9. Action Items:

a. Approval of Tentative Budget 2014-2015

Wayne discussed the budget with Council Members and highlighted the following. What the State suggests is the proper method with Class B&C road funds is to put that balance into the budget. The Town received notification from the State indicating that we should not generate in the B&C road funds and also in our General Fund Operating surplus too large of a balance. This puts it into the budget so we are in a position to spend the money through the course of a year.

We have received the CLG grant and have until June 30, 2015 to make the expenditures. The Town will have to fund the full amount but can get a \$10,000 reimbursement. It is in the budget as revenue as well as a budget of \$5,000.00 which is the target of the Historical

Committee. The Historical Committee will be actively involved with raising those funds. Wayne indicated he is hopeful that the Town will be successful in spending the \$20,000 and have the \$10,000 reimbursed to the Town through the National Park Service from the Grant. If the tentative budget is approved tonight, it will be uploaded to the website and will proceed to the Public Hearing on June 11, 2014.

Joe Allen made a motion to approve the 2014-2015 tentative budget. 2nd by Angela Rohr. All voted "Aye". Motion passed in a Roll Call Vote.

<u>Description</u>	<u>Qty</u>	<u>Price</u>	<u>Total</u>

Concrete Pad 4x8x10	2	\$600.00	\$1,200.00
		TOTAL	<u>\$3772.60</u>

Wayne asked for Council to consider approval of \$3772.60; however, we could spend less once we have established where we are with the park impact fee money.

Ron Cundick asked how much money we have to spend. Bob Goldsberry the Clerk Recorder responded, we receive \$1,300.00 per impact fee. Ron asked do we have to spend at least the \$1,300.00. Wayne responded yes, there is only one impact fee that is due to expire and discussed further with Council members.
