VIII. NEW BUSINESS

1. Jennifer Tolbert, Pahvant Valley Riding Club.

Jennifer Tolbert appeared representing the Pahvant Valley Riding Club and requested to use the Hinckley Rodeo Grounds arena Wednesday evenings being June 5, 2024, thru August 7, 2024. She also stated the riding club is hosting a two-day horse competition August 9-10, 2024 and would like the use of the arena on these dates also. This meet will include nine riding clubs and possibly 200-300 people. Discussion was held that the arena

needs to be watered down and worked before any horses or riders can be placed in the arena. This is a safety issue for both. Ms. Tolbert stated she realized this takes time and manpower and in the past the riding club members have helped with different projects at the rodeo grounds. Mayor Florang asked Ms. Tolbert to contact Council Member Donald Brown outside of the meeting as he has full authority and access to the rodeo grounds. Council Member Brown stated that he looks forward to meeting with Jennifer and getting the help the riding club needs to put on a successful meet. Ms. Tolbert also stated that the public is invited to attend the meet as there are several events for the public to enjoy.

2. Appointment of Hinckley Town Attorney.

Mayor Brian Florang stated he had discussed with Todd Anderson the possibility of obtaining him as the Hinckley Town Attorney and he has agreed to represent Hinckley Town. Mayor Florang also stated that the Hinckley Town attorney is an appointment by the mayor with support and input from the council. Brian also stated that at this time Hinckley Town has no current attorney. Mayor Florang asked the council for any discussion or comments regarding appointing Todd Anderson as the Hinckley Town attorney. As there were no negative comments or discussion Mayor Florang stated he would make the decision and follow up with Mr. Anderson.

3. Discussion to contract with a service provider to codify Hinckley Town Code and place the town code online.

Mayor Florang stated this is a project he has wanted to do for quite a while and within the last month he has taken the time to investigate several service providers. Brian also explained the codification process and why it's necessary to define and be available online. Mayor Florang explained to the council they are the legislators of this process and asked them to review and vote. Once this process is completed the information will be put before the council for adopting a resolution of the codified ordinances. At this point there will be a Public Hearing for public input.

4. Discussion about the Rural Communities Opportunity Grant, \$381,966 awarded to Hinckley Town on December 20, 2022, to improve town infrastructure (roads, water and sewer) in the Hinckley Industrial Park and to engage with an economic team to study business needs and create a strategy that promotes light industrial development in Hinckley Town.
