**BACKGROUND DISCUSSION:**

Utah state law requires the annual property tax levy to be set before June 22 of each year. As of the time of preparation of this document, the City has not received the certified tax information from Salt Lake County. The City traditionally receives the certified tax rate information from Salt Lake County in the June 10-15 timeframe and also traditionally sets its property tax rate at a rate not to exceed the rate that is determined by Salt Lake County.
