Recommendation

The TSSD Logo Sub-committee (LSC) recommends the board to select the proposed logo in Exhibit A.

If chosen by TSSD Control Board (TSSDCB), a cost of \$90 payment to the graphist is requested to acquire the files. The LSC suggests allocating the additional budget required, amounting to \$90 one-time fees, from the miscellaneous expense category.

Executive Summary

The LSC undertook the responsibility to contract out a graphist to propose a few logos to the TSSDCB for approval. A TSSD logo is needed on legal documents.
