## 12-1-030 Declaration Of Purpose

The Town of Alta finds that the enforcement of its Municipal Code and applicable state codes throughout the Town is an important public service. Code enforcement and nuisance abatement are vital to the protection of the public's health, safety, and quality of life. The Council recognizes that enforcement starts with the drafting of precise regulations that can be effectively applied in civil code enforcement hearings and judicial proceedings. The Council further finds that a comprehensive code enforcement system that uses a combination of criminal, civil, and administrative remedies is critical to gain compliance with these regulations in a manner that is fair and equitable to the Town of Alta and its occupants. Failure to comply with a civil code enforcement action may require the Town Attorney to file a judicial action to gain compliance.

## 12-1-040 Scope

The provisions of this Title do not invalidate any other title or ordinance but shall be read in conjunction with those titles and ordinances as an additional remedy available for the enforcement of those ordinances together with any and all other applicable laws. If there is a conflict between this Title and another provision of the Town Code, this Title shall control.

## 12-1-060 Criminal Prosecution Right

The Town of Alta has sole discretion in deciding whether to file a civil or criminal case for the violation of any of its ordinances. The enactment of the administrative remedies set forth in this Title shall in no way interfere with the Town of Alta's right to prosecute ordinance violations as criminal offenses in a court of law. The Town of Alta may use any of the remedies available under

the law in both civil and criminal prosecution. If the Town of Alta chooses to file both civil and criminal charges for the same day of a violation, no civil fines may be assessed, but all other remedies will be available.
