Summit County Code

2-2-2: ESTABLISHED:

A Summit County heritage and landmark commission is hereby established in the county as follows:

A. Membership; Appointment; Vacancy; Removal: The commission shall consist of at least five (5) members, but no more than nine (9) members, each of whom has demonstrated interest, competence or knowledge in historic preservation. Commissioners shall be appointed by the county manager with the advice and consent of the county council to serve terms of three (3) years. Each commissioner may serve a maximum of three (3) terms. In the event that a vacancy shall occur during the term of any commissioners, a successor shall be appointed for the unexpired portion of the term by the county manager. Commissioners shall not be considered employees or officers of the county based on their membership on the commission. However, nothing in this section precludes an employee or officer of the county from serving as a member of the commission. The county manager may remove any member of the commission, at any time, without cause.

B. Professional Members: To the extent available in the community, two (2) commissioners shall be "professionals", as defined by national park service regulations, from disciplines of history, archaeology, planning, architecture or architectural history.

C. Meetings: The commission shall meet at least twice each year and conduct business in compliance with the Utah open public meeting law, including public notification of meeting places, times and agenda items.

D. Minutes: Written minutes of each commission meeting shall be prepared, preserved and made available for public inspection.

E. Attendance: Each commissioner shall be responsible for attending all scheduled meetings of the commission. Should circumstances arise where a commissioner is unable to attend a scheduled meeting, the commissioner shall be responsible for notifying the chair, the director of community development, or his/her designee, as soon as possible. Commissioners who fail to attend three (3) regular meetings of the commission within any consecutive three (3) month period may, at the discretion of the manager, be removed from the commission.

F. Quorum: The attendance of a majority of commissioners shall constitute a quorum. All official acts of the commission shall be by majority vote of those then present.

G. Compensation: Commissioners shall serve without compensation.

H. Officers: The commission shall elect from its members a chair, a vice chair, and a secretary annually.

I. Conduct Of Business: The commission shall conduct its business according to bylaws, which the county council shall adopt, with the commission meeting as needed to act on the business of the commission. (Ord. 749-A, 12-15-2010)
