## Epilepsy and Everyday Life

**Join Disability:IN Utah as we welcome Margo Thurman, Executive Director (retired), and Jessica Veach, Epilepsy Foundation of Utah**

Learn about the prevalence and types of seizures that affect individuals in the workplace. 1 in 26 of us will have a seizure at some point during our lives. Virtual Lunch and Learn event. Business partners, community partners, counselors and individuals with disabilities welcome. We will share the importance of training and education to provide a better understanding of working with someone with epilepsy. Email [leahlobato@utah.gov](mailto:leahlobato@utah.gov) with questions or accommodation requests.
