## **Determination to Hold Meeting Without an Anchor Location**

Public Body:

Security Services Licensing Board

Chair Name:

Nicholas Blanchette

*Nicholas Blanchette*

02/06/2024

Public Meeting date or date range:

February 08,2024

The public meeting(s) scheduled for the date(s) above will be conducted electronically and without an anchor location. I have determined meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location.

**This determination was based on the following facts/information:**

Due to many active cases of COVID-19 on-site, it has been determined that holding an electronic meeting is necessary to reduce the substantial risk to the health or safety of those who would otherwise be present at the anchor location.
