HB369 Defensive Force Amendments

Concern from prosecutors that it would swallow road rage as a concept since any response could be viewed as self defense. They recommend the language at line 32 be amended to remove "or attack on" as applied to vehicles.

Motion: John Mejia motions for the commission to oppose HB369. The motion is not seconded.

HB362 Juvenile Justice Revisions

Enhances possession of firearms from MB to a 3F (supported by JJ stakeholders). Also creates a Secure Care mandate for 2nd or subsequent firearm offense. This coupled with the 3F enhancement creates capacity issue. Rep. Lisonbee has indicated she will remove the mandatory secure care portion. Also enhances penalties for soliciting a minor to commit an offense (one level above soliciting an adult). Doesn't distinguish minors soliciting each other. Also changes dangerous weapons from an "or" to an "and" - may need more cleanup.

Motion: Brett Peterson motions for the commission to place a hold on HB362 for further discussion and action. Richard Mauro seconds the motion. The motion passes unanimously.

HB218 Restitution Revisions

Discussion at commission focused on additional complexity this adds to the criminal court system, which may be ill equipped to handle this type of litigation. Also that current code likely allows for this type of restitution, since we have moved away from an enumerated list of restitution categories. But policymakers believe this hasn't been ordered by courts and would be more likely to be contemplated if it is established in statute. Some discussion about whether this would ever likely be paid or if it is an illusory promise to victims. Also logistical concerns raised about establishing any kind of payment formula / life expectancy of incapacitated children (too much complexity).

Motion: Richard Mauro motions for the commission to oppose HB218. John Mejia seconds the motion. The motion passes.

Oppositions: Seven (7); Alex Garcia (Brian Redd), Scott Stephenson, Chief Craig Black, Beatriz Herrera, Rob Van Dyke, Ryan Robinson, Sheriff Michael Smith

Abstentions: Three (3); Judge Sharon Sipes, Judge Ryan Tenney, Judge Brody Keisel

SB128 Criminal Monetary Threshold Amendments S01

Motion: Richard Mauro motions for the commission to support SB128S01. Christina Zidow seconds the motion. The motion passes unanimously.

- ***Liliana Olvera-Arbon has left the meeting***

HB395 DUI Offense Amendments

Discussion at Sentencing Commission: concerns raise that this penalty ratcheting was not discussed over interim. We would like more time to consider how some of this could be done in

	<p>guidelines or without overly restraining judicial discretion. Mark said there is no area of the law less predictable or less stable than DUI law. Changes every year. This bill is a "radical overhaul" of DUI sentencing structure without sufficient groundwork. No evidence before us that these are the "right" sentences or would work to reduce DUI's. On the other side, Will pointed out that a lot of what this bill does is close loopholes, etc, and the mandatory sentencing scheme is only part of it. Prosecutors said judges and the guidelines aren't currently doing enough to distinguish between DUI cases with injury / extreme intox and otherwise.</p> <p>Motion: Brett Peterson motions for the commission to place a <u>hold</u> on HB395 for further discussion and action. Richard Mauro seconds the motion. The motion passes.</p> <p>Oppositions: Five (5); Craig Barlow, Chief Craig Black, Rob Van Dyke, Ryan Robinson, Sheriff Michael Smith</p> <p>Abstentions: Three (3); Judge Sharon Sipes, Judge Ryan Tenney, Judge Brody Keisel</p> <p>● <i>Christina Zidow has left the meeting</i></p> <p><u>HB352 Amendments to Expungement</u> Prohibits expungements of DV offenses for ten years; Tries to fix issues related to auto expungement.</p> <p>Motion: Tom Ross motions for the commission to place a <u>hold</u> on HB352 for further discussion and action. Richard Mauro seconds the motion. The motion passes unanimously.</p> <p>Vote totals and individual vote records for all of the above motions can be found on the Sentencing Commission bill tracker.</p>
