David Johnson. Members are the eyes and ears, that's the role. No haggling but to encourage landowners to fill out the application. The link to the application is on the open space website. It's extensive. It's everything we need to evaluate a piece of property in a separate meeting.

*Example: If a member finds a piece of property. Send Derrick Sorensen the document in an email. Phone call is okay but follow up with an email. Invite the landowner out. Establish a good rapport. The board discussed what the proper procedure would be to notify the county when a piece of property is available.

Any real-estate transaction with the County we would use a 6-month thought process. It isn't a quick process and takes time to process.

Updates to the existing bylaws—David Johnson suggests an agenda item to fully discuss those edits that board members would like to edit.

4:28 **REGIONAL TRAILS MASTER PLAN** – Angelo Calacino - [RTMP](#)

The board voted to move the agenda item to next month due to lack of time.

4:55 **LOOKING AHEAD:** The next meeting is scheduled for February 15, 2024, and No March Meeting is scheduled at this time.

A discussion was had about bonds, purchasing, and developing land. The board also discussed cancelling meetings.

5:00 **ADJOURN - Action Item:** Advisory Committee Vote Required - adjourn approval.

Kael Weston motioned to adjourn; Deborah seconded the motion.
