

Overall Plan

- The plan is to highlight four trails, each one over a period of a month.
- Newsletter highlight/announcement
- First Saturday I'll be there with a table and snacks/information.
 - Anyone else is welcome to come help.
 - Hoping to get someone from Parks who will be doing this with me as a collaboration between our committees.
- Possible prizes to the winners on last Saturday or the next month's events
- Miles will be tracked on Strava app and I'll make challenges/groups for residents to join

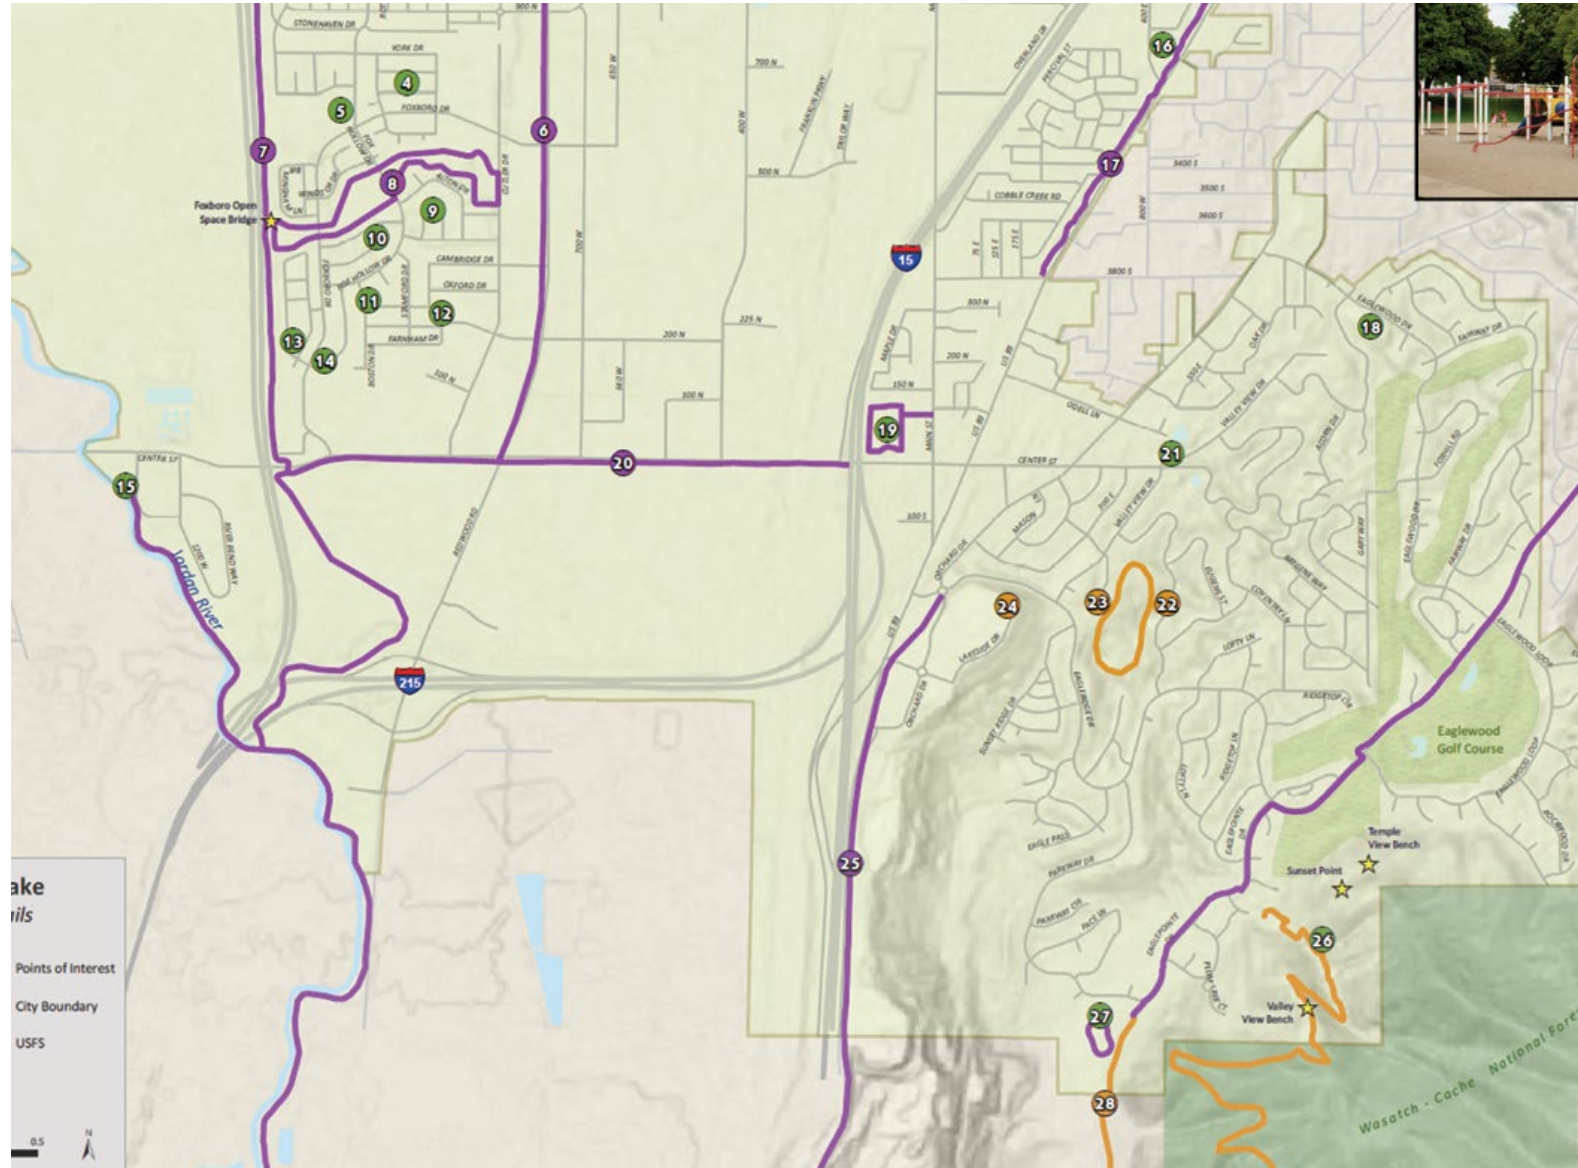

Purpose

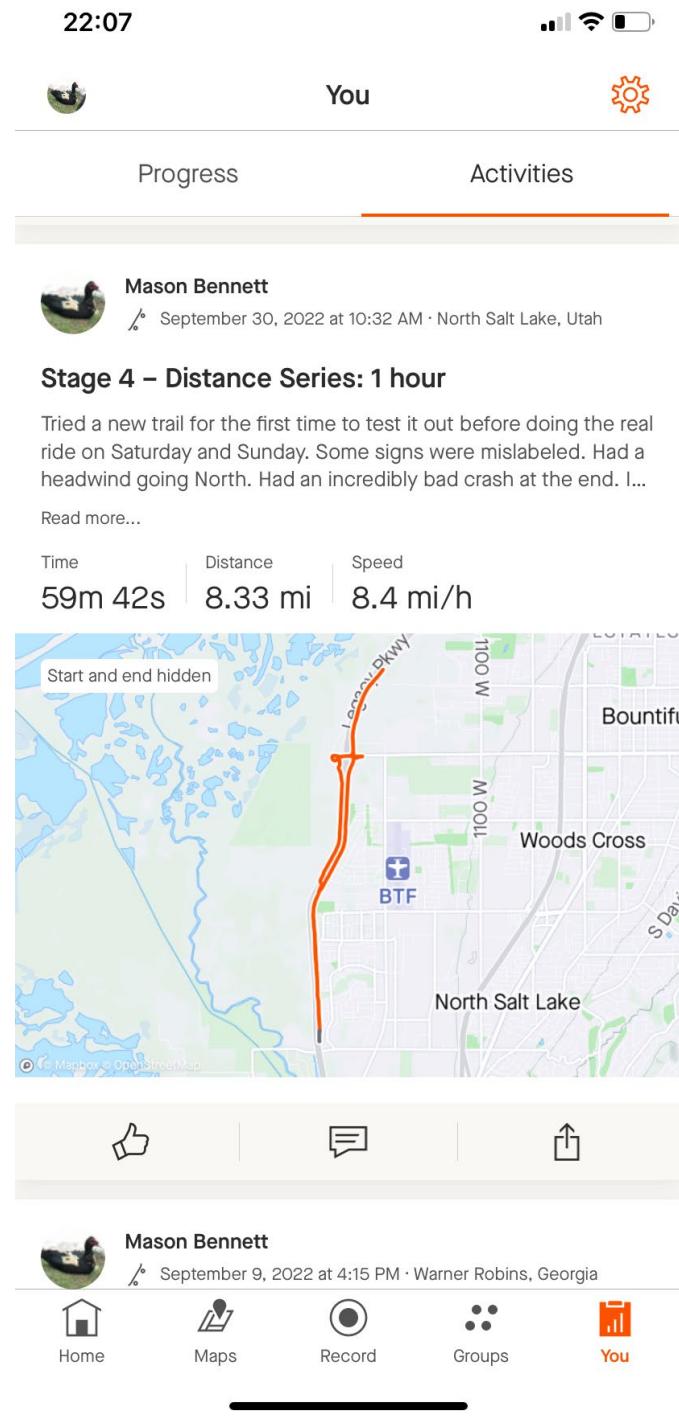

