well explained and kept and when transfers are made between accounts that they are explained.

Faith Gutowski – Suggests seeing what we have in the budget and then making sure that the expenditures make sense. Wondering why certain groups are receiving discounts and other groups are not, because the Agency is in a bind. If the pool is to be kept open, then we charge more.

Chad Saunders 44 Country Club - Recommends that we live within our means and not to give sports teams a discount.

Motion to adjourn public comment made by Randall Hinton and seconded by Cassandra Arnell

Board Discussion and Possible Approval of 2024 Budget

John Wright speaks about how we cut back on staff, purchases, and we have begun charging sports teams for the use of our sports fields. This budget has been worked on since August. Cassandra Arnell speaks on the Stansbury recreation budget and how it has been worked on for months and the finance committee has put a lot of hours into it. She feels as if this is a responsible budget that has been proposed. The recreation service area budget that we are voting on tonight simply moves the funds that the recreation service area has received is being voted to move the funds to the service agency budget.
