

## **USBA, USSA, and UASBO Stands in Solidarity**

The Utah School Boards Association, the Utah School Superintendents Association, and the Utah Association of School Business Officials stand in solidarity with Granite School District, the Governor's Office, and Utah Legislative leadership in condemning the deplorable actions of an elected official specifically charged with caring for the well-being and welfare of Utah's school children. We support any and all legal actions that could be undertaken to remove the offender from this position of trust.
