Department of Corrections Utah Correctional Industries

- Quality Statement
 - Building quality lives through products and services that meet customer expectations
- Mission
 - As a team, UCI provides public safety and reduces recidivism by offering opportunities for offenders to make successful choices. Utah Correctional Industries is a self-supporting division of the Department of Corrections that contributes to public safety by reducing inmate recidivism by providing inmates meaningful jobs in a real world setting with an opportunity to learn job skills, obtain work ethics, and make lasting changes.
- Vision
 - UCI is a high performing organization that utilizes a quality management system to ensure continuous improvement to build quality products and improve offenders' lives. Through collaboration, effective communication, staff development, accountability and productive organizational relationships, UCI is recognized as a forward looking, innovative organization that emphasizes trust, credibility and customer satisfaction.
