Meeting Date: February 8, 2024

Subject: State Office of Homeless Services and Utah Impact Partnership - Deeply Affordable Housing Fund

Submitted by: Office of Homeless Services

STAFF RECOMMENDATIONS

The Office of Homeless Services (OHS) is seeking approval to amend Deeply Affordable Housing Fund (DAHF) contracts to reciprocally fund projects in coordination with Utah Impact Partnership.

SUMMARY

The State Homelessness Coordinator and Utah Impact Partnership members are involved in discussions regarding the use of state and private funding for deeply affordable housing projects. If the Utah Impact Partnership agrees to utilize match dollars identified for some deeply affordable housing projects previously awarded through the OHS DAHF, it will simultaneously enable OHS to utilize state funding for additional projects funded jointly with the Utah Impact Partnership.