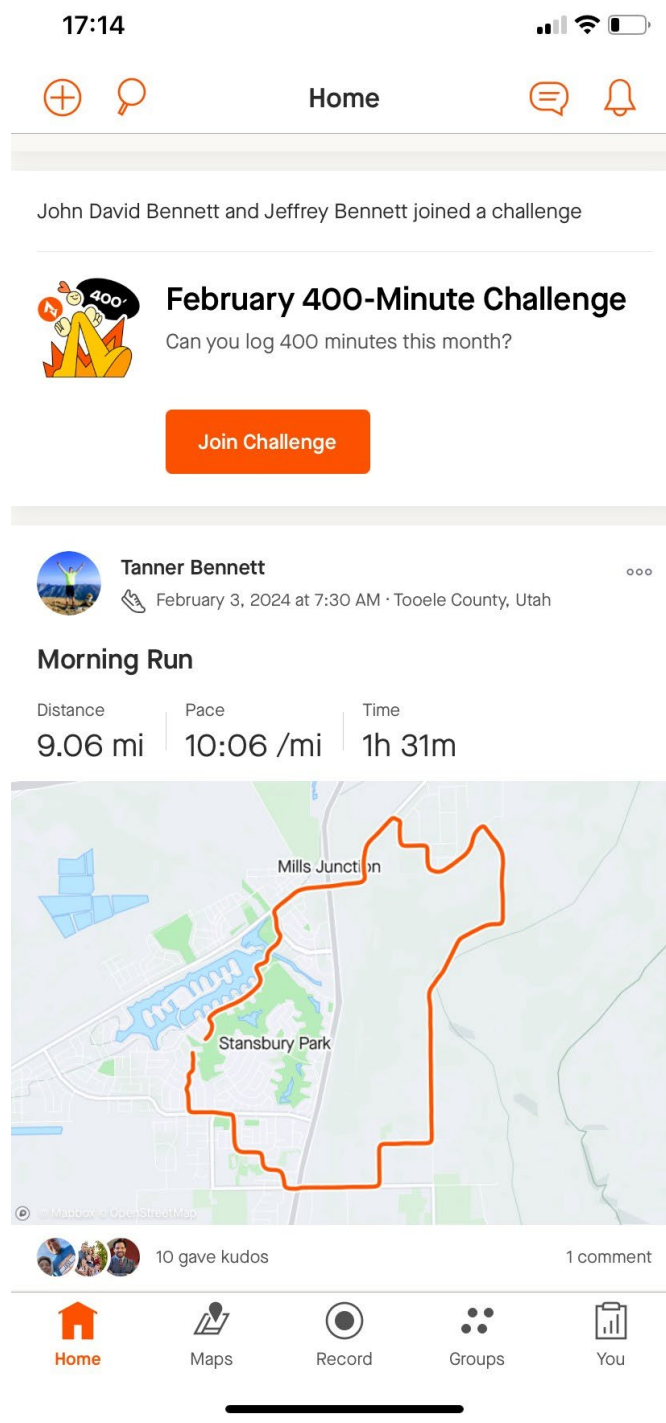

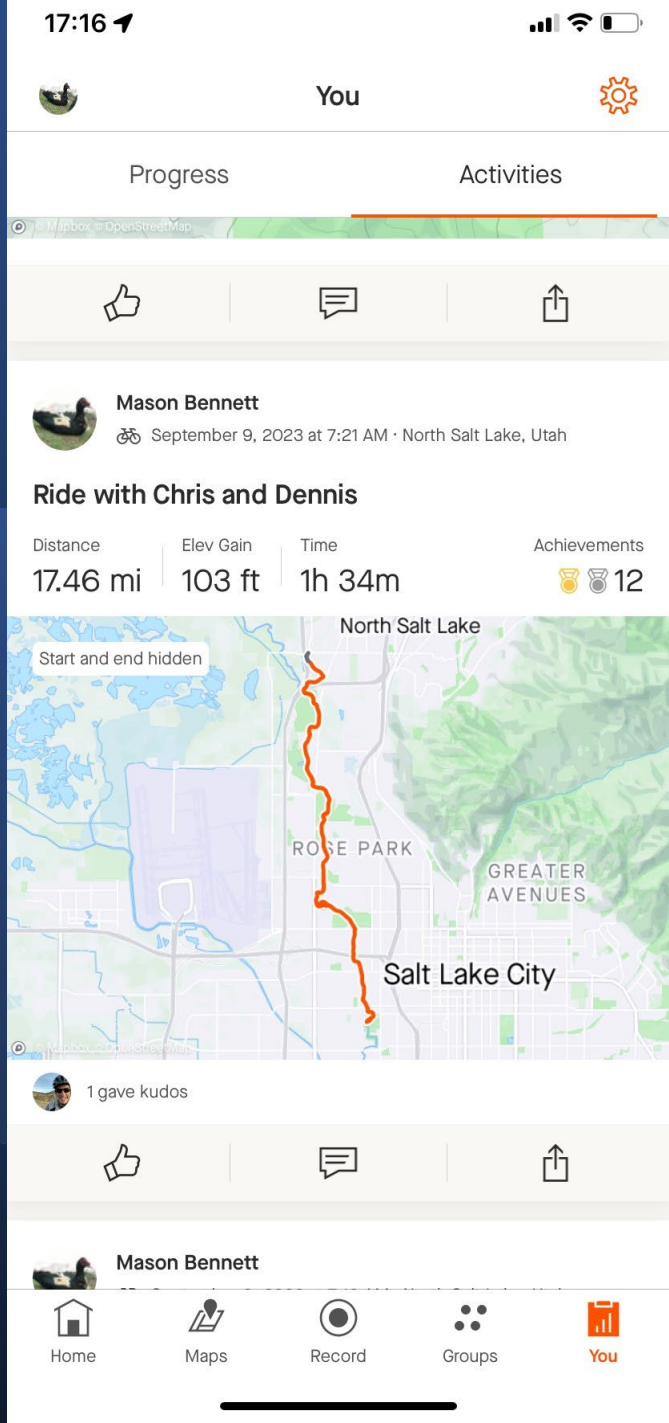

- We want people exercising and recreating
 - Get people out in the city enjoying the facilities
 - Help build a sense of community
