

UTAH STATE BOARD OF EDUCATION

Subject:

ACTION: More Rigorous Interventions for Low Performance Comprehensive Support and Improvement (CSI) schools

Agenda item type:

Action Item

Recommended Action:

That the Board approves the More Rigorous Intervention (MRI) recommendations of the state review panel for the Hillsdale Elementary, Granite School District.

Background:

The Utah Consolidated Plan (ESSA) directs the USBE to identify a More Rigorous Interventions plan as outlined in R270-920 for schools that do not exit Comprehensive Support and Improvement. Hillsdale Elementary School did not successfully meet CSI exit criteria in 2023.
