

## UTAH STATE BOARD OF EDUCATION

**Subject:**

ACTION: Approve Small School District Capital Projects Fund Panel Recommendations

**Agenda item type:**

Action Item

**Recommended Action:**

That the Board approve the panel's recommendations.

**Background:**

HB475 from the 2022 General Session created the Small School District Capital Projects Fund. A panel consisting of USBE's Superintendent, Deputy Superintendent of Operations, two USBE staff members, and two appointees of the Governor has collected and reviewed applications from LEAs who qualify under the limitations of HB475. Board rule states that projects over \$2 million be approved by the Board. Staff recommends that the panel's recommendations be approved by the Board.
